Which motion prevailed.

And the bill was read a second time.

Mr. Duff:

Mr. President:

This bill has been seriously consid-

ered for several weeks by the Committee on Finance in budget session.

The City, like every other private or public industry or business activity, must depend on certain sources of revenue in order to conduct its business. We have been living in an inflationary period, during which wages and the cost of materials have steadily gone upward. The corporation or private enterprise meets these rising costs by increasing the prices of the goods or services. The City must confine its extra cost to sources which are open to its action. We cannot levy on all types of property nor all types of activities which might be available for taxation purposes. Let me say in passing that there is a large mass of property within the limits of the City of Pittsburgh owned by utilities receiving all the benefits of the services which the City performs which might as well be beyond the City limits so far as revenue to the City is concerned. It is not taxable by reason of the law. We must abide by the legislative decree.

It has been charged by the Chamber of Commerce and the Civic Club of Allegheny County that we have increased the number of employees; it has also been charged by the Chamber of Commerce that the assessments have increased, with the implication that taxes should, therefore, be reduced or held at the present level. The answer to this statement is that the present assessments on lands and buildings within the City limits do not approximate the assessments of twenty years ago. I would expect from civic associations of this character a greater objectivity. It seems to me that these communications represent a rather biased attitude. True, we have increased the number of employees; we have increased the police force; we have increased the fire force, and yet we are below the number of policemen and firemen in per capita ratio to the population as compared with any of the twelve or fifteen cities in our classification. We have extended health services; we have employed school guards to take care of our children. The eight-hour-day is gradually coming into general practice throughout the country and, where that rule is put into opera-

tion, necessarily there must be more people employed in order to supply the same services. All of these things are the result of conditions over which we have no control.

I would like to ask the representatives of the two bodies which have made these statements whether they desire the City to forego these functions or to reduce them. I venture to say that if we did, the most vociferous outcries would come from these same organizations.

We cannot avoid inflation. We are in it. And, being in it, we must meet it.

I say, we have considered all these matters very carefully. Certainly, not one of us desires to raise taxes if we could adopt any other reasonable method to finance the City for the coming year. The only other method available to us is to resort to refunding maturing bonds which, as everyone knows, is not a sound principle of financing. If we refund, it means that our bonds will mature on an average term of ten years which, at two per cent interest, involves the aggregate payment of interest amounting to twenty per cent of the principal—so, it is not sound financing.

I have no compunction in favorably reporting this bill. I think it is imperative that we do so. It is too bad that it must fall on real estate but, in view of the fact that we have no other available source of revenue and, also, in the last ten or twelve years real property within the City has not been bearing as great a burden as it bore previous to that, I see no just reason for complaint.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Davis
Duff

Fagan
Gallagher,

Weir Kilgallen, (Pres't)
Wolk

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Which was read, received and filed.

Also

Bill No. 4888. An Ordinance entitled, "An Ordinance vacating Watson street in the First Ward of the City of Pittsburgh, between Shinglass street and Boyd street."

In Committee on Public Service and Surveys December 20, 1951, bill read and amended by inserting Sections 2 and 3 as follows:

"Section 2. In consideration of the vacation of the above mentioned portion of Watson street and the purchase price agreed upon to be paid

therefor by the Duquesne Light Company to the City of Pittsburgh, namely, \$27,240.00, the said Duquesne Light Company agreed to dedicate to the City of Pittsburgh after the acquisition of said property a strip of ground approximately 6 feet in width on Boyd street between Forbes and Diamond streets as well as certain radius cuts at the corner of Boyd and Forbes streets, Boyd and Diamond streets and Shingiss and Diamond streets, as shall be determined by the Director of the Department of Public Works, aggregating approximately 1303 square feet, and that the said Duquesne Light Company shall thereupon be entitled to a credit for said area so dedicated at the price of \$6.00 per square foot.

"Section 3. This Ordinance shall not become effective unless, within the period of sixty (60) days from the passage thereof, the Duquesne Light Company shall file its written acceptance of a setback of Forbes street as determined by the Department of City Planning and the Department of Public Works to provide for the possible widening of said street not to exceed in depth from Forbes street—three (3) feet and then (10) feet at Shingiss street; and said acceptance shall provide that if the City of Pittsburgh, for the purpose of such widening of Forbes street, shall take such area then in such case the Duquesne Light Company shall be entitled to receive from the City of Pittsburgh for the area so taken the sum of \$6.00 per square foot only.", and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. Wolk moved

That the amendments of the Public Service and Surveys Committee be agreed to.

copies of all ordinances and resolutions to each member of Council, after the return of such papers from Committee, at least 48 hours previous to their final consideration by Council.

Which motion prevailed.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Fagan:

Mr. President: Has File No. 2430, Bill No. 4888 had the approval of the Law Department? This bill has to do with the vacation of Watson street.

Mr. Boxheimer, Clerk of Council:

There is no indication of it, but the practice of the Department of Public Works is that before submitting all these ordinances to Council they are sent to the Law Department. They do not indicate that they approve them.

Mr. Weir:

Mr. President: I think the Law Department will have ample time to examine into the matter when the Duquesne Light Company files its acceptance, and the Law Department can prepare that acceptance and it should take care of the matter. This ordinance will not be effective unless within sixty days acceptance of its terms is filed, and the acceptance can incorporate into it anything that is desired, that is, within the general meaning of the ordinance.

Mr. Fagan:

Mr. President: I am ready to vote for it with the reservation that it has the approval of the Law Department before it is finally consummated.

And the bill as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Davis	Leonard
Duff	Weir
Fagan	Wolk
Gallagher	Kilgallen, (Pres't)

When the name of Mr. Fagan was called, he arose and said:

Mr. President: I am voting with the understanding of the reservation as I so stated.

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Fagan presented

No. 4948. Report of the Committee on Lands, Buildings and Housing for December 18, 1951, transmitting sundry resolutions to Council.

No. 4950.

Pittsburgh, Pa.,
December 21, 1951.

President and Members of Council,
City of Pittsburgh.
Gentlemen:

We do hereby certify that the amendments shown in Bill No. 4767, an Ordinance making appropriations to pay the expenses of conducting

the public business of the City of Pittsburgh and for meeting the debt charges thereof for the fiscal year, beginning January 1, 1952, and Bill No. 4768, an Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and fixing the rate of compensation thereof, are in accordance with the actions of the budget Controller.

Yours respectfully,

George Boxheimer
Clerk of Finance Committee
John Duggan
Budget Controller.

Which was read, received and filed.

Mr. Duff moved

That Rule 8 be suspended, providing for the mailing of printed copies of all ordinances and resolutions to each member of Council, after the return of such papers from Committee, at least 48 hours previous to their final consideration by Council.

Which motion prevailed.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Leonard:

Mr. President: We are voting on all bills now, is that right?

The Chair: We are voting on two bills, the appropriation bill and the salary bill.

Mr. Leonard:

Mr. President: I would like to repeat for the record what I said in Finance Committee. I did not vote for the appropriation bill in Committee as I explained in Committee prior to the taking of the vote.

The reasons I gave, just briefly are that I feel that all debates and the decisions arrived at as a result of those debates were made behind closed doors in the Mayor's office or the Mayor's conference room. This, in my opinion, is a violation of the spirit of the City Charter Act. For that reason and other

reasons I gave in Committee I voted against the appropriation bill in Finance Committee a few moments ago.

In regard to the Salary bill, I stated in Finance Committee the reasons why I voted against it, which are the same reasons why I voted against the appropriation bill—because decisions were reached behind closed doors, and in my opinion, as I stated above, that is a violation of the Charter Act.

I feel this way, that the debate and the decisions should have been made as they were made since the institution of the present City Charter Act up until five years ago when they were started to be made in secret sessions.

In defense of myself and in defense of my vote, I want to repeat that I knew nothing about the changes until five minutes before we sat in Finance Committee. That was fifteen minutes past two o'clock. I received my copies of the appropriation bill and the salary bill then. Not being familiar with it and not understanding how the decisions were arrived at, I cannot vote for them.

Two weeks ago, in Committee meeting, I stated that I thought Council should sit down around this Council table and discuss all the problems confronting us relative to the City and its employees. In my opinion we should sit down around this Council table and discuss the issues. We are confronted with a serious situation with regard to the salaries and wages of the City employees. I have to disagree with the 7½% increase. I am not familiar as to how that percentage was arrived at. I pointed out in Committee that an employee earning \$2,100 a year has to pay as much for a loaf of bread and his pound of coffee and his children's shoes as the man in the \$7,500.00 or \$8,000.00 brackets. I am of the opinion that the employee in the lower wage or salary bracket, particularly those under \$4,500.00 a year are more in need of an increase than the employees making \$8,000.00 a year. If we took our time around this table before the public and the public press and discussed the issues and studied the budget, that would be the right way, but I do not know what happened behind closed doors—I was not there. If we would go

through that budget and cut out the things that we do not have to do today and economize down to the bone and take the "fat" out of the budget, we would be able to give every employee of the City a one dollar a day increase, from the lowest paid to the highest. This is a cost of living increase, not a percentage increase.

My opinion is that if you pass these bills finally, particularly the salary bill, you are wrong because you will not be doing what private industry does. You will not be doing what the Government is doing, and you will not be doing what the Department of Labor of the United States has recommended.

I realize that we can sit here until midnight and even this time tomorrow because there are enough issues to argue, but that will not get anybody anywhere. I do think, however, that City Council should send this bill back to committee and restudy it and see if it is not possible to work out. I say it is possible to give all employees a dollar a day increase.

I stated in Committee why I did not attend the budget sessions. They are behind closed doors and in my opinion it is a violation of the intent of the City Charter Act.

In Committee I stated that I thought these bills should be read. I further stated that the amendments to the bills should be read, publicly. That is my opinion. That has not been done. You spent weeks and long hours behind closed doors in what I term a "Star chamber session" and you came up with this decision. Yesterday or the day before or whenever it might have been—you said to the Clerk—print these appropriation and salary bills, we are going to pass them this day, meaning today. I, as a member of Council, it would be against my principle to do something when I think it is not right, and that is the reason I did not attend those meetings.

It is true in the salary bill you have recognized certain prevailing wage rates recognized by the employers in private industry, by labor organizations, which have been arrived at by sitting around the table and discussing the issues and arriving at an agreement by bargaining

collectively. In order to vote for those agreements and prevailing wage rates in this bill you would have to vote for the bill in its entirety for the reason that it is package legislation.

Prior to this meeting, I would say about a half hour, I received a telegram from the electrical workers, which I am going to ask the City Clerk to read into the record.

"Pittsburgh, Pa.,

"December 20, 1951.

"Honorable Edward J. Leonard

"151 Stanton Court East, Pittsburgh

"We are shocked and disturbed by rumors which we hope are unfounded that the requests we submitted on November 14, 1951, on behalf of the electrical workers employed by the City are not being granted. We trust that the support and cooperation we have given to the City administration these many years will not be misinterpreted. We expect the members of Council to live up to the much publicized declarations that the City pays current union wages. If you will not pay current union wages in fact, why not cut out all further pretense about current union wages. Our demand without reservations is fair treatment for all the electrical workers.

"Wm. G. Shord,

"Business Manager, Local No. 5,

"International Brotherhood of
Electrical Workers."

Mr. Leonard:

Mr. President: I had this read into the record. I know nothing about this. I did not attend the closed door sessions. I want to repeat as I have stated ever since I have been a member of City Council, and if I ever hold office whether it be public or in the International Union or the new office in the International Union to which I go very shortly, I never had and never want to have anything to do with anything that I cannot go out around the Council table and discuss it. It has been my teaching since I became an adult and since becoming connected with labor movement and in public office, never go behind closed doors for anything. If you do, come out and redo it before the public.

I am not voting for the appropriation bill because I am not familiar with it, and I am not voting for the salary bill because it is a package bill. I do not think it is fair to give the City of Pittsburgh employees less than one dollar a day increase or \$365.00 as a cost of living increase, and am willing to vote for that with this understanding—that if these prices level off and come down and get back to the valuation of a real American dollar, where it was a couple of years ago—then the City will have to economize and will have to take off that dollar a day increase. Your percentage increase is all wet.

That is all I have to say about these bills. It is my feeling and my opinion and for the reasons given, I am not voting for these bills.

And the bill as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:—Messrs.

Davis	Weir
Duff	Wolk
Fagan	Kilgallen, (Pres't)
Gallagher	

Noes: Mr. Leonard.

Ayes 7. Noes 1.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 4768. An Ordinance entitled, "An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof."

In Finance Committee, December 21, 1951, bill read and amended by inserting Sections 2 to 106, both inclusive, and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. Duff moved

That the amendments of the Finance Committee be agreed to.

Which motion prevailed.

And the bill, as amended in Committee and agreed to by Council, was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Davis	Weir
Duff	Wolk
Fagan	Kilgallen, (Pres't)
Gallagher	

Noes: Mr. Leonard.

Ayes 7. Noes 1.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

MOTIONS AND RESOLUTIONS

Mr. Weir moved

That Council adjourn.

Which motion prevailed.

And

CITY OF PITTSBURGH CERTIFICATE OF EMERGENCY

Whereas, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

Whereas, The Director of the Department of Public Works in letters addressed to the Mayor and the City Controller, under date of December 2, 1951, has stated that the balances in Code Account 1756, Wages, Regular Employees, and Code Account 1761, Wages, Temporary Employees in the Mechanical Division; Code Account 1777, Wages, Temporary Employees and Code Account 1781, Wages, Temporary Laborers, October to December, Distribution Division, Bureau of Water; and Code Account 1650-3, Wages, Temporary Employees, Laborers, Bureau of Highways and Sewers, all within the Department of Public Works, are inadequate to meet wages for the balance of the year 1951 for the reason that insufficient funds were appropriated to provide for holidays, overtime, sick leave and vacations and due to overtime caused by water line breaks as well as the Snowfall of December 14, 1951, making it necessary to transfer funds to these various accounts.

Whereas, Such appears as good and sufficient reason to impel the certifica-

tion of an emergency under the circumstances;

Now, Therefore, We, David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, Controller of the City of Pittsburgh, do hereby certify to Council the existence of an emergency requiring the transfer of \$11,000.00 to Code Account 1756, Wages, Regular Employees, and \$1,500.00 to Code Account 1761, Wages, Temporary Employees Mechanical Division, Bureau of Water; \$6,000.00 to Code Account 1777, Wages, Temporary Employees and \$3,000.00 to Code Account 1781, Wages, Temporary Laborers, October to December, Distribution Division, Bureau of Water; and \$10,000.00 to Code Account 1650-3, Wages, Temporary Employees, Laborers, Bureau of Highways and Sewers, all within the Department of Public Works, to replenish depleted funds in these accounts.

DAVID L. LAWRENCE,
Mayor.

EDWARD R. FREY,
Controller.

Dated: December 27, 1951.

In Finance Committee, December 27, 1951, read and ordered returned to Council to be incorporated in the permanent record.

Which was read, received and filed.

Also

Bill No. 4953. An Ordinance entitled, "An Ordinance transferring the total sum of \$12,500.00 from Code Account Nos. 1757, 1758, 1759, 1762, 1763 and 1764 to Code Account Nos. 1756 and 1761, all within the Bureau of Water, Department of Public Works."

Which was read.

MOTIONS AND RESOLUTIONS

Mr. Leonard:

Mr. President: This will probably be the last session of City Council I shall be able to attend as a Member. It will not be the last session I shall attend.

In retiring from City Council voluntarily, I am not retiring from interest

in the affairs of the City, or interest in the welfare of the City employees or interest in the welfare of the little people of the City, who do not have high priced lawyers and lobbyists to make known their desires, needs and ideas for the continued growth and development of our City. In their interest I shall continue to observe, study, work and at times be vocal.

I have withdrawn from Council because I think and I have been advised that I can be of even greater service to the people in the other responsibilities I have.

There are, for instance, the Housing and Redevelopment Authorities of Allegheny County, of which I have the honor to be Chairman. There I shall be active as ever, doing my best to see that the people of Allegheny County are not left behind in the construction of homes and redevelopment of blighted areas. Following the progressive lead of Commissioner John J. Kane in these matters, I shall be actively engaged in these matters, which are so important for the ordinary citizens.

As an international officer of a great building trades union, I expect to be of continued value to the ordinary people of our City and County in these and other matters. Construction I know, and constructive I intend to ever be.

My long service in City Council, I am told and I hope, has been good public service. The service has been a happy service and the friendships and associations have been good for me. I hope this is mutual, often times it has been rugged.

I appreciate the attentive listeners I have had, even from those who did not always see the problems I thought I saw.

I appreciate the reporting of the Pittsburgh newspapers for having demonstrated in one sense the greatness of and freedom of the American Press. They published the news always, even when sometimes they did not like what I said. They published news even when it seemed to be contrary to policies.

They were reasonably fair and fairly just for the most part. This is not a

swan song. It is not goodbye. It is merely "So long. I'll be seeing you."

I might say I have the honor and privilege of attending my last meeting in City Council and it has been a pleasure and a privilege. I am retiring on my forty-sixth birthday, which is today.

The Chair:

In the early part of this year I was compelled to undergo three very serious surgical operations. As I was confined to bed during the months of January, February, March, April, May and part of June, and it was September before I was able to leave home. The Democratic Primaries were held in July. It was physically impossible for me to be a candidate. I did not run for re-election to this Council.

I was here twelve years. I have been President of the body for ten years. I will always cherish the memories of the experiences I have had. I always thought, I still think, that I was presiding over the best City Council in the United States.

Pittsburgh had had a civic rebirth in the last six years. Its progress has been nationally recognized. This City Council has had a great deal to do with that progress. I will always be grateful that I was privileged to be your President while you were making the decisions which formed the very keystone of the widely publicized and praised Pittsburgh Program.

In a personal way, I want to express the feeling of regard and friendship that I hold for each of you. Never once during my twelve years of office have I known a member to be ruled out of order, or put to any trouble in the expression of his viewpoint. Every member was freely permitted to express himself at length, any time. You have been courteous and kind to me. Thank you.

I want to say some words of appreciation to the administration officers, to the Directors, to the Chief Clerks, to the entire personnel of the City, all of whom responded gladly when I made any request of them.

In a special way, and in closing, I will always remember the kindly, courteous, efficient response I always

received from Mr. Lindsay and Mr. Patterson when they were City Clerk. Mr. Boxheimer has been the same. So have his assistants. To all of them, and to you, I say, thanks for everything

Mr. Gallagher:

Mr. President: I want to express my feelings towards the three members of Council who are retiring from this body to embark on a new period in their careers.

I want to wish Mr. Leonard success in his new endeavors and I also want to congratulate and wish Judge John T. Duff, Jr., a very successful term in his new position.

And, as to you, Mr. President, I hope that your health will be fully restored, and that your future may be a bright and happy one.

Mr. Fagan:

Mr. President and Members of Council: As they say, brevity is the soul of wit, but Joss Billings says he does not care how long a man talks as long as he says something.

I want to say to Councilman Edward J. Leonard on his retirement from City Council, especially on his birthday, that I wish him a very happy birthday. I hope that he will be blessed with health and strength, both of body and mind, that he may carry on in the labor movement and in his other civic duties in a manner that will reflect both credit and admiration in whatever he may do.

I also want to say to you, Mr. President, that it has been a pleasure to work with you and for you. There isn't any doubt about it that we are going to miss your advice and your counsel and your good common sense that you have exercised since I have been in Council.

As to Mr. John T. Duff, Jr., of course, we have agreed and have disagreed, but I think it was for the best interests of the citizens of Pittsburgh. As Chairman of the Finance Committee, Councilman Duff, who is now Judge Duff of the Court of Common Pleas, has done an outstanding job. A job that will redound to his everlasting credit, and the

kind of work that he will always be able to point to with pride for the service he has rendered the citizens of the greatest city in the United States, the City of Pittsburgh.

In closing, I wish to offer a short toast to President Kilgallen, Judge Duff and Councilman Leonard:

"That they may always have food and raiment and a peaceful pillow to lay their heads, and that when they die may they be in Heaven forty years before the 'devil' knows they are dead."

Mr. Weir:

Mr. President: Everything has been said, but I just want to join in wishing the best of luck to all three of you. Of course, Mr. Leonard and Mr. Duff are leaving for other occupations of their own choosing. Mr. President, in your case, as you said, you were unable to run because of a very serious operation that you underwent the early part of this year. Particularly to you I would like to express the feelings of everybody in this body that we could not have had a better or fairer President of this Council, and will never have a better and fairer President of this Council. We have all had and will continue to have the utmost confidence in you. The best of luck.

Mr. Davis:

Mr. President: I would just like to add a few words. I am a new member in this body, but I know each and every one of you know me from my former position. I want to congratulate Councilman Leonard on his forty-sixth birthday. He and I have had differences of opinion, but we have always been friends. I hope he will have a long and successful career. To you, Judge Duff, it was a pleasure working with you and for you during the absence of President Kilgallen. I hope I will never have to come before you as a Judge. Mr. President, you and I have been friends for a long time. I hope your health will continue to improve, and that some day you will be back with us.

Mr. Duff:

Mr. President: As this day marks my exit from this body in which I have

sat for twelve years, I think it is not amiss to pay tribute to my colleagues. I am very grateful, indeed, for having had the opportunity of being a member of this body. Some of my colleagues have passed within the unseen gates. For those of us who have remained and those who parted, I hold the greatest esteem and respect.

Mr. President, I want to pay tribute to you, sir, for your friendship and your help, and the able manner in which you have conducted the office of President of this body. I feel sure I am not guilty of any flattery in saying that each and every one of us has striven mightily to do what, in our best judgment, was the right thing and the best thing to do for the interest of this great City of ours.

While we have not on all occasions been the recipients of congratulations of the newspapers and certain segments of the population, it does not detract from my concept of the ability, the integrity and the honesty of this body, and it is with mixed feelings that I depart from this body today. I go to a higher post—one that I always cherished an ambition to fill—and I hope

that in that office I shall so conduct myself as to continue to merit your confidence and respect.

I say in closing, hail and farewell.

Mr. Gallagher moved

That the following members of Council be excused for absence from Council and Committee meetings:

Mr. Duff on December 12, 1951;

Mr. Fagan on December 20, 1951;

Mr. Leonard on December 3, 4, 6, 11, 12, 17, 18 and 20, 1951;

Mr. Wolk on December 28, 1951.

Which motion prevailed.

Mr. Weir moved

That the Minutes of Council of Monday, December 17; Tuesday, December 18, and Friday, December 21, 1951, be approved.

Which motion prevailed.

Mr. Duff moved

That Council adjourn sine die.

Which motion prevailed.

And

Council adjourned.

No. 1

AN ORDINANCE—Authorizing and directing the Mayor and the Civil Service Commission to enter into a contract with the International Business Machines Corporation for the leasing of a test-scoring machine for the year 1951, and providing for the payment of the costs thereof.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Civil Service Commission shall be and they are hereby authorized and directed to enter into the renewal of their contract with the International Business Machines Corporation, in a form to be approved by the City Solicitor, for the leasing of a test-scoring machine for a further period, beginning January 1, 1951, at a rental of \$40.00 per month.

Section 2. That the cost of such service shall be and is hereby made payable from Code Account No. 1100, Miscellaneous Services, Civil Service Commission, and the Mayor is hereby authorized and directed to issue, and the Controller to countersign, warrants on said funds in payment of the same.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Passed January 8, 1951.

Approved January 17, 1951.

No. 2

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Works to enter into an agreement for and on behalf of the City of Pittsburgh with the Borough of Greentree, permitting the Borough of Greentree to discharge the sewage from 36 acres extending northeastwardly from the Greentree Borough-Scott Township Line, between Greentree road and the City of Pittsburgh-Greentree Borough Line into the City sanitary sewer on McMonagle avenue, providing for the payment by the Borough of Greentree and any other provisions pertaining to the maintenance, reconstruction and any other costs in connection with a plant for the treatment or disposal of the sewage discharged by said sewer as may be required in the future.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Works are hereby authorized and directed to enter into an agreement for and on behalf of the City of Pittsburgh with the Borough of Greentree in the manner and form as follows:

THIS AGREEMENT

Made and entered into this----- day of-----, by and between the Borough of Greentree and the City of Pittsburgh, both being municipal corporations of the Commonwealth of Pennsylvania;

WITNESSETH

Whereas, The City of Pittsburgh has

constructed a branch trunk sanitary sewer in Little Saw Mill Run Drainage Basin and a trunk sanitary sewer in Saw Mill Run Drainage Basin, with an outlet into the Ohio River.

Whereas, The Borough of Greentree is desirous of draining a parcel of land having an area of 36 acres extending northeastwardly from the Greentree Borough-Scott Township Line between Greentree Road and the City of Pittsburgh-Greentree Borough Line into the City Sanitary Sewer on McMonagle avenue.

Now, Therefore, The parties hereto, for and in consideration of the mutual covenants and conditions hereinafter specified, do hereby agree as follows:

I.

The City agrees to permit the Borough of Greentree to discharge the sewage from a parcel of land having an area of 36 acres extending northeastwardly from the Greentree Borough-Scott Township Line between Greentree road and the City of Pittsburgh-Greentree Borough Line into the City sanitary sewer on McMonagle avenue.

II.

In consideration of this permission, the Borough agrees to pay to the City the sum of \$4,447.44. This amount to be payable within sixty (60) days after the completion of the connection to the City Sewer on McMonagle avenue.

III.

The City agrees to maintain and keep in repair the branch trunk sanitary sewer in Little Saw Mill Run Drainage Basin from the City of Pittsburgh-Greentree Borough Line at McMonagle avenue to the main trunk sanitary sewer in Saw Mill Run Drainage Basin, and the Borough agrees to pay 1.87% of the cost of the said maintenance, including reconstruction, repairs and all other work necessary in connection with the said branch trunk sanitary sewer. The City also agrees to maintain and keep in repair the trunk sanitary sewer in Saw Mill Run Drainage Basin from the branch trunk sanitary sewer in Little Saw Mill Run Drainage Basin to an outlet in the Ohio River, and the

Borough agrees to pay 0.33% of the cost of said maintenance, including reconstruction, repairs and all other work necessary in connection with the said trunk sanitary sewer. Such amounts are due and payable within thirty (30) days after presentation of a certified statement by the City to the Borough. The necessity for any of the above work and the cost of the same will be determined by the Director of the Department of Public Works.

IV.

When sewage disposal is an accomplished fact, or prior to that time if necessity should arise, the Borough will pay any and all costs as may be determined in the general or overall plan for sewage disposal as the same pertains to a parcel of land having an area of 36 acres extending northeastwardly from the Greentree Borough-Scott Township Line, between Greentree road and the City of Pittsburgh-Greentree Borough Line.

V.

This agreement shall become effective from the date of its execution.

In Witness Whereof, The parties hereto have caused this agreement to be duly executed the day and year first above written.

No. 7

AN ORDINANCE—Granting unto the First National Ukrainian Society the right and privilege to construct, maintain and use a vault and cellar door entrance in the northerly sidewalk area of Carson street East in the Seventeenth Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the First National Ukrainian Society, its successors or assigns, is hereby given the right and privilege to construct, maintain, and use, at its own cost and expense, a vault and cellar door entrance adjoining its property at No. 723 Carson street East in the Seventeenth Ward, Pittsburgh, Pennsylvania.

The vault and cellar door entrance to be constructed by virtue of this Ordinance is to have its top at sidewalk grade, the bottom 7.17 feet below sidewalk grade, and is to occupy a portion of the northerly sidewalk area of Carson street East, bounded and described as follows:

Beginning on the northerly line of Carson street East at a point distant

209.04 feet eastwardly along the northerly line of Carson street East from the easterly line of South Seventh street; thence extending eastwardly along the northerly line of Carson street East 5.58 feet to a point; thence southwardly perpendicular to the northerly line of Carson street East, 5.08 feet to a point; thence westwardly, parallel to the northerly line of Carson street East, 5.58 feet to a point; thence northwardly, perpendicular to the northerly line of Carson street East, 5.08 feet to the place of beginning.

The said vault and cellar door entrance shall be constructed to the provisions of this Ordinance and in accordance with the plan identified as Accession No. B-665, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of the said vault and cellar door entrance, shall submit to the Director of the Department of Public Works, a complete set of plans, in triplicate, showing the location and all details for the construction of said vault and cellar door entrance, said plans and the construction of the vault and cellar door entrance shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of a vault and cellar door entrance on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said vault and cellar door entrance. All work, including the re-

paving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the said Director may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this Ordinance is granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said vault and cellar door entrance upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or Ordinance of Council, to the said First National Ukrainian Society, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said vault and cellar door entrance and replace the street to its original condition, at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said vault and cellar door entrance, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said First National Ukrainian Society, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by said First National Ukrainian Society, its successors or assigns.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Works of the City be and they are hereby authorized and directed to enter into an Agreement supplementing and amending Agreement of February 23, 1939, between the City and the County, in manner and form as follows:

SUPPLEMENTAL AGREEMENT

This Supplemental Agreement, made and entered into this-----day of -----, 1951, between the County of Allegheny, a political subdivision of the Commonwealth of Pennsylvania, hereinafter called the "County," party of the first part,

A
N
D

the City of Pittsburgh, a municipal corporation of the Commonwealth of

Pennsylvania, hereinafter called the "City," party of the second part;

W I T N E S S E T H

Whereas, pursuant to a County Aid Application filed by the City of Pittsburgh with the County of Allegheny, the parties hereto entered into a certain agreement on February 23, 1939, for the improvement and reconstruction of Water street and Duquesne way, both public thoroughfares in the City of Pittsburgh; and

Whereas, Paragraph 18, on page 8, of said agreement reads as follows: "The County agrees to prepare a plan for the light system of the boulevard and pay for the installation of ornamental poles and brackets. Upon installation of poles and brackets of the lighting system, the City agrees immediately to provide for such wiring as is necessary, provide such current and forever after to maintain the said lighting system at its own cost and expense, and the County shall forever be relieved of any liability or responsibility for the operation of the same"; and

Whereas, Paragraph 21, on page 9, reads as follows: "It is mutually understood and agreed that the work embraced in this improvement will be performed in sections and upon the completion of each individual section of the work that a joint inspection shall be made by the City and County. Any reasonable complaint by the City that any part or portion of the work has not been completed in accordance with the plans and specifications approved, shall be referred to the Director of Public Works of the City, and the Director of the County Department of Works. The County agrees to correct or cause to be corrected such work as may be agreed upon by the City and County officials aforesaid as not being in accordance with the plans and specifications approved. After the work is finally completed in the manner above stated the City agrees to take whatever action is necessary, by ordinance or otherwise, to take over and maintain and exercise exclusive jurisdiction over the widened and reconstructed portion of Water street and Duquesne

way Improvement, and the County shall forever be relieved from any responsibility or liability therefor"; and

Whereas, Both the City and County are desirous of amending the aforesaid agreement of February 23, 1939, to provide for the installation of the ornamental poles and brackets by the City of Pittsburgh on the Duquesne way portion of the improvement, said poles to conform with present poles and brackets now being installed by the Broadway Maintenance Corporation under contract with the City of Pittsburgh, and further to provide for the acceptance of the Water street and Duquesne way improvement by the City of Pittsburgh upon the payment of a certain hereinafter stated sum of money;

Now, Therefore, In consideration of the mutual covenants and benefits to be derived therefrom, it is hereby agreed by and between the parties hereto as follows:

(1) The City agrees to furnish and install ornamental light poles and brackets at places indicated and provided therefor on the plans prepared by the County, said plans being numbered 19540 and 19551 to 19559, inclusive.

(2) Upon installation of said ornamental poles and brackets by the City, the County will pay to the City the actual cost of furnishing and installing said ornamental poles and brackets in accordance with the prices contained in the City's present contract with the Broadway Maintenance Corporation, however, not to exceed the sum of Sixteen Thousand (\$16,000.00) Dollars.

(3) Receipt of the aforesaid money by the City will constitute an acceptance of the entire Duquesne way improvement in its present condition, fully and finally as though completed under the terms of the original agreement dated February 23, 1939, and the City does release and discharge the County of and from any and all further obligations arising out of this improvement, and the City will adopt all necessary resolutions or ordinances for the further maintenance of the widened

and reconstructed portion of Water street and Duquesne way.

(4) Any part or parts of the aforesaid agreement of February 23, 1939, in conflict with this Supplemental Agreement are hereby superseded and rescinded.

In Witness Whereof, The parties hereto have hereunto set their hands and seals the day and year first above written.

No. 55

AN ORDINANCE—Granting unto the Linde Air Products Company the right and privilege to construct, maintain, and use a 24-inch reinforced concrete sewer and a 4-inch steel sludge line across Stanhope street in the Twentieth Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Linde Air Products Company, its successors or assigns, is hereby given the right and privilege to construct, maintain, and use, at its own cost and expense, a 24-inch reinforced concrete sewer and a 4-inch steel sludge line across Stanhope street in the Twentieth Ward, Pittsburgh, Pennsylvania.

The 24-inch reinforced concrete sewer is to be at a depth of approximately 3 feet below the present ground surface at the center line of Stanhope street and the 4-inch steel sludge line shall be over the said 24-inch sewer and at ground surface at the center line of Stanhope street. The said center line of conduits shall be located as follows:

The center line of said conduits shall begin on the southerly line of Stanhope street distant 500.42 feet westwardly along the southerly line of Stanhope street from the westerly line of Stafford street; thence extending north 12° east a distance of 58.00 feet to the northerly line of Stanhope street.

The said conduits shall be constructed in accordance with the provisions of this Ordinance and in accordance with

the plan identified as Accession No. B-668 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of the said conduits, shall submit to the Director of the Department of Public Works, a complete set of plans, in triplicate, showing the location and all details for the construction of said conduits, said plans and the construction of said conduits shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of conduits on City streets and compensation for same.

Section 4. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said conduits upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or Ordinance of Council, to the said Linde Air Products Company, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said conduits and replace the street to its original condition, at its own cost and expense.

Section 5. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said conduits, and it is a condition of this grant that the City of Pittsburgh assumes no liability to

either persons or property on account of this grant.

Section 6. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said Linde Air Products Company, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by said Linde Air Products Company, its successors or assigns.

Section 7. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Widening Cox avenue at the intersection of Elwell street and providing that the costs, damages and expenses occasioned thereby be assessed against and collected from properties benefited thereby.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That Cox avenue at the intersection of Elwell street shall be and the same is hereby widened by taking for public use for highway purposes the property hereinafter designated and described as "Portion A" and "Portion B" respectively, to wit:

"PORTION A"

Beginning at the intersection of the southerly line of Elwell street and the westerly line of Cox avenue; thence extending southwardly along the westerly line of Cox avenue 15.0 feet to a point of curve; thence northwardly and westwardly by the arc of a circle deflecting to the left with a radius of 15 feet and the central angle of 90° 00' for an arc distance of 23.56 feet to a point of tangent on the southerly line of Elwell street; thence eastwardly along the southerly line of Elwell street 15.0 feet to the place of beginning.

"PORTION B"

Beginning at the intersection of the northerly line of Elwell street and the easterly line of Cox avenue; thence extending northwardly along the easterly line of Cox avenue 63.71 feet to a point of curve; thence southeastwardly by the arc of a circle deflecting to the left with a radius of 100.0 feet and a central angle of 33° 07' 20" for an arc distance of 57.81 feet to a point of compound curve; thence southeastwardly and eastwardly by the arc of a circle deflecting to the left with a radius of 20.0 feet and a central angle of 56° 50' 35" for an arc distance of 19.84 feet to a point of tangent on the northerly line of Elwell street; thence westwardly along the northerly line of Elwell street 33.0 feet to the place of beginning.

Section 2. The Department of Public Works is hereby authorized and directed to cause said Cox avenue at the intersection of Elwell street to be widened in conformity with the provisions of Section 1 of this Ordinance.

Section 3. The costs, damages and expenses occasioned thereby and the benefits to pay the same shall be assessed against and collected from properties benefited thereby in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Fixing the interest rate on Refunding Bonds of 1951, Series A, and levying an annual tax to pay the principal, interest and any tax levied on said bonds.

Whereas, Ordinance No. 602, approved December 27, 1950, authorized and directed the sale of Refunding Bonds of 1951, Series A, in the amount of Two Million Dollars (\$2,000,000.00) dated March 1, 1951, at an interest rate not to exceed four per centum (4%) per annum, payable semi-annually; and

Whereas, Under the terms of said Ordinance and the Acts of Assembly authorizing the same, the said bonds were advertised and were sold to the First Boston Corporation of New York and Braun, Bosworth & Company of Toledo, Ohio, at an interest rate of 1½% per annum, plus a premium of \$1,380.00.

Now, Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That Refunding Bonds of 1951, Series A, in the amount of Two Million Dollars (\$2,000,000.00), dated March 1, 1951, and authorized by Ordinance No. 602, approved December 27, 1950, shall bear interest at the rate of 1½% per annum, payable semi-annually on the first days of March and September during the term thereof.

Section 2. That until such time as the issue of Refunding Bonds of 1951, Series A, in the amount of Two Million Dollars (\$2,000,000.00) dated March 1, 1951, and authorized by Ordinance No. 602, approved December 27, 1950, shall be fully paid, there is hereby levied and assessed annually on all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax commencing in the year 1952 sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year to be set apart in the Sinking Fund of the City of Pittsburgh for the payment of the principal and retirement of said bonds as they become due and payable according to their terms. There is also hereby appropriated out of the general funds of the City a sum sufficient to pay the first installment of interest due under the terms of said bonds. The proceeds of the taxes above levied are hereby appropriated out of the revenue of said City for the payment and redemption aforesaid, all as set forth in the following table:

No. 86

AN ORDINANCE — Authorizing the Mayor and the Director of the Department of Public Works to enter into an agreement with The Monongahela Connecting Railroad Company, giving consent to the construction of a marginal highway to extend from the intersection of South Thirtieth street and Jane street westwardly to Mary street, and the streets affected thereby; and prescribing the form of agreement.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Works be and they are hereby authorized to enter into an agreement on behalf of the City of Pittsburgh with The Monongahela Connecting Railroad Company, in the following form:

This Agreement, made and entered into this-----day of-----1951, by and between The Monongahela Connecting Railroad Company, acting through its President, hereinafter called the RAILROAD

and

the City of Pittsburgh, acting through its Mayor and its Director of the Department of Public Works, hereinafter called the CITY.

WITNESSETH

Whereas, The Pennsylvania Railroad Company applied to the Pennsylvania Public Utility Commission, through Application No. 75826, for approval of (1) the abolition of crossing at grade where South Thirtieth street crosses nine (9) live yard tracks and one (1) dead yard track of said Company; (2) the abolition of the crossing below grade where South Thirtieth street crosses under four (4) main tracks of said Company by (3) the vacation of South Thirtieth street, from the southwesterly line of Sarah street to the northeasterly line of Jane street, and (4) the laying out of a Marginal Highway, extending westwardly from the intersection of Jane street and South Thirtieth street to a point in Mary street, in substitution for the vacated portion of said Highway and said crossings, all in the Sixteenth Ward of the City of Pittsburgh, Allegheny County; and

Whereas, By Ordinance No. 328, approved July 7, 1950, the City consented to the vacation of South Thirtieth street, from the northwesterly line of Sarah street to the northeasterly line of Jane street, by the Pennsylvania Public Utility Commission; and

Whereas, In approving said Application No. 75826, the Pennsylvania Public Utility Commission on October 2, 1950, issued inter alia the following order: (a) That the said application be and is hereby approved. (b) That the said crossings be abolished by the vacation of South Thirtieth street. (c) That the alignment, width and grades of the Marginal Highway be established and laid out in accordance with the approved plan (filed with the Application and reproduced on Plan-----, filed in the Department of Public Works). (d) That two private properties with buildings erected thereon, in addition to Pennsylvania Railroad Company property, are taken and appropriated for the purpose of the proposed

improvement. (e) That The Monongahela Connecting Railroad Company at its sole cost and expense furnish all material and do all work necessary to construct the Marginal Highway, in accordance with the approved plan. (f) That The Monongahela Connecting Railroad Company pay all compensation for damages due to the owners for property taken, injured, or destroyed by reason of the construction of the Marginal Highway. (g) That upon completion of the improvement and its opening to public use, the City of Pittsburgh at its sole cost and expense furnish all material and do all work necessary thereafter to maintain the new Highway, together with all remaining portions of connecting and abutting streets previously maintained by the City;

Now, Therefore, It is agreed by and between the parties hereto:

1. The Railroad shall furnish a linen tracing showing complete details of work required to lay out and construct the new Marginal Highway. The said plan will be known as the "Contract Plan"; shall bear a professional engineer's seal; shall be approved by the Department of Public Works, and shall be filed under Accession No.----- in the Bureau of Engineering of the City. Upon completion of the said Highway, the Railroad shall revise the Contract Plan to show changes made during construction.

2. The Railroad will proceed to lay out and construct the Marginal Highway, including water line adjustments and drainage facilities. All work done and materials furnished shall be in accordance with details shown on the Contract Plan, current Standards and Specifications of the Department of Public Works under the supervision and with the approval of the Director of the Department of Public Works of the City.

3. The Railroad will pay all damages, property or otherwise, to those legally entitled to receive same, when and as ascertained either by legal proceedings, or by agreement. The Railroad shall assume all liability for damages to persons or property caused by

or arising out of the construction of the Marginal Highway and intersecting streets, and undertakes to save the City harmless and to indemnify the City against any and all such damages.

4. The Railroad shall submit to the Director of the Department of Public Works of the City for approval, the name of the contracting firm and sub-contractors; and shall cause them to comply with all submissions required by the Department of Public Works. The Railroad shall require the contractor or contractors actually performing the work to furnish to the City of Pittsburgh a bond in the amount of one-half the estimated cost of this improvement, obligating the said contractor or contractors to perform the work in accordance with the Contract Plan, Standard and Specifications of the Department of Public Works, and also to maintain the said work for a period of two (2) years after the completion thereof.

5. In addition to the Contract Plan, the Railroad shall furnish a linen tracing of the Marginal Highway, on which will be shown complete information relative to the street alignment and grade, with dimensions of all property taken for the opening of the Highway, and complete dimensions of all property as affected by the opening of the Highway. The said Plan shall also show profiles of the intersecting streets as affected, with sufficient information to re-establish the grades thereof.

The Railroad shall convey, or cause to be conveyed, to the City of Pittsburgh by Special Warranty Deed all property described by metes and bounds required for opening the Marginal Highway, as shown on the plan, from South Thirtieth street to Mary street, except that the portions of the properties formerly owned by N. Zgureich and P. G. Schulz within the lines of the proposed highway may be conveyed to the City by Quit Claim Deeds. The said deeds shall be approved by the City Solicitor, and the Special Warranty Deed shall include a clause in reference to the encroachment of retaining wall footers on the northerly sidewalk area of the Marginal Highway.

The Marginal Highway is named "Mary Jane Street."

6. Upon completion of the Marginal Highway to the satisfaction of the Director of the Department of Public Works, the City will accept it as part of its street system, and after the expiration of the two year maintenance period hereinbefore stipulated, the City will thereafter be responsible for the maintenance of the said Highway, with the exception of the retaining walls and cribs on the northerly side thereof supporting the Pennsylvania Railroad embankment, the maintenance of which will be the responsibility of the Railroad. This shall not be construed to prevent the Railroad from delegating this maintenance to the Pennsylvania Railroad Company, whose written acceptance filed with the Department of Public Works shall relieve the Railroad from any responsibility as to such maintenance.

In Witness Whereof, The President of The Monongahela Connecting Railroad has hereunto affixed his hand, and the officials of the City of Pittsburgh, under authority of Ordinance No. _____ of 1951, approved the _____ day of _____, 1951, have hereunto set their hands and the official City seal.

No. 99

AN ORDINANCE—Providing for fees for filing a plan or plans for fixtures and for inspectional services for installations, or alterations, or replacements of fixtures in new or old construction with and by the Division of Plumbing and House Drainage, in the Bureau of Sanitation of the Department of Public Health of the City of Pittsburgh.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That any person, firm or corporation duly registered as a plumber, desiring to file a plan or plans with the Division of Plumbing and House Drainage, in the Bureau of Sanitation of the Department of Public Health of the City of Pittsburgh, for the installation or alteration of plumbing or drainage, shall, before such plan or plans are approved and permit issued, pay to the City Treasurer the fees hereinafter provided.

Section 2. For each plan the sum of Ten Dollars (\$10.00) shall be paid. Provided, however, where two or more buildings are being built by one owner at the same time, on the same street, and between two intersecting streets, a single plan shall be sufficient, but the fee for each separate building shall be Ten Dollars (\$10.00), the payment of which shall be noted upon the plan, and in addition thereto a One Dollar (\$1.00) fee for fixtures shall be paid.

Section 3. Within the meaning of this ordinance the term "fixture" is

hereby defined to mean a water closet, wash basin, sink, bath tub, shower head over bath tub, house trap, bell trap, which shall count as one fixture, laundry tray (each section shall count as one fixture) or any plumbing or drainage appliance trap connected, either directly or indirectly to the plumbing or drainage system, whether water, supplied or not, installed in the building or on the lot within the property line, shall count as one fixture. Each down spout, both inside and outside of building, whether individually trapped and sewer connected or not shall count as one fixture. Additional fixtures may be installed, altered or replaced by revising the previous approved plan by paying a fee of One Dollar (\$1.00) for each additional fixture, provided the same is installed and plan revised before final certificate is issued.

Provided further that for alteration or replacement of fixtures in single family houses no plan fee shall be required, but any plan increasing the number of families, or for any other plan, the plan fee of Ten Dollars (\$10.00) shall be required to be paid.

Section 4. Any person, firm or corporation violating the provisions of this ordinance shall upon conviction before any Police Magistrate or Alderman of the City of Pittsburgh, be fined not to exceed Two Hundred Dollars (\$200.00), or to undergo imprisonment in the Allegheny County Jail in default of payment thereof for a term not to exceed Thirty (30) days.

Section 5. The provisions of this ordinance shall be in force and take effect on and after the fifteenth day of March, 1951.

Section 6. That any ordinance or part of ordinance conflicting with the provisions of this ordinance and Ordinance No. 133, approved the 8th day of April, 1930, be and the same is hereby repealed.

Passed March 5, 1951.

No. 101

AN ORDINANCE—Authorizing and directing an increase in the indebtedness of the City of Pittsburgh in the amount of Five Million Dollars (\$5,000,000.00), and providing for the issuance and sale of general obligation peoples bonds in said amount to pay the cost of general public improvements as a partial exercise of the authority conferred by the electors at a Special Bond Election held the 9th day of September, 1947, and levying taxes for the payment of said bonds at maturity and for the payment of interest and State taxes thereon.

Whereas, The corporate authorities of the City of Pittsburgh by Ordinance No. 287, approved July 23, 1947, recorded in Ordinance Book Volume 54, Page 716, signified the desire that the indebtedness of the City of Pittsburgh

be increased in the amount of Twenty-one Million Dollars (\$21,000,000.00) for the purpose of paying the costs, damages and expenses of making improvements generally in the City, and provided that the question of increasing the indebtedness in said amount for such purposes be submitted to a vote of the electors of said City at a Special Bond Election to be held on Tuesday, the 9th day of September, 1947; and

Whereas, After due legal notice said Special Election was held and conducted as required by law and a majority of the electors who voted at said Election, voted in favor of said increase of indebtedness and the vote was duly counted as required by law and the return certified to Council, which certified return has been placed of record upon the minutes of the Council and is also of record in the Office of the Clerk of Quarter Sessions Court of Allegheny County at No. 2 October, 1947; and

Whereas, The authority conferred by said Special Bond Election of September 9, 1947, has been partially exercised by the issuance of General Public Improvement Peoples Bonds of 1947, Series A, in the amount of Five Hundred Thousand Dollars (\$500,000.00) pursuant to Ordinance No. 453, approved November 13, 1947; by the issuance of General Public Improvement Peoples Bonds of 1948, Series A, in the amount of Four Million Dollars (\$4,000,000.00), pursuant to Ordinance No. 68, approved March 11, 1948; by the issuance of General Public Improvement Peoples Bonds of 1949, Series A, in the amount of Four Million Six Hundred Thousand Dollars (\$4,600,000.00) pursuant to Ordinance No. 60, approved February 16, 1949; and by the issuance of General Public Improvement Peoples Bonds of 1950 Series A in the amount of Four Million Dollars (\$4,000,000.00) pursuant to Ordinance No. 158 approved April 11, 1950; and

Whereas, Of the authority granted by said Special Bond Election of September 9, 1947, there now remains, after the partial exercise thereof, by the issues of 1947, 1948, 1949 and 1950

aforesaid, the unexercised authority to increase the indebtedness of the City of Pittsburgh by the issuance of additional Peoples Bonds up to the amount of Seven Million Nine Hundred Thousand Dollars (\$7,900,000.00).

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That pursuant to the authority conferred by vote of the electors of the City of Pittsburgh at a Special Bond Election held the 9th day of September, 1947, general obligation peoples bonds of the City of Pittsburgh be issued in the aggregate principal amount of Five Million Dollars (\$5,000,000.00) to provide funds to pay the cost of any or all of the following general public improvements: the construction, reconstruction, alteration, replacement, major repairs, and rehabilitation of municipal buildings, police and fire houses and other municipal facilities; the purchase and installation of a central fire alarm system, the purchase of new fire-fighting apparatus and the purchase, installation and replacement of traffic control equipment; the construction, reconstruction and resurfacing of streets generally, including the Negley Run Parkway; the construction and reconstruction of sewers and sewer pumping stations; the construction of concrete steps; the reconstruction and major repair of bridges; the construction and equipment of a central warehouse and garage; the construction and equipment of division headquarters for the Department of Public Works; the reconditioning and replacement of street signs and markers; and for the construction and reconstruction of water lines and additions to, rehabilitation of and equipping of pumping stations, filtration plants, reservoirs and water mains and other improvements under the jurisdiction of the Bureau of Water; the alteration, rehabilitation and equipment of existing facilities and new construction and equipment in the Department of Parks and Recreation, including playgrounds, park buildings and facilities, swimming pools and the North Side Conservatory, including architectural and

engineering expenses in connection with any of the foregoing purposes.

The estimated period of usefulness of the improvements for which the aforesaid general obligation peoples bonds are to be issued is hereby stated and determined to be twenty (20) years from the date of said bonds.

Section 2. Said bonds shall be in denominations of One Thousand Dollars (\$1,000.00) each, shall be dated as of the first day of July, 1951, and shall be payable in twenty (20) equal installments of Two Hundred Fifty Thousand Dollars each, one of which installments shall mature on the first day of July, of each of the years 1952 to 1971, inclusive. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by acceptance of bids submitted in accordance with published advertisements as provided by law, payable semi-annually on the first days of January and July in each year during the term thereof, without deduction for any taxes which may be levied on said bonds, or on the debt secured thereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which is hereby assumed by the City of Pittsburgh. The principal of and interest on said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for registered bonds of the same maturity by surrendering such coupon bond or bonds with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh. The cost of preparing and issuing these bonds shall be deemed to be one of the purposes for which the bonds are issued and the expenses thereof shall be paid out of the proceeds of the sale of these bonds upon invoices approved by the Finance Committee of Council.

Registered bonds shall be registered with City Treasurer, and shall be re-registered only on the books of the City Treasurer. Both registered and coupon bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of any such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place. Each of said bonds shall be known and designated as GENERAL PUBLIC IMPROVEMENT PEOPLES BOND OF 1951, SERIES A.

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder therefore after public notice by advertisement as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said bonded debt shall have been increased or incurred, namely, the year 1952 sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to five per centum (5%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenues of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general funds of the City a sum sufficient for the payment of the first installment of interest due under the terms of said bonds.

The aforesaid tax levy shall be expressed as an amount of money to be raised by taxation in each succeeding

year, during the term of said bonds, for principal, interest and taxes thereon by a subsequent ordinance supplementing or amending this ordinance after the determination of the interest rate which shall be applicable thereto. Said ordinance or amendment to this ordinance shall also fix the interest rate on said bonds.

Section 5. That all bonds issued by the authority of this ordinance, and the Acts of Assembly authorizing the same, shall be general obligation bonds, shall be and become part of the funded debt of the City of Pittsburgh, shall be entitled to all the rights, privileges and immunities thereof, and shall be free from taxation, as aforesaid, and for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the full faith, honor, credit and property of the City are hereby irrevocably pledged.

Section 6. That the coupon and registered bonds issued in pursuance of this ordinance shall be in form approved by the City Solicitor and shall follow the provisions of this ordinance.

Section 7. Pending the execution and delivery of the definitive bonds to be issued under this Ordinance, the Mayor and the City Controller are authorized to have prepared, and to execute and deliver to the purchaser of the bonds hereby authorized, one or more temporary typewritten or printed bonds for the aggregate principal amount of the bonds authorized by this Ordinance, which temporary bonds shall be in such denomination and amount as the Mayor and the Controller may determine, and shall be substantially of the tenor of the registered bonds, to be issued hereunder, with appropriate omissions, insertions and variations as may be required. Each of said temporary bonds shall bear on its face the words

TEMPORARY GENERAL PUBLIC
IMPROVEMENT PEOPLES BOND
OF 1951, SERIES A

and such temporary bonds shall be exchangeable at the office of the City

Controller for a like principle amount of definitive bonds, when such definitive bonds are ready for delivery.

Section 8. The Mayor and the City Controller are hereby authorized and directed to prepare and file with the Clerk of the Court of Quarter Sessions of Allegheny County, Pennsylvania, under oath, a statement showing (a) the amount of existing gross liability of the City, the various allowable deductions which are claimed, and the net debt of the City; (b) the amount of the assessed valuation of all taxable property as last determined; (c) the amount of bonds to be issued hereunder, and (d) the form, number and date of maturity of said bonds in accordance with the provisions of the Act of Assembly of the Commonwealth of Pennsylvania, approved June 25, 1941, P. L. 159, known as the "Municipal Borrowing Law," and any amendments thereof or supplements thereto, and to do and perform all other acts required by said Act or by this Ordinance or any Amendments or supplements thereto in connection with the sale and issuance of said bonds.

Section 9. It is hereby declared that the existing net debt of the City of Pittsburgh and the debt to be incurred hereby do not in the aggregate exceed any constitutional or statutory limitation.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Works to enter into an agreement with the South Pittsburgh Water Company, with regard to water supply to properties of Frank Farnham et alia, in the Twentieth Ward of the City of Pittsburgh, and prescribing the form of this agreement.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Works be and they are hereby authorized and directed to enter into an agreement on behalf of the City of Pittsburgh with the South Pittsburgh Water Company, substantially in the following form:

ARTICLES OF AGREEMENT

Made and entered into this----- day of-----1951, by and between the City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, party of the first part, hereinafter referred to as the "City,"

AND

South Pittsburgh Water Company, a corporation of the Commonwealth of Pennsylvania, party of the second part, hereinafter referred to as the "Company."

Whereas, The Company, in the exercise of its present franchise rights maintains an eighteen inch cast iron water supply line along the southerly line of the property of Frank F. Farnham, who lives at 1201 McKinney lane in the 20th Ward of the City; and

Whereas, The Pennsylvania Department of Highways, by the construction of the new Penn-Lincoln Parkway, will compel the Company to relocate its pipe line within the boundaries of the Farnham lot; and

Whereas, Said new water line will be located approximately 850 feet south of McKinney lane, the only City street in the vicinity of the said relocated water line; and

Whereas, There now exists three residences on the north side of said McKinney lane, within the City limits; and

Whereas, The City does not now supply water to Mr. Farnham nor the other residents of McKinney lane; and

Whereas, The Company is willing to install a cast iron water pipe line at its own expense on a right of way in the Farnham property, provided rentals from the use of such water be collected directly by the Company; and

Whereas, Mr. Farnham has indicated that the other residents of the vicinity of his property within a distance of 700 feet may tap his water line when the same has been installed; and

Whereas, The cost of installing adequate water supply from City mains would exceed \$11,000.00; Now, Therefore,

THIS AGREEMENT WITNESSETH: That in consideration of the premises and the further consideration of the covenants and agreements herein contained, it is hereby agreed as follows:

1. The City will permit the installation of and the Company will install at its own expense such water line on a right-of-way in the property of Frank F. Farnham, 1201 McKinney Lane, 20th Ward, Pittsburgh, Pennsylvania, and will collect revenue from the use of such water from such person or persons as may be authorized to tap said water line for that purpose.

In Witness Whereof, The City of Pittsburgh has caused its corporate seal to be affixed hereto by the Mayor and these presents to be signed by the Mayor and the Director of the Department of Public Works, and the South Pittsburgh Water Company has caused its corporate seal to be affixed hereto by its Secretary and these presents to be signed by its President the day and year first above written.

No. 135

AN ORDINANCE—Providing for the classifying and licensing of persons, firms and corporations buying, selling and dealing in junk, rope, scrap iron, lead, brass, copper or other metals, and rags, bones and other materials, commonly termed as junk; regulating the purchase, sale and disposal of the same; requiring the keeping of records; providing for the payment of fees; providing for violations thereof, and repealing ordinances in conflict therewith.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That no person, firm or corporation shall use, exercise or carry on the trade or business of buying, selling and dealing in junk, rope, scrap iron, lead, brass, copper or other metals and rags and bones and other material commonly termed junk within the limits of the City of Pittsburgh, without first having obtained a license from the Bureau of Police of the Department of

Public Safety, which license shall be dated the first day of April of each year; shall be renewed annually on the first day of April of each and every year; and shall be granted only upon and subject to the terms, conditions and provisions hereinafter set forth.

Section 2. Such persons, firms and corporations engaged in said business shall be divided into two classes, to-wit: First Class, to be known as Merchants, and Second Class, to be known as Peddlers. The First Class shall include all persons, firms and corporations having a yard, house, building or other place or premises as a fixed location for the conduct of said business. The Second Class shall include such persons as shall have no fixed location for the conduct of said business, but who shall conduct the same by wagon, truck, push-cart, sack or other conveyance.

Section 3. The Bureau of Police of the Department of Public Safety shall grant licenses to all proper persons, firms and corporations which may apply for the same, to use, exercise and carry on the trade or business of buying, selling and dealing in junk, rope, scrap iron, brass, copper or other metals and rags, bones and other materials commonly termed junk, which license shall in the case of a Merchant or Dealer of the First Class set forth the exact location of the place or location wherein said Merchant or Dealer of the First Class is authorized to conduct said business.

Section 4. A Dealer of the First Class or Merchant shall, before receiving any license, or any renewal thereof, pay to the Treasurer of the City of Pittsburgh therefor the sum of One Hundred (\$100.00) Dollars, whether the said license be issued for a year or a part of a year. A Dealer of the Second Class, or Peddler, shall, before receiving any license, or any renewal thereof, pay to the Treasurer of the City of Pittsburgh the sum of Ten (\$10.00) Dollars, whether the said license be issued for a year or a part of a year.

Section 5. No person, firm or corporation licensed as a Dealer of the

First Class, or Merchant, as provided in this ordinance, shall, by virtue of one license, keep more than one place of business for the purpose of buying, selling and dealing in any of the articles and materials named in this ordinance, nor shall he or they at any time buy, sell or deal in such articles and goods in a place other than that for which such license is granted.

Section 6. All persons, firms or corporations licensed as Dealers of the First Class, or Merchants, under the provisions of this ordinance, shall keep and retain on their premises such scrap iron, brass, lead, copper or other metals and rags, bones and other materials commonly termed junk, in their original forms, shapes and conditions for a minimum period of forty-eight (48) hours, and shall not dispose of, reduce, change or alter such original forms, shapes or conditions until such minimum period of forty-eight (48) hours shall have elapsed.

Section 7. All Dealers of the Second Class, or Peddlers, licensed as such under the provisions of this ordinance, shall wear a badge of such material and design as shall be designated by the Director of the Department of Public Safety, which shall be worn on the hat or cap or otherwise upon the person of said dealer, so that the same may be plainly visible at all times during the transaction of said business. No member of any firm engaged as Dealers of the Second Class, or Peddlers, and no employee of a Dealer of the Second Class, or Peddler, shall purchase metals or other materials specified in the preceding section unless such member or employee shall be licensed and shall wear a badge in like manner as required of a Dealer of the Second Class, or Peddler, under the provisions of this ordinance.

Section 8. Every dealer of the Second Class, or Peddler, licensed under the provisions of this ordinance, shall dispose of any and all material or materials mentioned in this ordinance which he shall purchase, procure, obtain or have in his possession as such dealer, to a regularly licensed Dealer of the First Class, or Merchant, under

the provisions of this ordinance, at or before high noon of the day following his purchasing, procuring or obtaining the said material or materials; and it shall be unlawful for any Dealer of the Second Class, or Peddler, licensed under the provisions of this ordinance, to store or cause to be stored any of the material or materials mentioned in this ordinance, in any yard, stable, barn house, outhouse, dwelling or other building or place whatsoever, for any period longer than is necessary to dispose of the same as hereinabove provided.

Section 9. No person, firm or corporation licensed under the provisions of this ordinance shall receive or buy from minors or unknown or irresponsible parties any scrap iron, brass, lead, copper or other materials, metals or rags, bones and other materials commonly known as junk, and mentioned in this ordinance.

Section 10. The premises of all persons, firms or corporations, so licensed, shall be accessible at all times to the authorized representatives of the Bureau of Police of the Department of Public Safety of the said City of Pittsburgh, for the purpose of examining, inquiring into and searching for any articles and materials which may be received or purchased under the provisions of this ordinance, and the places of business conducted by Dealers of the First Class, or Merchants, so licensed, shall not open for the transaction of business before 7:00 o'clock A. M., and shall close promptly at 6:00 o'clock P. M. No license shall be granted to a Dealer of the First Class under this ordinance until after the same shall have been submitted to the Director of the Department of Public Health and by him approved as being in accordance with the laws of the State of Pennsylvania and the ordinances of the City of Pittsburgh governing health and sanitation, and with the rules and regulations of the Department of Public Health. Every person, firm and corporation being licensed under the provisions of this ordinance shall so conduct the business of such licensee that the same shall not amount to a nuis-

ance, and the places of business, premises, vehicles and carriers of such licensees shall be subject during the business hours herein provided to inspection by the authorized representatives of the Department of Public Health of the City of Pittsburgh.

Section 11. Every Dealer of the First Class, or Merchant, shall keep a book in which shall be legibly written in the English language at the time of purchasing or acquiring any junk, rope, scrap iron, lead, brass, copper or other metals and rags and bones and other material commonly termed junk, a full and accurate description of the article purchased, and the name and a full and accurate description of the person selling the same, together with his address, giving street or rural delivery number, and shall, before 12:00 o'clock noon of every business day, report to the Superintendent of Police upon blanks furnished by him an accurate description of the articles purchased, together with the name, address and description of the person selling same. Every Dealer of the First Class, or Merchant, shall also keep a full and accurate record in the English language of all articles and goods purchased from a regularly established wholesale dealer, showing complete invoices of such articles and goods, prepared by such wholesale dealer. Such books and records, as well as all articles or things purchased or acquired, shall be open at all times to the inspection of the Director of the Department of Public Safety and the officers of the Bureau of Police.

Section 12. If any person, firm or corporation shall violate one or more of the provisions or requirements of this ordinance, he or it shall, upon conviction thereof before any police magistrate of the City of Pittsburgh be subject to a fine or penalty of not more than One Hundred (\$100.00) Dollars for each and every violation thereof, and in default of the payment of any such fine imposed upon any person, such person shall be confined in the Allegheny County Jail or Workhouse for not more than thirty (30) days.

Section 13. That Ordinance No. 240,

approved August 5, 1918, Ordinance No. 609, approved July 29, 1927, and Ordinance No. 251, approved May 22, 1931, and any other ordinance or part of ordinance conflicting with the provisions of this ordinance, be and the same are hereby repealed so far as the same affect this ordinance, providing that this ordinance shall not be held or construed to repeal any of the provisions of the ordinance or ordinances relating to sanitation and health.

No. 137

AN ORDINANCE—Providing for the licensing and regulation of second-hand dealers in the City of Pittsburgh and providing penalties for violation thereof.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That a second-hand dealer, for the purpose of this ordinance, is any person, association, co-partnership or corporation who either wholly or in part engages in or operates the trade or business of buying, selling or dealing in second-hand articles such as antiques, precious stones, jewelry, watches, old gold, platinum, silver and all other precious metals and minerals; all kinds of bricklayers', plasterers', mechanics', blacksmiths', tanners', plumbers', electricians', barbers', and all other kinds of tools; all kinds of doctors', surgeons', dentists', undertakers', draftsmen's and all other kinds of instruments, all kinds of electrical, musical, telegraph and telephone, and all other kinds of instruments, scales, typewriters, adding machines, cash registers, dictaphones, phonographs and all other similar devices; all kinds of water, electrical and gas fixtures, appliances and supplies; radios, amplifying equipment: automobiles, trucks, tires, all kinds of automobile or truck tools, parts and accessories; all kinds of house and office fixtures, furnishings and appliances; pool and billiard tables, sporting goods of all kinds; bric-a-brac; clothing, shoes and all other wearing apparel, renovated or otherwise; trunks, traveling bags and suitcases; and firearms and explosives of all kinds.

The foregoing enumeration of articles, goods and property shall not be deemed to be exclusive or all-inclusive. Second-hand articles or goods for the purpose of this ordinance are any articles or goods that are purchased, salvaged, or received, from any person, association, co-partnership or corporation.

Section 2. All second-hand dealers in the City of Pittsburgh at the time of the passage of this act shall within ten (10) days of such passage, and every person, association, co-partnership and corporation hereinafter designed to become a second-hand dealer in the City of Pittsburgh shall, before commencing such business, procure a license from the Director of Public Safety. All licenses shall be issued effective March 1 of each year for a year, unless revoked sooner, and shall be renewed annually.

Before any license is issued, the applicant therefor shall pay to the City Treasurer a license fee of Twenty Dollars (\$20.00) for an itinerant second-hand dealer's license for a permanent place of business. The Treasurer shall issue his receipt for the payment of such fee. Upon presentation of such receipt, the Director of Public Safety shall issue to the applicant a badge, if an itinerant second-hand dealer, or a license certificate if a second-hand dealer having a permanent place of business. Such badge shall be worn by such itinerant second-hand dealer at all times when he is engaged in carrying on his business; and such license certificate shall be hung and at all times kept plainly visible in the place of business of the second-hand dealer having a permanent place of business.

Section 3. Every second-hand dealer shall keep a book in which shall be legibly written in the English language at the time of purchasing or acquiring any second-hand article or goods, a full and accurate description of the article purchased and the name and a full and accurate description of the person selling the same, together with his address, giving street or rural delivery number, and shall before 12 o'clock noon of every business day report to the Superintendent of Police upon blanks furnished by him an accurate description of the articles pur-

chased together with the name, address and description of the person selling same. Every second-hand dealer shall also keep a full and accurate record in the English language of all articles and goods purchased from a regularly established wholesale dealer, showing complete invoices of such articles and goods, prepared by such wholesale dealer. Such books and records, as well as all articles or things purchased or acquired shall be open at all times to the inspection of the Director of Public Safety and the officers of the Bureau of Police.

Section 4. No second-hand dealer shall operate more than one place of business under one license for a permanent place of business and only in the building for which the license is granted. No second-hand dealer shall purchase or receive goods between the hours of eight post meridian (8 p. m.) and seven ante meridian (7 a. m.).

No second-hand dealer shall receive or purchase any article or thing from any person under the age of 18, or from any intoxicated person, or from any person known to be a thief, or an associate of thieves, or a receiver of stolen goods, or from any person whom said second-hand dealer has reason to suspect to be such.

Section 5. No second-hand dealer shall sell or dispose of in any way any of the following second-hand articles or goods: antiques, precious stones, jewelry, watches, old gold, platinum, silver or other precious metals, or any similar articles or things, until thirty (30) days have elapsed after the purchase of the same. No second-hand dealer shall sell or dispose of in any way any other second-hand article or goods until seven (7) days have elapsed after the purchase of the same.

Section 6. Beginning at a point on the southerly line of Duquesne way, distant 312.5 feet eastwardly from the easterly line of Barbeau street; thence northwardly at an angle of 90° a distance of 234.55 feet to a point; thence northwestwardly at an angle of 135° a distance of 10.67 feet to a point on the Wharf line on the southerly bank of the Allegheny River.

The Condenser Water Discharge Control Chamber to be constructed by virtue of this Ordinance is to have its top at pavement grade at the Wharf wall, the bottom 19.0 feet below pavement grade and is to occupy a portion of the pavement area at the Wharf wall bounded and described as follows:

Beginning at a point on the center line of the 48-inch diameter Condenser Water Discharge Pipe, distant 219.55 feet from the southerly line of Duquesne way; thence eastwardly at an angle of 90° a distance of 10.00 feet to a point; thence northwardly at an angle of 90° a distance of 14.00 feet to a point; thence westwardly at an angle of 90° a distance of 16.00 feet to a

point; thence southwardly at an angle of 90° a distance of 14.00 feet to a point; thence eastwardly at an angle of 90° a distance of 6.00 feet to the point of beginning.

The said 48-inch diameter Condenser Water Intake and Discharge Pipes and Control Chambers shall be constructed in accordance with three plans identified as Accession No. B669, Accession No. B670, and Accession No. B671 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The Grantee, prior to the beginning of construction of the said 48-inch diameter Condenser Water Intake and Discharge Pipes and Control Chambers shall submit to the Director of the Department of Public Works, a complete set of plans in triplicate, showing the location and all details for the construction of said pipes and control chambers; said plans and the construction of the pipes and control chambers shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets, and also to the Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of pipes and control chambers on City streets and compensation for same.

Section 4. The Grantee shall bear the full cost and expense of the repair of any street paving damaged, repair of sewers, water lines and any other surface and subsurface structures which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of the pipes and control chambers. All work, including the repaving and repairing of any portion of the street damaged shall be done in the manner and at such times as the said Director may order and be subject to his approval and supervision.

Section 5. The initial term of the right and privilege granted by this Ordinance shall be from the date of the approval hereof until February 14, 1975 (the termination date of the Redevelopment Contract dated February 14, 1950, between Urban Redevelopment Authority of Pittsburgh and the Grantee). Such right and privilege shall, however, be renewed for successive five-year periods (hereinafter called "renewal terms"), the first such renewal term beginning February 14, 1975 and ending February 14, 1980 and each subsequent renewal term beginning at the expiration of the last such renewal term and ending February 14 of the fifth year thereafter, unless the City of Pittsburgh shall, pursuant to a resolution or ordinance of Council, have given to the Grantee at least twelve months prior to the expiration of the initial term or any renewal term written notice to the effect that it elects to terminate such right and privilege at the end of such initial term or renewal term as the case may be. In the event that the right and privilege granted hereby shall be terminated as hereinabove provided, the Grantee shall at the effective date of such termination remove the said Pipes and Control Chambers and restore the streets to their original condition at its own cost and expense.

Section 6. The said Grantee shall assume any liability to the City of Pittsburgh for damages to persons and property, including the streets and subsurface structures therein, by reason of the construction, maintenance and use and operation of said pipes and control chambers, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to all the foregoing conditions and to the further condition that this Ordinance shall become null and void unless within thirty (30) days after the passage and approval of the Ordinance, the Grantee shall file with the City Controller its certificate of acceptance, duly executed, and shall pay to the City Treasurer a permit fee of \$200.00.

No. 157

AN ORDINANCE—Accepting the dedication of Dorchester avenue as shown on the "Coral Gardens Plan of Lots" in the Nineteenth Ward of the City of Pittsburgh laid out by Alcor Building and Development Company, January 1949, and of record in the Recorder's Office of Allegheny County, in Plan Book Volume 44, page 53, opening and naming Dorchester avenue, accepting the grading, paving, curbing and sewerage thereof, fixing the widths and position of the roadway and sidewalks thereof and establishing the grade thereof from a point 120.28 feet southwest of Knowlson avenue to Midland avenue.

Whereas, Alcor Building and Development Company, the owner of certain property in the Nineteenth Ward of the City of Pittsburgh, laid out in the "Coral Gardens Plan of Lots" has located a certain Dorchester avenue thereon and executed a Deed of Dedication upon said plan for all ground covered by said Dorchester avenue to the City of Pittsburgh for public use for highway purposes and has released the said City from any liability for damages occasioned by the physical grading of said highway to the grade to be established, and

Whereas, Said Alcor Building and Development Company has graded, paved, curbed and sewerage the said Dorchester avenue at their own cost and expense, and

Whereas, It is desired that the City of Pittsburgh accept said improvements as part of the City's improved highways, therefore;

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the dedication of Dorchester avenue as shown and dedicated on the "Coral Gardens Plan of Lots" in the Nineteenth Ward of the City of Pittsburgh by Alcor Building and Development Company, January 1949, shall be and the same is hereby accepted.

Section 2. Dorchester avenue as aforesaid dedicated to said City for public highway purposes shall be and the same is hereby opened as a public highway and is hereby named "Dorchester avenue."

Section 3. The grading, paving, curbing and sewerage of Dorchester avenue from a point 120.28 feet southwest of Knowlson avenue at the northeasterly line of the "Coral Gardens Plan of Lots" to Midland avenue shall be and the same is hereby accepted and dedicated to be a public improvement of the City of Pittsburgh.

Section 4. The width and position of the roadway and sidewalks, conforming to Dorchester avenue as now improved, between the above mentioned terminals, shall be and the same are hereby fixed as follows, to-wit:

The roadway shall have a uniform width of 24 feet, the center line of which shall coincide with the centerline of the street.

The sidewalks shall each have a uniform width of 8 feet lying along and contiguous to the above described roadway.

The remaining portions of the street lying without the lines of the roadway and sidewalks, as above described, shall be used for slopes, land-scaping, retaining walls and steps.

Section 5. The grade of the centerline of Dorchester avenue, between the above named terminals, shall be and the same is hereby established, conforming to the street as now improved, as follows, to-wit:

Beginning at a point 120.28 feet southwest of the southwesterly line of Knowlson avenue at an elevation of 1211.73 feet; thence falling at the rate of 11.84% for a distance of 42.77 feet to a point of curve to an elevation of 1206.67 feet; thence by a concave parabolic curve for a distance of 160 feet to a point of tangent to an elevation of 1192.01 feet; thence falling at the rate of 6.49% for a distance of 102.56 feet to a point of curve to an elevation of 1185.36 feet; thence by a concave parabolic curve for a distance of 100 feet

to a point of tangent to an elevation of 1181.61 feet; thence falling at the rate of 1.0% for a distance of 102.28 feet to the northerly line of Midland avenue to an elevation of 1180.59 feet.

Section 6. The Department of Public Works is hereby authorized and directed to enter upon, take possession of and appropriate the said Dorchester avenue, between the above named terminals, as a public highway in conformity with the provisions of this Ordinance.

Section 7. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Authorizing the City of Pittsburgh to enter into a Lease Agreement with the Woman's Club of Regent Square, for the use of the "Braddock Utility Building" in Frick Park, prescribed the form of the agreement and authorizing its execution.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Directors of the Department of Parks and Recreation and the Department of Lands and Buildings be, and they are hereby authorized, to enter into a Lease Agreement on behalf of the City of Pittsburgh with the Woman's Club of Regent Square, in the following form:

LEASE AGREEMENT

Made and entered into this _____ day of _____, 1951, by and between the City of Pittsburgh,

a Municipal Corporation of the Commonwealth of Pennsylvania, acting in this behalf through the Mayor, the Director of the Department of Parks and Recreation and the Director of the Department of Lands and Buildings, they having been duly authorized thereto by Ordinance of Council of the City of Pittsburgh approved the _____ day of _____, 1951, hereinafter designated the "City," party of the first part,

A N D

The Woman's Club of Regent Square, an unchartered club of the Commonwealth of Pennsylvania, acting by and through the Executive Board of its duly elected officers, pursuant to Resolution duly adopted by the said organization, copy of which is hereto attached and made a part hereof, hereinafter referred to as the "Club," party of the second part.

Whereas, the City is the owner of a two-story brick and tile building located at 806 Braddock avenue, Frick Park, Pittsburgh, Pennsylvania, known as the "Braddock Utility Building;" and

Whereas, the Club proposes to conduct a social center for the benefit of neighborhood teen-age groups.

Now, Therefore, This Agreement Witnesseth:

1. That the City has agreed and by these presents does covenant and agree with the said party of the second part, in consideration of the mutual benefits to be enjoyed by the parties hereto:

(a) To deliver to the Club possession of all of the above described utility building, except the second floor loft thereof, for a period of one (1) year beginning with the date of the execution of this agreement, with an option of renewal of same for a further period of one (1) year and at the expiration thereof for a similar period from year to year thereafter, as long as the relation of landlord and tenant continues, subject to all the terms and conditions and with all the waivers contained in this agreement;

(b) To permit the Club to conduct programs sponsored by the Club on Friday and Saturday evenings of each week and at such other times as may, by consent of the proper authorities, be set aside for the Club's use;

(c) To provide, clean and keep clean and to maintain all toilet facilities; provide gas, electric and water services at its own cost; and to defray the cost of heating said utility building, except the expense of installing a suitable gas heating plant;

(d) To assume responsibility for all structural maintenance of said utility building and its surrounding grounds.

2. That the City reserves to itself:

(a) The right to repossess said utility building at the expiration of a Ninety-day notice from the proper Park Authorities to the Club should the City want to take over the premises for its own use;

(b) The right to use said utility building for the purpose of promoting nature study or recreational programs under the supervision of the Frick Park Naturalists and for any other lawful purpose, except on Friday and Saturday evenings, and at such other times as will not conflict with the club's scheduled programs;

(c) The right to permit the use of said utility building to other responsible groups at such times as will not interfere with the Club's scheduled programs, either by arrangement with the Club or by permission from the proper Park Authorities;

(d) The right to install in said utility building, at the City's expense, certain limited locker room and/or shower facilities for the accommodation of tennis tournament players;

(e) The right to store in said utility building certain small units of tennis court equipment used by the tennis court attendants during the tennis season.

3. That the Club hereby covenants and agrees as follows:

(a) To make structural changes in said utility building only upon the ap-

proval of the Director of the Department of Parks and Recreation and under his supervision;

(b) To assume all labor and material expense of laying proper flooring in the garage portion of said utility building;

(c) To assume all labor and material expense of installing an adequate gas heating plant in said utility building;

(d) To surrender ownership of all installations in said utility building to the City when removal of such installations might result in structural damage to said utility building;

(e) To supervise properly all programs sponsored by the Club, either by the Club's officers or by some responsible person or persons appointed by the Club;

(f) To submit to the proper Park Authorities an annual report on the nature of the programs promoted during the previous year;

(g) To submit to the proper Park Authorities an annual report on the nature of such charges or assessments as may be made by the Club in carrying on its sponsored programs.

4. That the Club further covenants and agrees to vacate the said premises at any time upon receiving Ninety (90) days' notice in writing so to do.

5. That the Club shall execute, deliver and file a bond with the City to secure the payment of material and labor furnished, supplied or performed in behalf of the Club under the terms of this agreement.

6. That the City shall not be liable for any injury or damage to any person or to any property at any time occurring within the premises occupied by the Club under this Agreement from any cause whatsoever which may arise from the use or condition of said premises when the Club is using said premises, and the Club shall obtain the necessary insurance to protect it and the City against any such claims.

7. That violation of any of the

terms of this Agreement will subject the same to forfeiture at the discretion of either the Director of the Department of Parks and Recreation or the Director of the Department of Lands and Buildings, and at the option of the City, and upon such violation the Club authorizes and empowers any Attorney or any Court of Record in Pennsylvania to appear and confess judgment in any Court against the Club and all persons holding thereunder and in favor of the City in an amicable action of ejectment after one or more declarations filed for possession of said premises and with release of all waivers or stay of execution and with waiver of all exemption laws.

In Witness Whereof the parties hereto, by their proper officers, have hereunto set their hands and seals the day and year aforesaid.

Section 2. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 186

AN ORDINANCE—Granting unto the May Department Stores Company, Irene Kaufmann Settlement and Lillian Kaufmann, their successors or assigns, the right, privilege and authority to construct, maintain and use electrical conduits with a concrete encasement in the northerly sidewalk area of Diamond street and in and across Cherry way, in the First Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the May Department Stores Company, Irene Kaufmann Settlement and Lillian Kaufmann, their successors or assigns, are hereby given the right, privilege and authority to construct, maintain and use, at their own cost and expense, electrical con-

duits with a concrete encasement in the northerly sidewalk area of Diamond street and in and across Cherry way, in the First Ward, Pittsburgh, Pennsylvania.

The conduits with a concrete encasement is to occupy portions of the northerly sidewalk area of Diamond street and the street area of Cherry way, and the center line of said encasement is bounded and described as follows:

Beginning at a point in the existing sidewalk vault on the westerly line of Cherry way produced, distant 5.67 feet southwardly from the northerly line of Diamond street; thence eastwardly and parallel to the northerly line of Diamond street in and across Cherry way and into the northerly sidewalk area of Diamond street a distance of 22 feet to a point; thence deflecting 45° to the left, a distance of 3.29 feet to a point; thence deflecting to the left 45° a distance of 3.38 feet to a point on the northerly line of Diamond street, the end.

The concrete encasement is to have a width of 2.58 feet and a depth of 1.5 feet and is to be constructed with the top approximately 1.08 feet below the street surface.

The said conduits with a concrete encasement shall be constructed to the provisions of this Ordinance and in accordance with the Plan, identified as Accession No. B-673, on file in the office of the Bureau of Highways & Sewers, Department of Public Works.

Section 2. The said Grantees, prior to the beginning of the construction of the conduits with a concrete encasement shall submit to the Director of the Department of Public Works of the City of Pittsburgh a complete set of plans in triplicate showing the location of said concrete encasement. Said plans and the construction of the said conduits and concrete encasement shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City

streets, and to the Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinance which may hereafter be passed relating to the same.

Section 4. The said Grantees shall bear the full cost and expense for the repaving and repair of the street pavement and sidewalk damaged, and the repair of sewers and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said conduits and concrete encasement. All of said work, including repairs of street and sidewalk, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said conduits and concrete encasement upon giving to the said Grantees, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or Ordinance of Council; and the said Grantees, their successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said conduits and concrete encasement and restore the street and sidewalk to their proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Grantees, their successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance and use of said conduits and encasement, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall

become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Grantees shall file with the proper officers of the City, their certificate of acceptance to be executed by the said Grantees.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so the same affects this Ordinance.

Section 3607

Sub-section (b)

Strike out paragraphs 1 and 2 and substitute the following:

1. Incombustible Materials: All projecting signs, including frames, braces and supports shall be constructed of incombustible materials, except that approved combustible plastics may be used as facing material and as letters and decorations on such signs provided that on any display surface in excess of one hundred (100) square feet, the area of such plastics does not exceed one hundred square feet, plus 25% of the difference between 100 square feet and the area of the display surface and

that the total area of such plastics does not exceed 575 square feet. The term, Approved Combustible Plastics, shall mean combustible plastic materials, which when tested in accordance with ASTM Standard Method of Test for Flammability of Plastics over 0.050" Thickness (D 635-44), burn no faster than 2.5" per minute in sheets of .060" thickness.

2. Limitation of Glass: If glass is used in a projecting sign, the area of all glass surfaces shall not exceed forty (40) per cent of the total area of the sign. Glass letters, figures or symbols shall not exceed twenty-four (24) inches in height and shall be sufficiently strong to insure against breakage. All glass except the stroke of the letters, figures or symbols shall be covered with incombustible materials, except that one exposed section, not exceeding four (4) square feet in area, constructed of wire glass or safety glass shall be permitted on each side of a sign. In any clock structure the glass over each dial shall be safety glass and the area of such glass shall not exceed sixteen (16) square feet. There shall be no limitation to the area of sign surface covered by lighting devices constructed of glass tubing or to the height of letter, figures or symbols constructed of such tubing.

No. 193

A N ORDINANCE—Authorizing and directing the issuance of funding bonds of the City of Pittsburgh in the aggregate principal amount of One Million Two Hundred Thousand Dollars (\$1,200,000.00), for the purpose of funding the existing unfunded indebtedness of the City of Pittsburgh consisting of contractors' claims incurred in the making of permanent improvements; claims for damages arising from the opening, widening and improving streets and the construction of sewers; judgments; installment payments due and owing for the City's share of the cost of Penn-Lincoln Parkway; other items of floating indebtedness and interest on the above contractors' claims, claims for damages and judgments and levying taxes to provide funds for the redemption of said bonds at maturity and the payment of interest and State taxes thereon.

Whereas, The City Controller has submitted to Council a detailed statement under date of April 3, 1951, of the floating indebtedness of the City of Pittsburgh in the sum of One Million Two Hundred Thousand Dollars (\$1,200,000.00) over and above the funds on hand available for the liquidation thereof; and

Whereas, Anticipated savings on interest payments render it advisable to issue bonds for the purpose of funding said unfunded indebtedness;

Now, therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That general obligation funding bonds of the City of Pittsburgh be issued in the aggregate principal amount of One Million Two Hundred Thousand Dollars (\$1,200,000.00), to provide funds for the purpose of funding the existing unfunded indebtedness of the City of Pittsburgh, consisting of contractors' claims incurred in the making of permanent improvements; claims for damages arising from the opening, widening and improving of streets and the construction of sewers;

judgments; installment payments due and owing for the City's share of the cost of Penn-Lincoln Parkway; other items of floating indebtedness; and interest on the above contractors' claims, claims for damages and judgments. The estimated period of usefulness of the property acquired or the improvement made for which these general obligation funding bonds are issued is hereby stated and determined to be twenty years from the date of said bonds.

Section 2. Said bonds shall be in denominations of One Thousand Dollars (\$1,000.00) each, shall be dated as of the first day of May 1951, and shall be payable in twenty (20) equal installments of Sixty Thousand Dollars (\$60,000.00) each, one of which installments shall mature on the first day of May in each of the years 1952 to 1971, inclusive. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by the acceptance of bids submitted in accordance with published advertisements as provided by law, payable semi-annually on the first days of May and November in each year during the term thereof, without deduction for any tax which may be levied on said bonds, or on the debt secured thereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which is hereby assumed by the City of Pittsburgh. The principal of and interest on said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder, for registered bonds of the same maturity, by surrendering such coupon bond or bonds, with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to the funds created by the sale of this issue of bonds.

Registered bonds shall be registered

with the City Treasurer, and shall be transferable only on the books of the City Treasurer. Both registered and coupon bonds shall be signed by the Mayor, countersigned by the City Controller and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of any such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place.

Each of said bonds shall be known and designated as

FUNDING BOND OF 1951, SERIES A

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder therefor after public notice by advertisement as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said bonded debt shall have been increased or incurred, namely the year 1952, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to five per centum (5%) or as much thereof as may be necessary of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenues of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general funds of the City a sum sufficient for the payment of the first installment of interest due under the terms of said bonds.

The aforesaid tax levy shall be expressed as an amount of money to

be raised by taxation in each succeeding year, during the term of said bonds, for principal, interest and taxes thereon, by a subsequent ordinance supplementing or amending this ordinance after the determination of the interest rate which shall be applicable thereto. Said ordinance or amendment to this ordinance shall also fix the interest rate on said bonds.

Section 5. That all bonds issued by authority of this ordinance, and the Acts of Assembly authorizing the same, shall be general obligation bonds, shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof, shall be free from taxation, as aforesaid, and for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the full faith, honor, credit and property of the City are hereby irrevocably pledged.

Section 6. That the coupon and registered bonds issued in pursuance of this ordinance shall be in form approved by the City Solicitor and shall follow the provisions of this ordinance.

Section 7. Pending the execution and delivery of the definitive bonds to be issued under this Ordinance, the Mayor and the City Controller are authorized to have prepared, and to execute and deliver to the purchaser of the bonds hereby authorized, one or more temporary typewritten or printed bonds for the aggregate principal amount of the bonds authorized by this Ordinance, which temporary bonds shall be in such denomination and amount as the Mayor and the City Controller may determine, and shall be substantially of the tenor of the registered bonds to be issued hereunder, with appropriate omissions, insertions and variations as may be required. Each of said temporary bonds shall bear on its face the words

TEMPORARY FUNDING BOND

OF 1951, SERIES A,

and such temporary bonds shall be exchangeable at the office of the City Controller for a like principal amount

of definitive bonds, when such definitive bonds are ready for delivery.

Section 8. The Mayor and the City Controller are hereby authorized and directed to prepare and file with the Clerk of the Court of Quarter Sessions of Allegheny County, Pennsylvania, under oath, a statement showing (a) the amount of the existing gross liability of the City, the various allowable deductions which are claimed, and the net debt of the City; (b) the amount of the assessed valuation of all taxable property as last determined; (c) the amount of the bonds to be issued hereunder; and (d) the form, number and date of maturity of said bonds in accordance with the provisions of the Act of Assembly of the Commonwealth of Pennsylvania, approved June 25, 1941, P. L. 159, known as the "Municipal Borrowing Law," and any amendments thereof or supplements thereto, and to do and perform all other acts required by said Act or by this Ordinance or any amendments or supplements thereto in connection with the sale and issuance of said bonds.

Section 9. It is hereby declared that the existing net debt of the City of Pittsburgh and the debt to be incurred hereby do not in the aggregate exceed any constitutional or statutory limitation.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Safety, on behalf of the City of Pittsburgh, to enter into an Agreement with the Public Parking Authority of Pittsburgh to provide for the loan-assignment and payment by the City of Pittsburgh of the receipts from certain parking meters upon certain terms and conditions as to the use of such funds and the repayment thereof.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Safety be and they are hereby authorized and directed, on behalf of the City of Pittsburgh, to enter into an Agreement with the Public Parking Authority of Pittsburgh in substantially the following form:

THIS AGREEMENT

Made and entered into on this-----
day of -----, 1951, by
and between

City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania situated in Allegheny County (hereinafter called the "City")

a n d

Public Parking Authority of Pittsburgh, a body corporate and politic organized and existing under the Parking Authority Law, approved June 5, 1947, P. L. 458, as amended and supplemented, with its principal office in the City of Pittsburgh (hereinafter called the "Authority").

Witnesseth that for and in consideration of One Dollar (\$1), lawful money of the United States of America, paid by the Authority to the City, receipt

of which is hereby acknowledged, and for and in consideration of the benefits to the City from off-street parking facilities to be constructed or otherwise acquired by the Authority, the parties hereto, intending to be legally bound hereby, have covenanted, contracted and agreed and do hereby covenant, contract and agree as follows:

ARTICLE I

DEFINITIONS

The terms defined in this Article I shall, for all of the purposes of this Agreement, have the meanings herein specified, unless the context clearly otherwise requires:

Assigned Parking Meter:

The term "assigned parking meter" shall mean a parking meter, the gross revenues from which are or will be assigned by the City to the Authority under and by or in accordance with this Agreement.

Commencement Date:

The term "commencement date" shall mean the date on which the Authority shall complete the payment in full of the principal of and the interest on all loans made by Mellon National Bank Trust Company to the Authority under the provisions of the Agreement, dated September 26, 1950, between the Authority and Mellon National Bank and Trust Company.

Gross Receipts:

The term "gross receipts," when used with reference to any particular parking meter, shall mean the aggregate of the moneys from time to time deposited in such parking meter, less only the amount (if any) which the City is obligated, under the terms of the contract for the purchase of such parking meter, to pay out of such moneys on account of the price thereof.

Net Revenues:

The term "net revenues," when used with reference to Project No. 1, shall mean the receipts and revenues of the Authority from the ownership and operation of Project No. 1, after the

deduction of all costs of operating, maintaining and repairing Project No. 1.

Payment Completion Date:

The term "payment completion date" shall mean the date on which the Authority shall complete the payment in full of the principal of and the interest on all Project No. 1 Bonds, other than by the issue of other Project No. 1 Bonds.

Project No. 1:

The term "Project No. 1" shall mean the tracts of land described in Exhibit A annexed hereto, or such parts of said tracts as shall from time to time be owned by the Authority, together with all buildings and structures from time to time erected or installed above, at or below the surface thereof, including equipment, entrances, exits, fencing and other accessories necessary or desirable for the operation of off-street parking facilities.

Project No. 1 Bonds:

The term "Project No. 1 Bonds" shall mean all notes, bonds and other evidences of indebtedness, or obligations, of the Authority which shall be secured in whole or in part by the pledge of all or any part of the revenues of the Authority from all or any part of Project No. 1.

ARTICLE II

ASSIGNMENT OF PARKING METER REVENUES

The City hereby irrevocably sells, assigns, transfers and sets over unto the Authority the gross receipts derived and to be derived from the operation of the following parking meters in the City of Pittsburgh during the period beginning on the commencement date and ending on the payment completion date, viz.:

(a) The parking meters now installed in the City of Pittsburgh, being the parking meters installed in the areas described in Exhibit B annexed hereto;

(b) The parking meters which the City has determined to install in the

areas described in Exhibit C annexed hereto;

(c) The parking meters which the City has determined to install in the areas described in Exhibit D annexed hereto; and

(d) Any parking meters, the revenues of which shall hereafter be assigned to the Authority under the provisions of Article V hereof.

ARTICLE III

COLLECTION, DEPOSIT AND APPLICATION OF PARKING METER REVENUES

The City will from time to time, and as often as shall be necessary, at its own cost and expense collect all moneys deposited in the assigned parking meters and, at least once in each month, will pay to the Authority, out of such moneys, the gross receipts of the assigned parking meters. The Authority will deposit the gross receipts of the assigned parking meters, when and as received by it, to the credit of a special account to be opened and maintained by the Authority at the principal office of Mellon National Bank and Trust Company, Pittsburgh, Pennsylvania, and to be designated "Project No. 1 Meter Fund" (hereinafter called the "Meter Fund"). The moneys to the credit of the Meter Fund shall be applied only for the following purposes:

(a) To the payment of the interest on Project No. 1 Bonds;

(b) To the payment of the principal of Project No. 1 Bonds;

(c) To the establishment and maintenance of such reserves for the payment of the principal of and/or the interest on Project No. 1 Bonds as shall be required by the provisions of any indenture, resolution or agreement under which any of the Project No. 1 Bonds shall be issued or as the Authority in its sole discretion shall desire to create and maintain; and

(d) To the payment of all or any part of the purchase price of any assigned parking meter.

The authority shall have full and complete control and discretion over the allocation and distribution of the moneys to the credit of the Meter Fund among the purposes set forth in paragraphs (a), (b), (c) and (d) above, except that if the City shall at any time request that the Authority apply any of such moneys for the purpose referred to in paragraph (d) above, the Authority shall, to the extent that moneys shall then or thereafter be available in the Meter Fund, comply with such request.

Pending any such application of the moneys to the credit of the Meter Fund such moneys may be invested, in the discretion of the Authority, in bonds or obligations which, as to principal and interest, constitute direct obligations of the United States of America, the Commonwealth of Pennsylvania or the City of Pittsburgh.

ARTICLE IV

ASSIGNED PARKING METER REVENUE CONSTITUTE LOANS—PAYMENT

Subject to the subsequent provisions of this paragraph the moneys assigned by the City to the Authority under the provisions of this Agreement shall constitute loans by the City to the Authority and shall bear interest until repaid at the rates and for the periods hereinafter set forth. Parking meter revenues paid by the City to the Authority during each calendar month shall bear interest, from the first day of the following calendar month until the loan represented thereby shall be repaid, at a rate during each calendar year which shall be equal to the average rate of interest on the general obligation bonds of the City which shall be outstanding on the first day of such calendar year. Subject to the provisions of Article VI hereof, the Authority shall apply the entire net revenues of Project No. 1 arising after the payment completion date to the payment of the principal of and the interest on the loans represented by the assignment of the parking meter revenues, and the Authority shall be required to pay such principal and interest only after the payment com-

pletion date and only out of such net revenues. However, the Authority may at its option apply, at any time or from time to time, to the payment of such principal and interest, any other moneys of the Authority which may be available for such purpose. All payments made by the Authority to the City under the provisions of this Article shall be applied, first, to the payment of accrued and unpaid interest on such loans and, second, to the payment of the principal of such loans. No interest shall be payable by the Authority on accrued and unpaid interest.

ARTICLE V

CITY RETAINS CONTROL OVER ASSIGNED PARKING METERS— SUBSTITUTION OF METERS CERTAIN CASES

Nothing contained in this Agreement shall in any way limit, impair or affect the complete and exclusive control by the City under its police power over the assigned parking meters; and, without in any way limiting the generality of the foregoing, the City may at any time or from time to time, in the exercise of its police power, change the location of any assigned parking meter, remove any assigned parking meter, increase or decrease the fees collected through any assigned parking meter, or take any other action which the City could lawfully take with respect to any assigned parking meter if this Agreement had never been entered into. All parking meters which the Authority shall pay for, in whole or in part, pursuant to the provisions of Article III hereof shall be the property of the City.

The City covenants that if any assigned parking meter shall be removed so that the Authority shall receive no further revenue therefrom, and if the City shall at the time of such removal or thereafter have other parking meters, the revenues from which have not been assigned except in payment of the unpaid balance of the purchase price thereof and if such action shall at the time be lawful, the City will, as soon as practicable after such removal of an assigned parking meter, assign to the Authority the gross receipts from

another parking meter in lieu of and in substitution for the gross receipts of the parking meter which was removed. However, nothing contained in this paragraph or in this Agreement shall be construed to require that the City install any parking meter in lieu of any assigned parking meter which has been removed or otherwise.

ARTICLE VI

AGREEMENT, DATED SEPTEMBER 21, 1950, BETWEEN THE CITY AND THE AUTHORITY

Effective as of the commencement date this Agreement and the assignment of parking meter revenues hereby made shall supersede and replace the Agreement, dated September 21, 1950, between the City and the Authority and the assignment of the parking meter revenues thereby made; and from and after the commencement date said Agreement of September 21, 1950 shall be of no further force and effect, except for the Authority's obligation to repay the moneys assigned thereunder with interest at the rate therein provided. Such moneys, together with the interest thereon, shall be repaid at the same time, in the same manner, from the same source and subject to the same conditions as are provided in Article IV hereof for the payment of the principal of and the interest on the loans resulting from the assignment of parking meter revenues under this Agreement. Any moneys remaining, after the commencement date, to the credit of the Meter Fund established under the provisions of said Agreement of September 21, 1950 shall forthwith be transferred to the Meter Fund established under the provisions of this Agreement and shall be held and applied by the Authority in accordance with the provisions of, and for the purposes specified in, Article III hereof.

ARTICLE VII

ASSIGNMENT OF AUTHORITY'S RIGHTS

The City is entering into this Agreement in order to enable the Authority to sell revenue bonds to finance the cost of constructing or otherwise ac-

quiring Project No. 1 and for other related purposes. The Authority may assign its right, title and interest in, to and under this Agreement, as security for or as a source of payment of any Project No. 1 Bonds, to any trustee under any indenture or agreement under which any Project No. 1 Bonds may be issued or otherwise.

In Witness Whereof, the City of Pittsburgh has caused this Agreement to be executed on its behalf by the Mayor and the Director of the Department of Public Safety, and the Authority has caused this Agreement to be executed on its behalf by its Chairman or one of its Vice Chairmen and the seal of the Authority to be hereunto affixed and attested by the Secretary or one of its Assistant Secretaries.

No. 233

AN ORDINANCE—Granting unto the Heppenstall Company, Pittsburgh, Pennsylvania, the right and privilege to construct, maintain and use a stainless steel veneer, on furring frame, projecting into the westerly sidewalk area of Home street and the easterly sidewalk area of Holly way, adjoining its building in the Ninth Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Heppenstall Company, Pittsburgh, Pennsylvania, its successors or assigns, is hereby given the right, privilege and authority to construct, maintain and use, at its own cost and expense, a stainless steel veneer, on furring frame, projecting into the westerly sidewalk area of Home street and the easterly sidewalk area

of Holly way, adjoining its building in the Ninth Ward, Pittsburgh, Pennsylvania.

The veneer to be constructed by virtue of this Ordinance is to project into the westerly sidewalk area of Home street and the easterly sidewalk area of Holly way a distance of 0.25 feet between points 0.25 feet and 85.72 feet southwardly from the southerly line of Hatfield street.

The veneer is to extend from the sidewalk elevations to a height of four stories, the tops of three contiguous buildings between Home street and Holly way: an existing building four stories high extending between points 0.25 feet and 43.25 feet southwardly from the southerly line of Hatfield street; thence contiguous thereto a new four story adjoining building having a width of 21.67 feet; thence contiguous to this new building an existing three story building which is to be made a four story building having a width of 20.47 feet.

The said veneer shall be constructed to the provisions of this Ordinance and in accordance with the Plan, identified as Accession No. B-875, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Heppenstall Company, its successors or assigns, prior to the beginning of the construction of said veneer, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the locations for the construction of said veneer, said plan and the construction of said veneer shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said veneer upon giving to the said Heppenstall Company, its successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council; and the said Heppenstall Company, its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said veneer, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 5. The said Heppenstall Company, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance and use of said veneer, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The foregoing rights and privileges are granted subject to the conditions that this ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Heppenstall Company, its successors or assigns, shall file with the proper officers of the City, its certificate of acceptance to be executed by the said Heppenstall Company, its successors or assigns.

Section 7. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Directors of the Department of Parks and Recreation and the Department of Lands and Buildings be, and they are hereby authorized, to enter into a Lease Agreement on behalf of the City of Pittsburgh with the United States of America, in the following form:

LEASE AGREEMENT

This Lease, made this _____ day of _____, 1951, by and between the City of Pittsburgh, a Municipal Corporation, hereinafter called the "Lessor" and The United States of

America, hereinafter called the "Lessee," Witnesseth:

That, for and in consideration of the sum of One (\$1.00) Dollar and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in consideration, the receipt and sufficiency of which are hereby acknowledged, and in consideration of the mutual covenants, promises, and agreements herein made, the Lessor hereby grants to the Lessee the right to construct, operate, maintain, and renew one radar bomb scoring installation at the Herschel Playground, City of Pittsburgh, upon the following described tract of land, to-wit:

All That Certain piece or parcel of land situate in the 20th Ward of the City of Pittsburgh, Allegheny County, Pennsylvania, and being more fully bounded and described as follows:

Beginning at the south east corner of the intersection of Hassler and Herschel streets; thence along the south-westerly side of said Herschel street, south 40° 00' east 139 feet, more or less, thence, leaving said Herschel street at right angle and along the top of slope separating the Senior Play Area from the Junior Play Area, south 50° 00' west 195 feet, more or less; thence, north 41° 00' west 38 feet, more or less; thence south 49° 00' west 147 feet, more or less, to a point twenty feet north-easterly from the top of slope at the south-westerly side of the Junior Play Area, thence, parallel to and 20 feet from said top of slope, north 41° 00' west 100 feet, more or less, to the south-easterly side of Hassler street; and thence along said Hassler street north 49° 00' east 341 feet, more or less, to the point of beginning, containing 0.957 acres, more or less.

Having erected thereon a two story frame dwelling house known and numbered 823 Herschel street.

The within lease is under and subject to the existing rights of the United States of America in and under that certain lease executed by the City of Pittsburgh, the within Lessor, under date of 25 March 1950, for the installa-

tion on a portion of the above described leased land of remote control radio receiver, operated by the District Engineer, Pittsburgh District, Corps of Engineers, U. S. Army, Pittsburgh, Pa.

TERMS, PROVISIONS and CONDITIONS

I. All installations placed upon the leased land by the Lessee shall be and remain the property of the Lessee and may be removed therefrom by the Lessee at any time.

II. The construction, operation, maintenance, renewal, and removal of said installations shall be accomplished by the Lessee at its sole cost and expense.

III. The Lessor shall not be liable for damages to the property or injuries to persons arising from the construction, operation, maintenance, renewal, or removal of said installations by the Lessee.

IV. This lease with the rights and privileges herein granted shall be for a period of five (5) years, beginning with the date of the execution of this lease, with an option of renewal, and shall be subject to cancellation or termination by the Lessee upon thirty (30) days written notice to the Lessor and upon the expiration of said thirty (30) days after service of such notice, this lease and the rights and privileges hereby granted as well as the obligations imposed upon the parties shall absolutely cease and terminate.

V. The Lessee hereby covenants and agrees that, on or before the termination of this lease, it will remove said installations and the appurtenances connected therewith from the premises of the Lessor and restore said premises to the condition existing at the time of entering upon the same under this lease, reasonable and ordinary wear and tear and damages by the elements or by circumstances over which the Lessee has no control excepted.

VI. All expenditures to be made by the Lessee under the provisions of this lease shall be subject to appropriations being available for the purpose.

VII. The Lessor warrants that it

has not employed any person to solicit or secure this contract upon any agreement for a commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Lessee the right to annul the contract, or, in its discretion, to deduct from the contract price or consideration the amount of such commission, percentage, brokerage, or contingent fee. This warranty shall not apply to commissions payable by the Lessor upon contracts or sales secured or made through bona fide established commercial or selling agencies maintained by the Lessor for the purpose of securing business.

VIII. No member of or delegate to Congress or resident commissioner shall be admitted to any share or part of this lease or to any benefit to arise therefrom. Nothing, however, herein contained shall be construed to extend to any incorporated company if the lease be for the general benefit of such corporation or company.

This Lease is entered into by and pursuant to the authority of Ordinance No. -----, approved-----, 1951.

In Witness Whereof, the parties hereto have caused this lease to be properly executed by their duly authorized representatives as of the day and year first above written.

That Risby avenue, in the Nineteenth Ward of the City of Pittsburgh, from Dagmar avenue to the westerly line of the Joseph Fontana Plan of Lots shall be and the same is hereby widened to a general width of 40 feet, by taking for public use for highway purposes the following described property, to-wit;

Beginning on the northerly line of the Joseph Fontana Plan of Lots of

record in the Recorder's Office of Allegheny County in Plan Book Volume 44 page 68, at a point distant 50.85 feet along the northerly line of the said Plan from the easterly line of Dagmar avenue as laid out in the said Plan; thence extending westwardly along the northerly line of the said Plan 129 feet more or less to the westerly line of the said Plan; thence northwardly along the westerly line of the said Plan 24.68 feet to a point; thence eastwardly, parallel to and 40 feet north of the southerly line of Risby avenue as laid out in the above mentioned Joseph Fontana Plan of Lots, 109 feet more or less to a point of curve; thence eastwardly and northwardly by the arc of a circle deflecting to the left with a radius of 20 feet for an arc distance of 31 feet more or less to a point of tangent on the westerly line of Dagmar avenue as proposed to be opened; thence southwardly along the westerly line of Dagmar avenue as proposed to be opened 24 feet more or less to the place of beginning.

Section 2. The Department of Public Works is hereby authorized and directed to cause said Risby avenue in the Nineteenth Ward of the City of Pittsburgh, from Dagmar avenue to the westerly line of the Joseph Fontana Plan of Lots to be widened in conformity with the provisions of Section 1 of this Ordinance.

Section 3. The costs, damages and expenses occasioned thereby and the benefits to pay the same shall be assessed against and collected from properties benefited thereby in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 245

AN ORDINANCE—Opening Dagmar avenue, in the Nineteenth Ward of the City of Pittsburgh, from the northerly line of the Joseph Fontana Plan of Lots to a property line 450.02 feet, more or less, northwardly therefrom and providing that the costs, damages and expenses occasioned thereby be assessed against and collected from properties benefited thereby.

The Council of the City of Pittsburgh, hereby enacts as follows:

Section 1. That Dagmar avenue, in the Nineteenth Ward of the City of Pittsburgh, from the northerly line of the Joseph Fontana Plan of Lots to a property line 450.02 feet more or less, northwardly therefrom shall be and the same is hereby opened to a uniform width of 50 feet from the Fontana Plan of Lots to a point 250 feet northwardly and from said point to the northerly terminus at a variable width, so that the street as opened shall lie between the following described lines.

The Easterly Line shall begin at the intersection of the northerly line of the Joseph Fontana Plan of Lots of record in the Recorder's Office of Allegheny County in Plan Book Volume 44 page 68 and the easterly line of Dagmar avenue as laid out in the said Plan; thence shall extend northwardly by a straight line for a distance of 278 feet more or less to the south-easterly corner of property of the City of Pittsburgh, formerly of A. T. McQuaide and which was conveyed to Thomas A. McQuaide by deed dated November 8, 1921 and recorded in Deed Book Volume 2064 page 638; thence northwardly along the easterly line of the said property 172.02 feet more or less to the northerly line of the said property.

The Westerly Line shall begin on the northerly line of the above mentioned Joseph Fontana Plan of Lots at a point 50.85 feet westwardly along the northerly line of the said Plan from the above described easterly line; thence shall extend northwardly for a distance of 250 feet by a line parallel

to and 50 feet west of the above described easterly line to a point of curve; thence northwardly by the arc of a circle deflecting to the left and a radius of 600 feet and by a tangent at the northerly terminus of the said arc which will intersect the northerly line of the above mentioned property of the City of Pittsburgh at a distance of 65 feet west of the above described easterly line at the northerly terminus thereof, the combined distances of the above mentioned arc and tangent being 213 feet more or less.

Section 2. The Department of Public Works is hereby authorized and directed to cause said Dagmar avenue in the Nineteenth Ward of the City of Pittsburgh from the northerly line of the Joseph Fontana Plan of Lots to a property line 450.02 feet more or less northwardly therefrom to be opened in conformity with the provisions of Section 1 of this Ordinance.

Section 3. The costs, damages and expenses occasioned thereby and the benefits to pay the same shall be assessed against and collected from properties benefited thereby in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Supplementing Section 2 of Ordinance No. 335, entitled, "An Ordinance regulating the use and operation of vehicles on the streets of the City of Pittsburgh and providing penalties for the violation thereof," approved October 3, 1922, as amended and supplemented.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That Section 2 of Ordinance No. 335, entitled, "An Ordinance regulating the use and operation of vehicles on the streets of the City of Pittsburgh and providing penalties for the violation thereof," approved Oct. 3, 1922, as amended and supplemented, shall be and the same is hereby further supplemented by adding to various paragraphs of Section 2 the following:

Section 2. That paragraph (h) of Section 2 of said Ordinance which paragraph (h) has the following heading:

"(h) The following streets, or portions of streets, are Class C streets upon which traffic will be permitted in only one direction as indicated,"

shall be and the same is hereby further supplemented by adding at the end thereof the following:

Bartlett St.—from Wightman St. to Shady Ave.—eastbound;

Climax St.—from Beltzhoover Ave. to Allen St.—eastbound;

Darlington Rd.—from Shady Ave. to Wightman St.—westbound;

North Dithridge St.—from Bayard St. to Center Ave.—northbound;

Eureka St.—from Allen St. to Beltzhoover Ave.—westbound;

Excelsior St.—from Beltzhoover Ave. to Allen Ave.—eastbound;

Industry St.—from Arlington Ave. to Beltzhoover Ave.—westbound;

Manton Way—from Beltzhoover Ave. to Arlington Ave.—eastbound.

Section 3. That paragraph (r) of Section 2 of said Ordinance, which paragraph (r) has the following heading:

"(r) Upon the following streets or portions of streets, no driver of a vehicle shall permit it to remain standing for a longer time than is necessary to receive or discharge persons or deliver or load merchandise then in readiness for immediate removal; this regulation to be in effect twenty-four (24) hours each day, including Sunday," shall be and the same is hereby

further supplemented by adding at the end thereof the following:

Castleman St.—from Morewood Ave. to Amberson St.—southerly side;

Thackeray St.—from O'Hara St. to Fifth Ave.—westerly side.

Section 2. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE — Authorizing the Mayor and the Director of the Department of Public Works to execute a long-term agreement with the Allegheny County Sanitary Authority and the Borough of Trafford for sewage treatment and disposal service by the Sewage Disposal System that will serve the City of Pittsburgh, and providing charges therefor.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Works are hereby authorized and directed to execute and deliver, for and in behalf of the City of Pittsburgh, an agreement with the Allegheny County Sanitary Authority and the Borough of Trafford in form substantially as follows:

A G R E E M E N T

This Agreement, dated for convenience of reference as of the first day of _____, 1950, by and among

CITY OF PITTSBURGH

(hereinafter sometimes called the "City"), a municipal corporation of the Commonwealth of Pennsylvania located within the County of Allegheny,

**ALLEGHENY COUNTY SANITARY
AUTHORITY**

(hereinafter sometimes called the "Sanitary Authority"), a body corporate and politic of the Commonwealth of Pennsylvania duly created and existing under the provisions of the Municipality Authorities Act of 1945, as amended, and

BOROUGH OF TRAFFORD

(hereinafter sometimes called the "Borough"), a municipal corporation of the Commonwealth of Pennsylvania located partly within the County of Allegheny and partly within the County of Westmoreland,

WITNESSETH:

Whereas, The City and the Borough have heretofore constructed certain sewers but do not have facilities for the treatment and disposal of sewage, and sewage entering their sewers is being discharged without treatment into the rivers and streams; and

Whereas, A number of municipalities adjacent to the City have connected their sewers with the City's sewerage system; and

Whereas, There are many industries in the Pittsburgh area which are discharging large quantities of industrial wastes without treatment either directly into such rivers and streams or indirectly through the sewers of the municipalities in which they are located; and

Whereas, Such discharge of untreated sewage and industrial wastes has polluted the rivers and streams, and such pollution has made the rivers and streams undesirable as sources of public water supply and unsafe for bathing, boating and other recreational purposes; is detrimental to business and commercial interest in the Pittsburgh area; and constitutes a serious menace to the health and safety of the inhabitants of the City, the Borough and such adjacent municipalities; and

Whereas, The Sanitary Water Board of the Commonwealth of Pennsylvania (hereinafter sometimes called the "State Board"), acting to abate stream

pollution, pursuant to authority conferred upon it by the Act of the General Assembly of Pennsylvania approved June 22, 1937, P. L. 1987, as amended, ordered and directed all sewer municipalities in Pennsylvania, including the City and the Borough.

(a) to discontinue the discharge of untreated sewage into the waters of the Commonwealth, and

(b) to submit, either alone or jointly with any other mutually interested municipality or municipalities, construction plans and specifications for the necessary sewers, pumping stations and treatment works to collect and convey its sewage to a suitable site or sites and provide treatment thereof; and

Whereas, The Sanitary Authority was organized by the County Commissioners of Allegheny County to collect, transport, treat and dispose of the sewage and industrial wastes of all the municipalities in the County and thus enable them to comply with the orders of the State Board; and

Whereas, After careful consideration of alternative projects, the City executed an agreement with the Sanitary Authority for the preparation of detailed construction plans and specifications for a Sewage Disposal System adequate to meet the present and foreseeable future needs of an area comprising the City and all or portions of fifty-eight adjacent municipalities, but excluding the Borough, and agreed to advance to the Sanitary Authority, as a loan, the entire cost of such plans and specifications, estimated at Two Million (\$2,000,000) Dollars; and

Whereas, The City and the Sanitary Authority are willing to enlarge the original service area to include the Borough, since the sewage service charges of the Sewage Disposal System will not be increased thereby for the reason that the estimated revenue expected from the Borough and its residents, plus the \$30,000.00 hereinafter required to be paid by the Borough, will pay for the added cost of service; and

Whereas, Plans and specifications

for any sewage disposal system will be valueless unless substantially all the municipalities to be served, or their residents, become legally bound to accept and pay for sewage collection and treatment service from the time the system goes into operation until such time as the bonds to be issued for constructing the system shall be fully retired by the revenues thereof; and

Whereas, The City is willing to pay, or to require its residents to pay, after the Sewage Disposal System is constructed and goes into operation, the same rates for service therefrom as shall be charge and collected throughout the remainder of the System's entire service area; and

Whereas, Such uniform rates and the expenditure by the Borough of only \$30,000.00 would result in much lower cost to the Borough and its residents then would result from the construction and operation of a sewage disposal system for the Borough alone; and

Whereas, The execution of the present Agreement by the Borough will benefit the Borough and its residents and will constitute compliance with the orders of the State Board.

Now, Therefore, in consideration of the premises and the undertakings of each party to the others, the parties hereto, each intending to legally bind itself, its successors and its assigns, covenant and agree as follows:

1. The City and the Sanitary Authority reaffirm their agreement of August 1, 1949, whereunder the City agrees to loan the Sanitary Authority Two Million (\$2,000,000) Dollars for the preparation of detailed construction plans and specifications for a Sewage Disposal System adequate to serve a potential area comprising the City and all or portions of fifty-eight adjacent municipalities, as shown on Exhibit A hereof; and in consideration of the payment by the Borough of Thirty Thousand (\$30,000.00) Dollars as hereinafter set forth, the City and the Sanitary Authority hereby enlarge such area to include all of the Borough. The City and the Sanitary Authority

each covenants with the Borough to carry out its undertakings under said agreement of August 1, 1949, as thus amended to include the Borough. As used in this Agreement the term "service area" shall mean an area including the entire Borough.

In no event shall the rights of the Borough under this Agreement exceed the rights of the municipalities in the original service area under the similar agreements of December 1, 1949 executed by them.

2. The City reserves the right, after the plans and specifications to be prepared by the Sanitary Authority shall have received the final approval of the State Board, to designate the agency which shall construct and operate the Sewage Disposal System. Such agency, hereinafter referred to as the "Sewage Agency," may be the City itself, the Sanitary Authority, a municipal Authority to be organized by the City, or any other agency having legal authority to construct and operate the Sewage Disposal System.

The parties agree that the rights given under this agreement to the Sewage Agency are primarily given to the Sanitary Authority, for the benefit of the City, and that the Sewage Agency designated by the City, if other than the Sanitary Authority, shall be the assignee of the Sanitary Authority's rights. The Sanitary Authority agrees that the designation by the City of a Sewage Agency other than the Sanitary Authority shall constitute an assignment, by the Sanitary Authority to the Sewage Agency so designated by the City, of the Sanitary Authority's rights as Sewage Agency under this Agreement. If the designated Sewage Agency is the City, such assignment shall become effective automatically; if it is neither the City nor the Sanitary Authority such assignment shall become effective upon formal acceptance of this Agreement by the designated Sewage Agency. The Sanitary Authority further covenants to execute promptly, upon request of the City, a formal assignment of such rights to such designated Sewage Agency, though such formal assignment is not necessary. The Borough

recognizes that performance of the duties imposed by this Agreement on the Sewage Agency will be substantially the same whether done by the City itself, the Sanitary Authority an authority to be organized for such purpose by the City, or any other lawful agency, inasmuch as the personnel of the Sewage Agency during the extended life of this Agreement cannot be foreseen and would in any event not be selected by the Borough, and since the sewage service charges of the Sewage Agency, as more fully hereinafter set forth, must be uniform and are limited to yield only sufficient revenues to meet administrative and operating expenses and debt requirements. The Borough therefore hereby specifically assents to any such assignment, and covenants to perform all acts and discharge all duties and obligations required of the Borough under this Agreement, whether the Sewage Agency be the Sanitary Authority or any other agency designated by the City.

The City covenants that within a reasonable time after receiving an order from the State Board to construct the Sewage Disposal System, following final approval of the plans and specifications therefor, the City will by proper ordinance designate a suitable Sewage Agency to construct and operate the Sewage Disposal System in accordance with this Agreement. Paragraphs 3-17 of this Agreement shall not be carried into effect until the City shall, by formal ordinance duly enacted, designate such Sewage Agency.

3. The Sanitary Authority covenants with the City and Borough and the City similarly covenants with the Borough, that if it is designated by the City to be the Sewage Agency, it will well and truly perform all the acts and discharge all the duties and obligations imposed upon the Sewage Agency by this Agreement; and that if it is not so designated, it will co-operate fully with the designated Sewage Agency and will assign to it, without charge, any rights and powers it may have in aid of the carrying out of the remaining provisions of this Agreement.

4. The City covenants with the Borough and the Sewage Agency that the rates and charges to be imposed and collected by the Sewage Agency, as hereinafter set forth, shall be uniform throughout the service area of the Sewage Disposal System and in particular shall be the same within the City as within the Borough, and that all duties and obligations hereinafter imposed upon the Borough (except the payment of \$30,000.00 required by Paragraph 6 hereof) will likewise be assumed and borne by the City.

5. The Sewage Agency designated and qualified pursuant to the provisions of Paragraph 2 of this Agreement shall.

(a) promptly issue and sell revenue bonds, secured by its revenues and receipts collected pursuant to this Agreement and to similar agreements with other municipalities and by all other revenues and receipts of the Sewage Disposal System, in sufficient amount to pay.

(1) The cost of constructing the Sewage Disposal System and placing the same in operation.

(2) All loans and advances heretofore or hereafter made to the Sanitary Authority by the City and the Federal Works Administration.

(3) All obligations incurred by the Sanitary Authority and by the Sewage Agency which are repayable out of such bond proceeds, and

(4) All other lawful requirements of the Sewage Agency, including, but without limitation, the cost of all lands, property, rights, easements and franchises acquired, financing charges, the cost of legal services, administrative expenses and all other expenses necessary or incident to the construction of the Sewage Disposal System and to the financing thereof;

(b) Upon receipt of the proceeds of such bonds, proceed promptly and with due diligence in the construction of the Sewage Disposal System, with the privilege of awarding all or portions of the actual construction work under separate contracts to the lowest responsible bidder for each contract;

(c) Upon completion of the Sewage Disposal System, intercept all sewage and wastes of the Borough which are discharged from any municipal outfall sewer located along the interceptor of the Sewage Disposal System (subject to the provisions of Paragraph 6 of this Agreement), transport such sewage and wastes to its treatment plant, provide such treatment and disposal thereof as may be required by law, and operate the Sewage Disposal System in an efficient and economical manner; and

(d) Make such changes in and additions to the Sewage Disposal System as may be necessary to enable the Borough to comply with any future lawful orders of the State Board or any other State or Federal Agency in respect of the treatment and disposal of the Borough's municipal sewage and wastes which enter the Sewage Agency's interceptor sewers, and shall issue additional revenue bonds for such purpose or purposes; provided, however, that the Sewage Agency shall have the right to increase its sewage service charges to such extent as will yield the additional revenue needed to meet all bond requirements and operating and other expenses incurred by the Sewage Agency in the design, construction and operation of such added facilities.

If any portion of the Sewage Agency's interceptor sewers and appurtenances thereof are located in the Borough, the Sewage Agency shall have the right to enter upon and open such streets, public thoroughfares and vacant land owned by the Borough as may be necessary to install, construct, extend, repair and maintain the same or any part thereof; provided, however, that all pavements and underground structures disturbed in the course of such work shall be restored to substantially their original condition. No Borough permit or license shall be required for any such work, and the Borough hereby waives all fees and charges in connection therewith.

It is understood and agreed that the Sewage Agency shall indemnify and save the Borough harmless from all costs and expenses (except those provided for in this Agreement), liability, claims and demands of any sort arising out of the construction, extension,

replacement, operation, maintenance, repair or possession of the Sewage Disposal System by the Sewage Agency.

6. In order to enlarge the service area of the Sewage Disposal System so as to include the Borough, it will be necessary to increase the capacity of the proposed special Sewage Agency interceptor sewer to be laid from Pitcairn to Trafford (which special sewer was originally planned to serve only the Westinghouse Electric Corporation's Trafford Plant), as well as to provide added capacity elsewhere in the System, and to extend such special sewer along Turtle Creek and Brush Creek to make connection with all of the Borough's existing outfall sewers now discharging municipal sewage into such creeks. In consideration of the payment by the Borough to the Sanitary Authority of the sum of Ten Thousand (\$10,000) Dollars on or before September 1, 1951, the Sanitary Authority shall prepare the necessary plans and specifications for the facilities required to serve the Borough and its residents; and in consideration of the payment by the Borough to the Sewage Agency of the further sum of Twenty Thousand (\$20,000) Dollars before the contract for construction is awarded, the Sewage Agency shall construct the necessary facilities. Such payments are hereby made conditions precedent. Failure of the Borough to make either payment promptly shall terminate the Borough's rights under this Agreement and shall relieve the Sanitary Authority, the City and the Sewage Agency from any obligation to provide sewage treatment service to the Borough and its residents.

Provision will be made, in the plans and specifications to be prepared by the Sanitary Authority, for the connection with the Sewage Agency's interceptor sewer of all of the Borough's municipal outfall sewers now in place therealong, and such connections will be made by the Sewage Agency without cost to the Borough.

All other outfall sewers now used by the Borough and every municipal outfall sewer hereafter constructed shall be brought to a point to be approved by the Sewage Agency (or, prior to the designation and qualification of the

Sewage Agency, by the Sanitary Authority), in order that proper connection with the Sewage Agency interceptor sewer may be made. Each such connection shall be made in such manner as the Sewage Agency shall direct, and at the expense of the Borough.

7. The City and the Sanitary Authority reserve the right, prior to the designation of the Sewage Agency, and the City and Sewage Agency shall have the right thereafter, subject to the approval of the State Board but without consulting or notifying the Borough, to permit additional municipalities which are partially or entirely outside the original service area shown on Exhibit A hereof to pump or drain additional sewage or wastes from territory outside such original service area into the Sewage Disposal System for treatment and disposal by the Sewage Agency; provided, however, that no such permission shall be given unless an agreement similar to the present Agreement shall be executed with the affected municipality or municipalities.

The City and the Sanitary Authority, or the City and the Sewage Agency, as the case may be, also reserve the similar right to enter into agreements with industrial firms within and without the service area for the treatment and disposal of their sewage and wastes which do not enter a municipal sewer; provided, however, that the service charges shall be at least as high as those imposed on the Borough and its water users by this Agreement.

8. The Borough covenants and agrees that the Sewage Agency shall be the sole and exclusive agency, during the entire life of this Agreement, to provide sewage treatment and disposal service to the Borough and to all its water users therein who or which discharge sewage or wastes into the Borough's sewerage system. The Borough hereby permits and authorizes the Sewage Agency to impose upon and collect from all such water users the sewage service charges hereinafter set forth, and covenants to perform all the acts and discharge all the duties and obligations imposed upon it by this Agreement. The Borough further covenants that it will not itself engage in the business of providing sewage treat-

ment and disposal service to such water users, nor will it authorize or permit any other agency, public or private, to do so in competition with or in substitution for the Sewage Agency.

9. Beginning immediately after the Sewage Disposal System has been completed and put in operation, the Sewage Agency shall, for the services and facilities furnished or to be furnished by it, impose upon and collect from the owner, tenant or occupant of each lot or parcel of land within the Borough from which sewage or wastes enter a Borough sewer and thence reach the Sewage Disposal System (hereinafter sometimes called a "user" or "water user"), rates, fees or charges (hereinafter sometimes called "sewage service charges" or "charges"), which shall be based or computed upon the quantity of water used in or upon such lot or parcel as determined by gauging or metering or otherwise.

The Sewage Agency's schedule of sewage service charges shall be uniform throughout the entire service area of the Sewage Disposal System, and shall be so calculated as to yield in the aggregate during each month or quarter year the amount required in each such month or quarter year for paying all current administrative and operating expenses of the Sewage Agency and the interest on and the principal of all outstanding bonds and other obligations as the same become due and payable, and to create such reserves for such purposes as may be required by the resolution authorizing the issuance of its bonds or in the trust indenture securing the same. The schedule shall impose reasonable minimum charges, may include such block rates for metered water users and such charges for flat-rate water users as the Sewage Agency shall determine, and shall provide extra charges for commercial and industrial wastes which impose an extraordinary burden on the Sewage Disposal System. The schedule shall be adjusted from time to time in such manner as the Sewage Agency shall deem necessary or proper to insure the collection of adequate revenues to meet its financial requirements.

In case any water user is not the owner of the premises in or on which

the water is used, the Sewage Agency may also impose such sewage service charges upon and demand payment thereof from the owner of such premises, so that if payment is not made promptly, a lien therefor against the premises served may be filed by the Borough as assignee of the Sewage Agency delinquent accounts, as provided in Paragraph 13 of this Agreement.

10. The Borough covenants that during such time as sewage service charges of the Sewage Agency are in effect the Borough will not impose upon any person, firm or corporation, or upon any property, any rental, rate or charge whatever for the use of or for the privilege of using any Borough sewer connected with the Sewage Disposal System, to the end that no person, firm or corporation shall be subject to both the Sewage agency's sewage service charge, as herein provided, and a Borough sewer rental, rate or charge of any kind whatever excepting general real estate taxes, sewer connection and street opening permit or license fees, and special assessments imposed according to law upon property benefited by the construction of additional sewers, and excepting charges imposed on other municipalities for the joint use, maintenance or repair of a Borough sewer or sewers.

The provisions of this Paragraph shall not apply so long as the optional method of payment provided for in Paragraph 15 of this Agreement is in effect.

11. All bills for sewage service charges shall be computed on the basis of the quantity of water used, whether the water is furnished by the waterworks system of the Borough or secured from any other source.

The sewage service charge to be paid by each water user within the Borough shall be computed as follows:

(a) Metered water customers—by applying the Sewage Agency's schedule of charges then in effect to the quantity of water delivered to each water customer during the preceding quarter year or other meter period, as measured by the most recent water meter reading;

(b) Flat-rate water customers—by applying the percentage set forth in the Sewage Agency's schedule of charges then in effect to the flat-rate water bill;

(c) Users of water taken from a private water source or public stream—by applying the Sewage Agency's schedule of charges then in effect to the quantity of water used as estimated by the Sewage Agency; provided, however, that if any such water user shall at his or its own expense install and maintain in good operating condition a meter or other measuring device of a type approved by the Sewage Agency, the amount payable by such water user shall be based upon the quantity of water used as so measured.

If the Borough or other water supplying agency does not make available promptly to the Sewage Agency the necessary data for computing the sewage service charge of any water user, such water user shall be deemed to be a flat-rate water customer, and the sewage service charge for such water user shall be calculated in the same manner as for flat-rate customers, based upon the estimated flat-rate water bill such customer would have to pay.

There shall be no free services rendered by the Sewage Disposal System, and the Borough (or any department, agency or instrumentality thereof) and all public corporations, all charitable or non-profit institutions and all school districts and other political subdivisions shall pay for the use of the services and facilities thereof in accordance with the established schedule of sewage service charges.

If any substantial portion of the water used regularly on any lot or parcel of land does not enter the Borough's sewerage system, the owner, tenant or occupant of such lot or parcel may secure a reduction in the amount of the sewage service charges to be paid by him, subject to the established minimum charges, by installing, at his own expense and subject to such regulations as may be prescribed by the Sewage Agency, a separate meter or other measuring device

approved by the Sewage Agency for measuring the water so used, in which event the quantity of water so used shall thereafter be excluded in computing the sewage service charges to be paid by the owner, tenant or occupant of such lot or parcel.

In cases where the character of sewage or industrial wastes from any commercial, manufacturing or industrial plant, building or premises is such that it imposes a burden upon the Sewage Disposal System in addition to the burden imposed by the average sewage, such additional charge shall be made therefor as the Sewage Agency shall deem to be fair and equitable to meet the additional cost of collecting, transporting, treating and disposing of such sewage or wastes; or the Sewage Agency may, if it deems it advisable, require the owner, tenant or occupant of such commercial, manufacturing or industrial plant, building or premises to pre-treat such sewage or wastes in such manner as shall be specified by the Sewage Agency before discharging such sewage or wastes into the Borough's sewerage system.

12. In order to enable the Sewage Agency to compute its sewage service charges based thereon, as provided in Paragraph 11 hereof, the Borough, if it operates its own waterworks system, shall furnish to the Sewage Agency, not later than the 15th day of the month following the month during which water bills are issued, a list or lists of all water meter readings and flat-rate water bills issued during the preceding calendar month together with the basis for each flat-rate water user's water bill, and shall include therein the meter readings of meters installed by water user taking water from a private water source or public stream. The Sewage Agency will request similar information from the private water company, municipal authority or other agency supplying water to any water users within the Borough. If by reason of failure to obtain such data promptly the Sewage Agency is compelled to treat any water users as though they were flat-rate water customers, as further provided above in the said Paragraph 11, and in so doing is obliged to survey the premises of each such

water user for the purpose of determining his or its flat-rate water status, the cost incurred by the Sewage Agency in making such survey or surveys shall be repaid to it by the Borough. The Borough authorizes the Sewage Agency to make such survey or surveys, and it is agreed that every water user, in accepting the Sewage Agency's service, authorizes the Sewage Agency to enter upon his or its premises for such purpose.

The Sewage Agency will reimburse the Borough and other water supplying agencies, on or before April first of each year, for the reasonable added clerical expense incurred by each of them during the previous calendar year in preparing the lists of metered water data and of flat rate bills hereinabove referred to, but not for the cost of reading meters, excepting only the cost of reading such meters as may be installed by or for users of water who are not connected with their respective waterworks systems.

13. The Schedule of sewage service charges to be imposed and collected during any year by the Sewage Agency shall be so calculated and adjusted as to provide revenues which will be sufficient to pay all current expenses and meet all obligations of the Sewage Agency during such year. It is understood by the Borough that not all bills for sewage service charges will be paid promptly, and that some of such bills in an indeterminate amount will become delinquent each year. In consideration of the services rendered by the Sewage Agency to the Borough under the provisions of this Agreement, which will effect compliance by the Borough with the duty imposed upon it by law to cease the pollution of the waters of the Commonwealth, and in further consideration of the assignment to it of the delinquent accounts, as hereinafter provided, the Borough agrees to pay to the Sewage Agency, out of the Borough's current revenues as hereinafter provided, the face amount of all delinquent accounts of the Sewage Agency.

If any water user shall fail to pay the sewage service charges of the Sewage Agency within sixty (60) days after the due date of the bill there-

for, the account of such water user shall be deemed delinquent. The Sewage Agency shall prepare and submit to the Borough, on or before January 1, April 1, July 1, and October 1 of each year, a list of all delinquent accounts, showing the face amount of each account, the penalty thereon, and the interest accrued. The Borough shall, within 60 days after the furnishing of such list, pay to the Sewage Agency the face amount of all such delinquent accounts. Upon receipt of such amount from the Borough, the Sewage Agency shall promptly assign to the Borough all such accounts, for the sole use and benefit of the Borough.

The Sewage Agency agrees that the Borough shall have the right to pursue and enforce any and all remedies now available or hereafter to become available to it, to compel payment by any delinquent water user of the sewage service charges, together with penalties, interest and costs, which may be due and owing by him or it.

14. The Borough agrees that if the schedule of sewage service charges in effect at any time does not, or in the opinion of the Sewage Agency may not, yield sufficient revenue to meet the Sewage Agency's financial requirements, or if the Sewage Agency finds that such schedule has proved to be inequitable, the Sewage Agency shall have the right at any time and from time to time to revise and adjust its sewage service charges in such manner and to such extent as it may deem advisable.

At least sixty (60) days before any revised sewage service charges shall become effective, the Sewage Agency shall submit in writing to the Borough a statement setting forth the new schedule of sewage service charges and the reasons why it was found necessary or desirable to put them into effect. Such new schedule of charges shall go into effect at the time specified in said statement (not earlier, however, than sixty (60) days from the furnishing of such statement), unless suspended by a final decree of a court of competent jurisdiction.

15. The Borough shall have the option of paying the aggregate amount of all sewage service charges which, under

Paragraphs 9-14 of this Agreement, would be payable by its water users, in consideration of the performance by the Sewage Agency of the Borough's legal duty to cease the pollution of the waters of the Commonwealth. In such event, the individual charges of each water user shall be computed in the same manner as hereinbefore set forth, but instead of sending individual bills to all water users, all such individual bills shall be totaled and the aggregate amount thereof shall be billed quarterly to the Borough. The Borough covenants that so long as such method of payment is in effect it will pay each such quarterly aggregate amount, out of the Borough's current revenues as hereinafter provided, within sixty (60) days after the date of the bill therefor. The Sewage Agency will refund to the Borough, on or before April first of each year, as a credit for the saving in billing expense, the sum equal to the average cost per customer incurred by the Sewage Agency during the preceding calendar year for billing and collecting its charges from individual water users in all other municipalities served by it, multiplied by the average number of individual water users in the Borough.

Before the Sewage Disposal System is completed and put in operation, the Sewage Agency shall request the Borough in writing to indicate whether it desires to adopt the optional method of payment provided for in this Paragraph. Unless the Borough shall so indicate by ordinance duly enacted not later than ninety (90) days after the date of Sewage Agency's written request, and shall promptly send to the Sewage Agency a certified copy of such ordinance, the method of payment provided for in Paragraphs 9-14 of this Agreement shall become effective.

No change in the method of payment applicable to the Borough and its water users shall be made except at the request of the Borough made by ordinance duly enacted, and with the approval of the Sewage Agency, formally given by ordinance or resolution.

16. If there exists any connection through which sewage or wastes emanating from any territory outside the corporate limits of the Borough enters

the Borough's sewerage system and thence reaches the Sewage Agency's interceptor sewer, and if the municipality having jurisdiction over such territory does not execute an agreement with the Sewage Agency similar to this Agreement, the Borough shall either promptly shut off or remove such connection or shall pay to the Sewage Agency, so long as such sewerage continues to enter the Borough's sewerage system, the estimated cost of collecting, transporting, treating and disposing of such sewage, such estimated cost to be approximately the same as if the water users within such territory were subject to the Sewage Agency's prevailing sewage service charges.

17. The Borough shall annually provide in its budget for obtaining the funds necessary to meet its obligations under this Agreement. On or before October 1 of each year the Sewage Agency shall supply to the Borough's governing body a written estimate of the total amount of delinquent accounts, or (if the optional method of payment is applicable to the Borough) of the total aggregate amount of all sewage service charges, which the Borough will probably be required to pay to the Sewage Agency during the ensuing fiscal year; plus, in either case, the estimated amount (if any) due under Paragraph 16 of this Agreement. The Borough shall, by proper ordinance, promptly levy a special tax, or provide for obtaining revenues in any other lawful manner, or resort to any two or more methods of securing the funds required under this Agreement, in such manner as to assure that the Borough shall obtain or collect during the ensuing fiscal year a sum which, together with any unused moneys remaining from previous years, will be at least 120% of such estimated amount to become due under this Agreement during such year. The revenues collected from such tax levy or from any other source so designated by the Borough, or from any combination thereof which the Borough may elect to employ, shall be deposited to the credit of a special fund to be designated "Sewage Agency Fund," the moneys in which shall be used by the Borough to meet its obligations under this Agree-

ment and shall not be used for any other purpose whatever.

If the entire amount due the Sewage Agency under this Agreement for any year is not paid out of the current revenues of the Borough for such year the balance thereof shall be paid out of the current revenues of succeeding years.

18. The Sewage Agency shall have the right to promulgate, issue, publish and enforce rules and regulations governing its activities and carrying into effect the provisions of this Agreement. Such rules and regulations may include provisions prohibiting or regulating the discharge into the Borough's Sewerage system of oils, acids and other substances which may be harmful to the Sewage Agency's sewers, pumping stations or other structures or which may interfere with the sewage treatment processes of the Sewage Agency's plant.

The Borough may, in its own discretion and without let or hindrance from the Sewage Agency, permit the connection with any Borough sewer that discharges into a Sewage Agency interceptor sewer of any kind and all premises used wholly as private dwellings, but no permit shall be issued by the Borough for the connection with any such sewer of any premises used wholly or in part for commercial or industrial purposes unless the application for such permit shall first have been submitted to and been approved by the Sewage Agency.

The Borough recognizes that the carrying out by the Sewage Agency of its obligations under this Agreement will enable the Borough to perform the duty imposed upon it by law to provide for the proper treatment and disposal of its sewage, and the Borough therefore agrees to exercise for the benefit of the Sewage Agency all rights and powers which it may possess to carry into effect the purposes and intent of this Agreement. The Borough accordingly agrees, on request of the Sewage Agency, to enact an ordinance incorporating all or designated portions of the Sewage Agency's rules and regulations and providing appropriate penalties for the violation thereof, to amend such ordinance from time to

time as requested by the Sewage Agency, and to enforce the provisions thereof fully and prosecute all violators thereof diligently.

19. This Agreement shall become effective immediately, and shall remain in full force and effect, subject to the provisions of Paragraphs 2 and 3 hereof, until the date of expiration of the legal existence of the Sewage Agency or until the expiration of one calendar year following the payment in full of all bonds, notes and other obligations of the Sewage Agency, original and re-funding, issued by it to finance the construction, replacement, maintenance and operation of the Sewage Disposal System and additions thereto, whichever date shall be later.

AN ORDINANCE—Granting unto the Duquesne Brewing Company of Pittsburgh the right to construct, maintain, and use a conveyor-belt bridge over and across Edwards way, from the Duquesne Brewing Company Warehouse on the northerly side of Edwards way to the Pennsylvania Railroad siding on the southerly side of Edwards way, in the Sixteenth Ward, Pittsburgh, Pa.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Duquesne Brewing Company of Pittsburgh, its successors or assigns, is hereby given the right and privilege to construct, maintain, and use at its own cost and expense, a conveyor-belt bridge over and across Edwards way from the Duquesne Brewing Company warehouse on the northerly side of Edwards way to the Pennsylvania Railroad siding on the southerly side of Edwards way in the Sixteenth Ward, Pittsburgh, Pa. The said bridge shall be constructed in accordance with the provisions of this Ordinance and in accordance with the Plan identified as Accession No. B-667 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

The center line of the conveyor-belt to be constructed by virtue of this Ordinance shall be bounded and described as follows:

Beginning on the northerly line of Edwards way at a point distant 12.61

feet eastwardly along the northerly line of Edwards way from the east-ly line of South Twenty-second street; thence extending southwardly and parallel to the easterly line of South Twenty-second street 24.03 feet to a point on the southerly line of Edwards way, the end. The said bridge shall have a minimum clearance of 22.68 feet, clear length of span of 24.52 feet and a width of 6.54 feet.

Section 2. The said Grantee shall obtain a building construction permit, at its own cost and expense, from the Bureau of Building Inspection, Department of Public Safety, for the attachment of the said bridge to the building.

Section 3. The said Duquesne Brewing Company, prior to the beginning of construction of said conveyor-belt bridge, shall submit to the Director of the Department of Public works of the City of Pittsburgh, a complete set of plans, in triplicate, showing location and all details of the construction of said conveyor-belt bridge, and no work shall be commenced thereon until said plans have been approved by the Director of the Department of Public Works, who shall have the right at all times to inspect and supervise the said construction, operation and maintenance.

Section 4. The rights and privileges herein granted shall be subject and sub-ordinate to the rights of the City of Pittsburgh, and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of conveyor-belt bridges across City streets and which may provide for compensation for the use thereof.

Section 5. The said Grantee shall bear the full cost and expense for the repaving and repair of the streets and sidewalks affected by this improvement, or the repair of any structure or property which may be in any way damaged or disturbed by reason of the construction, maintenance and use of

said conveyor-belt bridge; all of said work, including repairs of street or sidewalk, shall be done in a manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 6. The said Grantee shall be responsible for and shall assume any liability whatsoever, either of the said Grantee or of the City of Pittsburgh, for damages to persons or property by reason of the construction, maintenance and use of said conveyor-belt bridge, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh without liability reserves the right to cause the removal of said conveyor-belt bridge upon giving six (6) months' notice thereof through the proper officers of the City pursuant to a resolution or ordinance of Council, and that the said Grantee, when so notified, shall at the expiration of said six (6) months, forthwith remove the said conveyor-belt bridge and restore the said street and sidewalks to a safe and proper condition. And further, that no sign or display shall be placed or maintained on such structure.

Section 8. The foregoing rights and privileges are granted subject to all the foregoing conditions and to the further condition that this ordinance shall become null and void unless within thirty (30) days after the passage and approval of this ordinance the said Grantee shall file with the City Controller its certificate of acceptance duly executed by the said Grantee, and shall pay to the City Treasurer a permit fee of \$500.00.

Section 9. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Ertl Baking Company, its successors or assigns, are hereby given the right and authority to construct, maintain, and use, at its own cost and expense, a vault in the southerly sidewalk area of Isabella street adjoining its property in the Twenty-second Ward, Pittsburgh, Pennsylvania.

The vault to be constructed by virtue of this Ordinance is to occupy a portion of the southerly sidewalk area of Isabella street bounded and described as follows:

Beginning at a point on the southerly line of Isabella street, distant 102.83 feet westwardly from the westerly line of Sandusky street, thence northwardly and perpendicular to the southerly line of Isabella street a distance of 7.17 feet to a point; thence westwardly and parallel to the southerly line of Isabella street a distance of 14.33 feet to a point; thence southwardly and perpendicular to the southerly line of Isabella street a distance of 7.17 feet to a point on the southerly line of Isabella street; thence eastwardly along the southerly line of Isabella street 14.33 feet to the point of beginning.

The said vault shall be of reinforced concrete construction with a maximum depth of 9.75 feet from the curb elevation and shall contain two openings at sidewalk grade, covered with steel gratings and shall be built in accordance with the Plan, identified as Accession No. B-876 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of said vault, shall submit to the Director of the Department of Public Works, a complete set of plans, in triplicate, showing the location and all details for the construction of said vault, said plans and the construction of the vault shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of a vault on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said vault. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the said Director may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this Ordinance is granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said vault upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said Ertl Baking Company, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said vault and replace the street to its original condition, at its own cost and expense.

Section 6. The said Grantee shall

assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said vault, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said Ertl Baking Company, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by said Ertl Baking Company, its successors or assigns.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 280

AN ORDINANCE—Authorizing and directing the Mayor and the Director

of the Department of Public Works, for and on behalf of the City of Pittsburgh, to enter into an agreement with the Commonwealth of Pennsylvania in connection with the relocation of City water mains across and adjacent to the Saw Mill Run Interchange, Penn-Lincoln Parkway West, State Highway Routes 766-247, Sections 2-9 and prescribing the form of this agreement.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Works be and they are hereby authorized and directed to enter into an agreement on behalf of the City of Pittsburgh with the Commonwealth of Pennsylvania substantially in the following form:

This Agreement, made and entered into this.....day of....., A. D. 1951, by and between the Commonwealth of Pennsylvania, acting through the Secretary of Highways, hereinafter called the Commonwealth

and

the City of Pittsburgh, a municipal subdivision of said Commonwealth, acting through its Mayor and its Director of the Department of Public Works, hereinafter called the City.

Whereas, Commonwealth is about to construct Saw Mill Run Interchange, an integral part of State Highway Routes 766-247, Sections 2-9, in said City, otherwise designated as Penn-Lincoln Parkway West, the construction of which requires certain relocations and adjustments of certain six-inch (6") water mains belonging to City, as shown on the drawings covering said project prepared by and on file with the Department of Highways of Commonwealth; and

Whereas, City has requested Commonwealth to substitute eight-inch (8") water mains, together with their fittings and appurtenances, for certain of the six-inch (6") water mains, as may be designated by City, and is willing to reimburse Commonwealth for the difference in cost incident to said

substitution; and

Whereas, Commonwealth is willing to include in its project the installation of the relocated water mains, together with their fittings and appurtenances, either six-inch (6") or eight-inch (8"), as may be designated by City, at Commonwealth's sole cost and expense, subject however to the reimbursement hereinafter provided to be made by City to Commonwealth.

Now, Therefore, It is agreed by and between the parties hereto:

Section 1. That Commonwealth will proceed to make the improvement in accordance with its plans and drawings, including in said project the installation, relocation or adjustment of either six-inch (6") or eight-inch (8") water mains, together with their fittings and appurtenances, as may be designated by City, and will, subject to the reimbursement hereinafter provided to be made by City to Commonwealth, pay the entire costs thereof. The work to be done and materials used shall be in accordance with current City practice, standards and specifications.

Section 2. City shall reimburse Commonwealth for the additional costs incident to the installation, relocation and adjustment of the eight-inch (8") mains, their fittings and appurtenances, where this size is designated by City to be used in lieu of six-inch (6") mains; such costs to be based on the difference in contract unit prices for the respective items of work on which the contract is awarded. The items of work, and the respective contract unit prices, complete in place, are:

Item 102—6-inch Centrifugal Bell and Spigot Class 250
Cement Lined Cast Iron Pipe
@ \$3.50 per linear foot

Item 102a—8-inch Centrifugal Bell and Spigot Class 250
Cement Lined Cast Iron Pipe
@ \$5.00 per linear foot

Item 105—6-inch Ludlow Hub Gate Valves @ \$80.00 each

Item 105a—8-inch Ludlow Hub Gate Valves @ \$120.00 each

Section 3. The City shall pay the Commonwealth one dollar and fifty cents (\$1.50) for each foot of 8-inch Centrifugal Bell and Spigot Class 250 Cement Lined Cast Iron Pipe installed in lieu of the 6-inch Centrifugal Bell and Spigot Class 250 Cement Lined Cast Iron Pipe. The City shall pay the Commonwealth forty dollars (\$40.00) for each 8-inch Ludlow Hub Gate Valve installed in lieu of the 6-inch Ludlow Hub Gate Valves.

Section 4. The estimated quantities and costs involved are:

2,304 linear feet of 8-inch Centrifugal Bell and Spigot Class 250 Cement Lined Cast Iron Pipe
@ \$1.50 per foot—\$3,456.00

7—8-inch Ludlow Hub Gate Valves
@ \$40.00 each = \$280.00

It is understood and agreed that these quantities are subject to adjustment during construction and the payment will be based on the final quantities of Items 102a and 105a installed.

Section 5. The payment for the aforesaid work shall be made by the City to the Commonwealth within Sixty (60) days after the receipt of certification from the Secretary of Highways to the City, stating that the improvement has been completed and has been opened to public travel.

Section 6. It is agreed by the parties hereto that the liability of the City of Pittsburgh under the terms of this contract is expressly limited to the amount of money which shall be appropriated from time to time by the City for payment thereof.

Section 7. A copy of the ordinance or resolution re-enacted or adopted by the City authorizing execution of this agreement by the proper officials of the City shall be attached to and made a part of this agreement.

In Witness Whereof, The Secretary of Highways, for and on behalf of the Commonwealth of Pennsylvania, has hereunto affixed his hand and the seal of the Department of Highways, and the officials of the said City of Pittsburgh under authority of Ordinance

AN ORDINANCE—Accepting the dedication of certain property in the Fifteenth Ward of the City of Pittsburgh for public use for highway purposes, opening and naming the same Saline street and establishing the grade thereon.

Whereas: Duquesne Slag Products Company, owner of property hereinafter described, has executed and delivered to the City of Pittsburgh, its certain deed of dedication bearing date of May 17, 1951, now on file in the office of Bureau of Engineering of said City, wherein it has conveyed said ground to the said City for public street or public highway purposes and has released said City from any liabilities for damages for or by reason of the physical grading of said public highway to the grade hereinafter established, therefore;

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the said deed of dedication be and the same is hereby accepted and the Bureau of Engineering is hereby authorized and directed to place the same on record in the Office of the Recorder of Deeds in and for the County of Allegheny.

Section 2. The ground as aforesaid conveyed to said City for public highway purposes shall be and the same is hereby appropriated and opened as a public highway in accordance with the terms of said deed of dedication and shall be known as Saline street, the same being bounded and described as follows, to-wit:—

Starting on the northerly line of Browns Hill Road at a point perpendicularly opposite the monument at the intersection of the southerly line of Browns Hill road with the westerly line of Garretta avenue; thence eastwardly, north-eastwardly and south-eastwardly along the northerly, north-westerly and north-easterly line of Browns Hill road 1166.76 feet to the point of tangent at the south-easterly end of the second curve eastwardly from Garretta avenue; the tangent of said curve has a bearing south 52° 06' 30" east with a length of 177.88 feet. The last described point is the place of beginning of the following described property;

The centerline of a 40 foot strip of property for a public street or highway to be known as Saline street, extending south 75° 36' 30" east 552.0 feet to an angle in the line dividing properties of Duquesne Slag Products Company and the Baltimore & Ohio Railroad Co., the property line west of said angle has a bearing north 66° 30' west with a length of 92.40 feet and east of said angle a bearing south 58° 30' east with a length of 7610 feet.

This Indenture to include all the property within the lines of said 40 foot street to be known as Saline street as above described excepting the portion included within the lines of Saline street as now opened.

The grade of the centerline shall begin at the intersection of the centerline and the northeasterly line of Browns Hill road at an elevation of 812.0 feet; thence shall fall at the rate of 10.0% for the distance of 552.0 feet to said angle dividing properties of Duquesne Slag Products Company and Baltimore and Ohio Railroad Company, to an elevation of 756.8 feet.

Section 3. The Department of Public Works is hereby authorized and directed to enter upon, take possession of and appropriate the said described ground for a public highway in conformity with the provisions of this Ordinance.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 293

AN ORDINANCE—Granting unto the Herron Land Company, its successors or assigns, the right and privilege to construct, maintain and use, a vault for electrical purposes in the southerly sidewalk area of Fourth avenue, in the First Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Herron Land Company, its successors or assigns, is hereby given the right, privilege and authority to construct, maintain and use, at its own cost and expense, a vault for electrical purposes, in the southerly sidewalk area of Fourth avenue adjoining its property at No. 316 Fourth avenue, in the First Ward, Pittsburgh, Pennsylvania.

The vault to be constructed by virtue of this Ordinance is to have its top at sidewalk grade, the bottom not more than 11.25 feet below curb grade, and is to occupy a portion of the southerly sidewalk area of Fourth avenue, bounded and described as follows:

Beginning at a point on the southerly line of Fourth avenue, distant 92 feet eastwardly from the easterly line of Wood street; thence extending eastwardly along the southerly line of Fourth avenue, a distance of 8.42 feet and protruding into the southerly sidewalk area 5.92 feet.

The said vault, with steel grating and reinforced concrete cover, shall be constructed to the provisions of this Ordinance and in accordance with the Plan, identified as Accession No. B-686, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of the said vault, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of said vault, said plans and the construction of the vault shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the right of the City of Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of a vault on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said vault. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said vault upon giving to the said Grantee at least six (6) months' written notice through the proper of-

filers, pursuant to a resolution or ordinance of Council, to the said Herron Land Company, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said vault and replace the street to its original condition, at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said vault, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to-wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said Herron Land Company, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by Herron Land Company, its successors or assigns, and shall pay to the City Treasurer a permit fee of \$100.00 and an annual inspection fee of .01 per cubic foot.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Authorizing the acceptance of certain payments in lieu of taxes from the Housing Authority of the City of Pittsburgh, with respect to Glen Hazel Heights; Authorizing a Cooperation Agreement with the Housing Authority of the City of Pittsburgh; prescribing a form of contract with respect thereto; and authorizing the execution of said contract.

Whereas, The City of Pittsburgh has requested the Public Housing Administration to convey to the Housing Authority of the City of Pittsburgh (herein called the Authority) certain War Housing, known as Glen Hazel Heights, PA 36101, located within the territorial limits of the City of Pittsburgh (herein called the City) for low rent use; and

Whereas, The Authority proposes to accept conveyance of such housing and enter into a contract with the Public Housing Administration for the Administration of such housing pursuant to Section 606 of Public Law 849, 76th Congress, as amended; and

Whereas, the City will benefit by the conveyance of said project to the Authority in that the number of safe and sanitary dwellings will be increased for use by families of low income residing in the City,

Now Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the City hereby determines that for the purpose of aiding said Authority and supplying additional safe and sanitary dwellings in the City of Pittsburgh and operating such dwellings for families of low income, the City of Pittsburgh shall cooperate with the Authority by furnishing municipal services and facilities for the project in consideration of certain sums by the Authority to the City in lieu of taxes, all as more fully provided in the form of agreement set forth in Section 2 hereof.

Section 2. That the City shall enter into a contract with the Authority in substantially the following form:

COOPERATION AGREEMENT

Between

THE CITY OF PITTSBURGH

and

THE HOUSING AUTHORITY OF THE
CITY OF PITTSBURGH

This Agreement entered into this _____ day of _____, 1951, by and between The Housing Authority of the City of Pittsburgh (herein called the "Local Authority") and the City of Pittsburgh (herein called the "City"), Witnesseth:

Whereas, The Council (the governing body of the City) has requested the Public Housing Administration (herein called the PHA) to convey to the Local Authority certain war housing located within the corporate limits of the City for use as low-rent housing; and

Whereas, The Local Authority proposes to accept conveyance of such housing and to enter into a contract or contracts with the PHA for the administration of such housing pursuant to Section 606 of Public Law 849, 76th Congress, as amended; and

Whereas, The City is desirous of assisting and cooperating with the Local Authority in such undertakings;

Now, Therefore, in consideration of the mutual covenants hereinafter set forth, the parties hereto do agree as follows:

1. Whenever used in this agreement:

(a) The term "Project" shall mean any war housing which is hereafter conveyed to the Local Authority for low-rent use and for which the conveyance has been requested by the governing body of the City.

(b) The term "Taxing Body" shall mean the State or any political subdivision or taxing unit thereof in which a Project is situated and which would have authority to assess or levy real or personal prop-

erty taxes or to certify such taxes to a taxing body or public officer to be levied for its use and benefit with respect to a Project if it were not exempt from taxation.

(c) The term "Shelter Rent" shall mean the total of all charges to all tenants of a Project for dwelling rents and non-dwelling rents (excluding all other income of such Project), less the cost to the Local Authority of all dwelling and non-dwelling utilities.

2. The Local Authority shall endeavor to secure a contract or contracts with the PHA for the acquisition and operation of one or more Projects for low-rent use.

3. (a) Under the Constitution and Statutes of the Commonwealth of Pennsylvania, all Projects are exempt from all real and personal property taxes and special assessments levied or imposed by any Taxing Body. With respect to any Project, so long as either (i) such Project is owned by a public body or governmental agency and is used for low-rent housing purposes, or (ii) any contract between the Local Authority and the PHA in connection with such Project remains in force and effect, or (iii) any monies due to the PHA in connection with such Project remain unpaid, whichever period is the longest, the City agrees that it will not levy or impose any real or personal property taxes or special assessments upon such Project or upon the Local Authority with respect thereto. During such period, the Local Authority shall make annual payments (herein called "Payments in Lieu of Taxes") to the City in lieu of such taxes and special assessments and in payment for the public services and facilities furnished from time to time without other cost or charge for or with respect to such Project.

(b) For the tax year in which the conveyance from the PHA to the Local Authority is made and the next succeeding tax year each annual Payment in Lieu of Taxes shall be in an amount equal to either (i) the real property taxes which would be paid to all Taxing Bodies for each of such years if

the Project were not exempt from taxation, less any Payments in Lieu of Taxes previously paid by the Federal Government or the Local Authority for such year, and also less such allowance as may be considered by the Local Authority to be appropriate for expenditures by either the Federal Government or the Local Authority for the repair and maintenance of streets, utilities, or other public services to serve such Project or (ii) the amount permitted to be paid by applicable state law in effect on the date such payment is made, whichever amount is the lower. Such payments shall be made at the time when real property taxes on such Project would be paid if it were subject to taxation. The City shall distribute such Payments in Lieu of Taxes for said two years among the Taxing Bodies in the same proportion in which real property taxes would have been paid to each Taxing Body for such year if the Project were not exempt from taxation. Provided, that any deduction or allowance made on account of expenditures by the Federal Government or the Local Authority shall be deducted from the payment to the appropriate Taxing Body which should have rendered the service involved.

(c) After the end of the two tax years referred to in paragraph 3 (b) above, each such annual payment in Lieu of Taxes shall be made after the end of the fiscal year established for such Project, and shall be in an amount equal to either (i) that proportion of ten (10%) per centum of the aggregate Shelter Rent charged by the Local Authority in respect to such Project during such fiscal year which the real property tax which would have been paid to the City for such year if the Project were not exempt from taxation bears to the total real property taxes which would have been paid to all of the Taxing Bodies for such year if the Project were not exempt from taxation; or (ii) the amount permitted to be paid by applicable state law in effect on the date such payment is made, whichever amount is the lower.

(d) No payment for any year shall

be made to the City in excess of the amount of the real property taxes which would have been paid to the City for such year if the Project were not exempt from taxation.

(e) Upon failure of the Local Authority to make any Payments in Lieu of Taxes, no lien against any Project or assets of the Local Authority shall attach, nor shall any interest or penalties accrue or attach an account thereof.

4. During the period commencing with the date of the acquisition of any Project and continuing so long as either (i) such Project is owned by a public body or governmental agency and is used for low-rent housing purposes, or (ii) any contract between the Local Authority and the PHA in connection with such Project remains in force and effect, or (iii) any monies due to the PHA in connection with such Project remain unpaid, whichever period is the longest, the City, without cost or charge to the Local Authority or the tenants of such Project, other than the Payments in Lieu of Taxes, shall:

(a) Furnish or cause to be furnished to the Local Authority and the tenants of such Project public services and facilities of the same character and to the same extent as are furnished from time to time without cost or charge to other dwellings and inhabitants in the City;

(b) Insofar as the City may lawfully do so, (i) grant such deviations from the building code of the City as are reasonable and necessary to promote economy and efficiency in the administration of such Project, and at the same time safeguard health and safety, and (ii) make such changes in any zoning of the site and surrounding territory of such Project as are reasonable and necessary for the protection of such Project and the surrounding territory;

(c) Accept grants of easements necessary for the administration of such Project; and

(d) Cooperate with the Local Authority by such other lawful action or ways as the City and the Local Authority may find necessary in connection with the administration of such Project.

5. In respect to any Project the City further agrees that within a reasonable time after receipt of a written request therefor from the Local Authority it will accept the dedication of all interior streets, roads, alleys, and adjacent sidewalks within the area of such Projects, together with all storm and sanitary sewer mains in such dedicated areas, provided the same comply with applicable regulations of the City and are in accordance with specifications acceptable to the City.

6. If by reason of the City's failure or refusal to furnish or cause to be furnished any public services or facilities which it has agreed hereunder to furnish or to cause to be furnished to the Local Authority or to the tenants of any Project, the Local Authority incurs any expense to obtain such services or facilities then the Local Authority may deduct the amount of such expense from any Payments in Lieu of Taxes due or to become due to the City in respect to any Project or any other low-rent housing projects owned or operated by the Local Authority.

7. No Cooperation Agreement heretofore entered into between the City and the Local Authority shall be construed to apply to any Project covered by this Agreement.

8. So long as any contract between the Local Authority and the PHA in connection with any Project remains in force and effect, or so long as any monies due to the PHA in connection with any Project remain unpaid, this Agreement shall not be abrogated, changed, or modified without the consent of the PHA. The privileges and obligations of the City hereunder shall remain in full force and effect with respect to each Project so long as the beneficial title to such Project is held by the Local Authority or by any other public body or governmental agency, including the PHA, authorized by law to

engage in the development or administration of low-rent housing projects. If at any time the beneficial title to, or possession of, any Project is held by such other public body or governmental agency, including the PHA, the provisions hereof shall inure to the benefit of and may be enforced by, such other public body or governmental agency, including the PHA.

In Witness Whereof, The City and the Local Authority have respectively signed this Agreement and caused their seals to be affixed and attested as of the day and year first above written.

AN ORDINANCE—Vacating Lumberman way from River avenue to Pennsylvania Railroad right-of-way, abandoning a certain sewer located on Lumberman way between said points and providing certain terms and conditions.

Whereas, A petition and affidavit has been filed by the owner of all the property fronting or abutting on Lumberman way from River avenue to Pennsylvania Railroad right-of-way in the office of the City Clerk, praying that the Council of the City of Pittsburgh enact an ordinance for the vacation of said way between said points, and

Whereas, Upon vacation of said Lumberman way between said points, the City no longer desires to maintain the existing sewer located on said way; Now, Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That Lumberman way from River avenue to Pennsylvania Railroad right-of-way shall be and the same is hereby vacated.

Section 2. The existing sewer of the City of Pittsburgh located on said Lumberman way between said points is hereby abandoned.

Section 3. The vacation of Lumberman way between River avenue and Pennsylvania Railroad right-of-way and the abandonment of the city sewer on Lumberman Way between said points are made upon the following terms and conditions to be accepted by H. J. Heinz Company for itself, its successors and assigns before said vacation and abandonment shall become effective.

(a) H. J. Heinz Company for itself, its successors and assigns specifically waives any claims for damages by reason of the abandonment of the said sewer on said vacated way.

(b) H. J. Heinz Company for itself, its successors and assigns agrees within sixty (60) days from the final passage and approval of this ordinance to file with the City Controller an acceptance of the terms and condition hereof, said acceptance being duly authorized by the Board of Directors of the said H. J. Heinz Company, and upon failure to file such acceptance within sixty (60) days from the passage and final approval of this ordinance, the same shall be void and of no effect.

(c) The H. J. Heinz Company shall, within thirty (30) days after the approval of this ordinance, pay into the treasury of the City of Pittsburgh the sum of \$2,484.00 for the use of the City of Pittsburgh for the vacation of Lumberman way as recited above.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 351

AN ORDINANCE—Vacating Pindam street from River avenue to Penn-

sylvania Railroad right-of-way, abandoning a certain sewer located in Pindam street between said points, reserving to the City the right to enter upon a portion of said Pindam street after vacation and providing certain terms and conditions.

Whereas, A petition and affidavit has been filed by the owner of all the property fronting or abutting on Pindam street from River avenue to Pennsylvania Railroad right-of-way in the office of the City Clerk, praying that the Council of the City of Pittsburgh enact an ordinance for the vacation of said street between said points, and

Whereas, Said City of Pittsburgh now maintains in said street between said points certain water lines, and

Whereas, In connection with said existing water lines it is desired to reserve to the City of Pittsburgh the right of entry on a portion of said Pindam street after vacation of the same, and

Whereas, Upon vacation of said Pindam street between said points the City no longer desires to maintain the existing sewer located in said street;

Now, Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That Pindam street from River avenue to Pennsylvania Railroad right-of-way shall be and the same is hereby vacated.

Section 2. The existing sewer of the City of Pittsburgh located in said Pindam street between said points is hereby abandoned.

Section 3. The vacation of Pindam street from River avenue to Pennsylvania Railroad right-of-way and the abandonment of the City sewer in Pindam street between said points are made upon the following terms and conditions to be accepted by H. J. Heinz Company for itself, its successors and assigns before said vacation and abandonment shall become effective.

(a) The City of Pittsburgh reserves the right to continue, maintain and use the existing water lines now located in said street between said points and specifically reserves the right to enter upon the land formerly within the lines of said Pindam street between said points, with the exception of the westerly ten (10) feet thereof.

(b) H. J. Heinz Company for itself, its successors and assigns, waives all damages, claims or demands arising by reason of entry upon and maintenance and repair of the existing water lines in the vacated street, and specifically waives any claims for damages by reason of the failure or bursting of said water lines and the consequent flooding of H. J. Heinz Company property.

(c) H. J. Heinz Company for itself, its successors and assigns, specifically waives any claims for damages by reason of the abandonment of said sewer on said vacated street.

(d) H. J. Heinz Company for itself, its successors and assigns, agrees to construct no buildings on the easterly 40 (forty) feet of said Pindam street and specifically agrees to have said easterly 40 (forty) feet of said street as vacated free of obstructions (other than railroad sidings crossing said vacated street) and accessible at all times for entry by the City of Pittsburgh.

(e) H. J. Heinz Company for itself, its successors and assigns, agrees within sixty (60) days from the final passage and approval of this ordinance to file with the City Controller an acceptance of the terms and conditions hereof, said acceptance being duly authorized by the Board of Directors of the said H. J. Heinz Company, and upon failure to file such acceptance within sixty (60) days from the passage and final approval of this ordinance, the same shall be void and of no effect.

(f) The H. J. Heinz Company shall, within thirty (30) days after the approval of this ordinance, pay into the treasury of the City of Pittsburgh the sum of \$8,550.00 for the use of the City of Pittsburgh for the vacation of Pindam street as recited above.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 353

AN ORDINANCE — Authorizing the Mayor and the Director of the Department of Public Works to execute separate tri-party long-term agreements by and among the City of Pittsburgh, the Allegheny County Sanitary Authority and each of the Townships of Kennedy, Kilbuck and Upper St. Clair providing for sewage treatment and disposal service by the Sewage Disposal System that will serve the City of Pittsburgh, and providing charges therefor.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Works are hereby authorized and directed to execute and deliver, for and in behalf of the City of Pittsburgh, separate tri-party agreements with the Allegheny County Sanitary Authority and each of the Townships of Kennedy, Kilbuck and Upper St. Clair in substantially the following form:

AGREEMENT

THIS AGREEMENT, dated for convenience of reference as of the first day of _____, 1950, by and among

CITY OF PITTSBURGH

(hereinafter sometimes called the "City"), a municipal corporation of the Commonwealth of Pennsylvania located within the County of Allegheny,

ALLEGHENY COUNTY
SANITARY AUTHORITY

(hereinafter sometimes called the "Sanitary Authority"), a body corporate and politic of the Commonwealth of Pennsylvania duly created and existing under the provisions of the Municipality Authorities Act of 1945, as amended, and

TOWNSHIP OF

(hereinafter sometimes called the "Township"), a political subdivision of the Commonwealth of Pennsylvania also located within the County of Allegheny,

WITNESSETH:

Whereas, The City and the Township have heretofore constructed certain sewers but do not have facilities for the treatment and disposal of sewage, and sewage entering their sewers is being discharged without treatment into the rivers and streams; and

Whereas, A number of municipalities adjacent to the City have connected their sewers with the City's sewerage system; and

Whereas, There are many industries in the Pittsburgh area which are discharging large quantities of industrial wastes without treatment either directly into such rivers and streams or indirectly through the sewers of the municipalities in which they are located; and

Whereas, Such discharge of untreated sewage and industrial wastes has polluted the rivers and streams, and such pollution has made the rivers and streams undesirable as sources of public water supply and unsafe for bathing, boating and other recreational purposes; is detrimental to business and commercial interests in the Pittsburgh area; and constitutes a serious menace to the health and safety of the inhabitants of the City, the Township and such adjacent municipalities; and

Whereas, The Sanitary Water Board of the Commonwealth of Pennsylvania (hereinafter sometimes called the "State Board"), acting to abate stream pollution, pursuant to authority conferred upon it by the Act of the Gen-

eral Assembly of Pennsylvania approved June 22, 1937, P. L. 1987, as amended, ordered and directed all sewer municipalities in Allegheny County, including the City and the Township

(a) to discontinue the discharge of untreated sewage into the waters of the Commonwealth, and

(b) to submit, either alone or jointly with any other mutually interested municipality or municipalities, construction plans and specifications for the necessary sewers, pumping stations and treatment works to collect and convey its sewage to a suitable site or sites and provide treatment thereof; and

Whereas, The Sanitary Authority was organized by the County Commissioners of Allegheny County to collect, transport, treat and dispose of the sewage and industrial wastes of all the municipalities in the County and thus enable them to comply with the orders of the State Board; and

Whereas, After careful consideration of alternative projects, the City executed an agreement with the Sanitary Authority for the preparation of detailed construction plans and specifications for a Sewage Disposal System adequate to meet the present and foreseeable future needs of an area comprising the City and all or portions of fifty-eight adjacent municipalities, but excluding the Township, and agreed to advance to the Sanitary Authority, as a loan, the entire cost of such plans and specifications, estimated at Two Million (\$2,000,000) Dollars; and

Whereas, The City and the Sanitary Authority are willing to enlarge the original service area to include the Township, since the sewage service charges of the Sewage Disposal System will not be increased thereby for the reason that the estimated revenue expected from the Township and its residents will pay for the added cost of service; and

Whereas, Plans and specifications for any sewage disposal system will be valueless unless substantially all the municipalities to be served, or their residents, become legally bound to accept and pay for sewage collection

and treatment service from the time the system goes into operation until such time as the bonds to be issued for construction the system shall be fully retired by the revenues thereof; and

Whereas, The City is willing to pay, or to require its residents to pay, after the Sewage Disposal System is constructed and goes into operation, the same rates for service therefrom as shall be charged and collected throughout the remainder of the System's entire service area; and

Whereas, Such uniform rates would result in much lower cost to the Township and its residents than would result from the construction and operation of a sewage disposal system for the Township alone; and

Whereas, The execution of the present Agreement by the Township will benefit the Township and its residents and will constitute compliance with the orders of the State Board.

Now, Therefore, in consideration of the premises and the undertakings of each party to the others, the parties hereto, each intending to legally bind itself, its successors and its assigns, covenant and agree as follows:

1. The City and the Sanitary Authority reaffirm their agreement of August 1, 1949, whereunder the City agrees to loan to the Sanitary Authority Two Million (\$2,000,000) Dollars for the preparation of detailed construction plans and specifications for a Sewage Disposal System adequate to serve a potential area comprising the City and all or portions of fifty-eight adjacent municipalities, as shown on Exhibit A hereof, and hereby enlarge such area to include all of the Township. The City and the Sanitary Authority each covenants with the Township to carry out its undertakings under said agreement of August 1, 1949, as thus amended to include the Township. As used in this Agreement the term "service area" shall mean an area including the Township or so much thereof as is above described.

In no event shall the rights of the Township under this Agreement exceed the rights of the municipalities

in the original service area under the similar agreements of December 1, 1949, executed by them.

2. The City reserves the right, after the plans and specifications to be prepared by the Sanitary Authority shall have received the final approval of the State Board, to designate the agency which shall construct and operate the Sewage Disposal System. Such agency, hereinafter referred to as the "Sewage Agency," may be the City itself, the Sanitary Authority, a Municipal Authority to be organized by the City, or any other agency having legal authority to construct and operate the Sewage Disposal System.

The parties agree that the rights given under this Agreement to the Sewage Agency are primarily given to the Sanitary Authority, for the benefit of the City, and that the Sewage Agency designated by the City, if other than the Sanitary Authority, shall be the assignee of the Sanitary Authority's rights. The Sanitary Authority agrees that the designation by the City of a Sewage Agency other than the Sanitary Authority shall constitute an assignment, by the Sanitary Authority to the Sewage Agency so designated by the City, of the Sanitary Authority's right as Sewage Agency under this Agreement. If the designated Sewage Agency is the City, such assignment shall become effective automatically; if it is neither the City nor the Sanitary Authority such assignment shall become effective upon formal acceptance of this Agreement by the designated Sewage Agency. The Sanitary Authority further covenants to execute promptly, upon request of the City, a formal assignment of such rights to such designated Sewage Agency, though such formal assignment is not necessary. The Township recognizes that performance of the duties imposed by this Agreement on the Sewage Agency will be substantially the same whether done by the City itself, the Sanitary Authority, an authority to be organized for such purpose by the City, or any other lawful agency, inasmuch as the personnel of the Sewage Agency during the extended life of this Agreement cannot be foreseen and would in any event not be selected by the Township, and since the sewage service charges

of the Sewage Agency, as more fully hereinafter set forth, must be uniform and are limited to yield only sufficient revenues to meet administrative and operating expenses and debt requirements. The Township therefore hereby specifically assents to any such assignment, and covenants to perform all acts and discharge all duties and obligations required of the Township under this Agreement, whether the Sewage Agency be the Sanitary Authority or any other agency designated by the City.

The City covenants that within a reasonable time after receiving an order from the State Board to construct the Sewage Disposal System, following final approval of the plans and specifications therefor, the City will by proper ordinance designate a suitable Sewage Agency to construct and operate the Sewage Disposal System in accordance with this Agreement. Paragraphs 3-17 of this Agreement shall not be carried into effect until the City shall, by formal ordinance duly enacted, designate such Sewage Agency.

3. The Sanitary Authority covenants with the City and Township, and the City similarly covenants with the Township, that if it is designated by the City to be the Sewage Agency, it will well and truly perform all the acts and discharge all the duties and obligations imposed upon the Sewage Agency by this Agreement; and that if it is not so designated, it will cooperate fully with the designated Sewage Agency and will assign to it, without charge, any rights and powers it may have in aid of the carrying out of the remaining provisions of this Agreement.

4. The City covenants with the Township and the Sewage Agency that the rates and charges to be imposed and collected by the Sewage Agency, as hereinafter set forth, shall be uniform throughout the service area of the Sewage Disposal System and in particular shall be the same within the City as within the Township, and that all duties and obligations hereinafter imposed upon the Township will likewise be assumed and borne by the City.

5. The Sewage Agency designated and qualified pursuant to the provisions of Paragraph 2 of this Agreement shall

(a) Promptly issue and sell revenue bonds, secured by its revenues and receipts collected pursuant to this Agreement and to similar agreements with other municipalities and by all other revenues and receipts of the Sewage Disposal System, in sufficient amount to pay

(1) the cost of constructing the Sewage Disposal System and placing the same in operation,

(2) all loans and advances heretofore or hereafter made to the Sanitary Authority by the City and the Federal Works Administration,

(3) all obligations incurred by the Sanitary Authority and by the Sewage Agency which are repayable out of such bond proceeds, and

(4) all other lawful requirements of the Sewage Agency, including, but without limitation, the cost of all lands, property, rights, easements and franchises acquired, financing charges, the cost of legal services, administrative expenses and all other expenses necessary or incident to the construction of the Sewage Disposal System and to the financing thereof;

(b) upon receipt of the proceeds of such bonds, proceed promptly and with due diligence in the construction of the Sewage Disposal System, with the privilege of awarding all or portions of the actual construction work under separate contracts to the lowest responsible bidder for each contract;

(c) upon completion of the Sewage Disposal System, intercept all sewage and wastes of the Township which are discharged from any municipal outfall sewer located along the interceptor sewers of the Sewage Disposal System (subject to the provisions of Paragraph 6 of this Agreement), transport such sewage and wastes to its treatment plant, provide such treatment and disposal

thereof as may be required by law, and operate the Sewage Disposal System in an efficient and economical manner; and

(d) make such changes in and additions to the Sewage Disposal System as may be necessary to enable the Township to comply with any future lawful orders of the State Board or any other State or Federal Agency in respect of the treatment and disposal of the Township's municipal sewage and wastes which enter the Sewage Agency's interceptor sewers, and shall issue additional revenue bonds for such purpose or purposes; provided, however, that the Sewage Agency shall have the right to increase its sewage service charges to such extent as will yield the additional revenue needed to meet all bond requirements and operating and other expenses incurred by the Sewage Agency in the design, construction and operation of such added facilities.

If any portions of the Sewage Agency's interceptor sewers and appurtenances thereof are located in the Township, the Sewage Agency shall have the right to enter upon and open such streets, public thoroughfares and vacant land owned by the Township as may be necessary to install, construct, extend, replace, repair and maintain the same or any part thereof; provided, however, that all pavements and underground structures disturbed in the course of such work shall be restored to substantially their original condition. No Township permit or license shall be required for any such work, and the Township hereby waives all fees and charges in connection therewith.

It is understood and agreed that the Sewage Agency shall indemnify and save the Township harmless from all costs and expenses (except those provided for in this Agreement), liability, claims and demands of any sort arising out of the construction, extension, replacement, operation, maintenance, repair or possession of the Sewage Disposal System by the Sewage Agency.

6. The Sewage Agency's interceptor sewers will be constructed approximately where shown on the map

marked "Exhibit A" attached hereto and made a part of this Agreement. The Township understands and agrees that the Sewage Agency will accept for treatment and disposal only such sewage and wastes entering the Township's sewers as are discharged from municipal outfall sewers (belonging to the Township or to any other municipality) located along such interceptor sewers, and that it shall be the obligation of the Township to bring its sewage and wastes to a proper point of connection with such interceptor sewers, as hereinafter set forth. If the service area as enlarged by Paragraph 1 of this Agreement does not include the entire Township, the Sewage Agency shall not have any obligation to serve any portion of the Township outside such area unless another agreement similar to the present Agreement shall be executed covering such outside territory. No sewer connection whereby sewage or wastes from any territory outside such enlarged service area may reach a Sewage Agency interceptor sewer through the Township's sewerage system shall be made or permitted by the Township without the approval of the Sewage Agency formally given by resolution or ordinance.

Provision will be made, in the plans and specifications to be prepared by the Sanitary Authority, for the connection with the Sewage Agency's interceptor sewers of all municipal outfall sewers now in place therealong, and only such outfall sewers now being used by the Township as are located therealong will be connected with the Sewage Agency's interceptor sewers without cost to the Township.

All other outfall sewers now used by the Township and every municipal outfall sewer hereafter constructed shall be brought to a point to be approved by the Sewage Agency (or, prior to the designation and qualification of the Sewage Agency, by the Sanitary Authority), in order that proper connection with the Sewage Disposal System may be made. Each such connection shall be made in such manner as the Sewage Agency shall direct, and at the expense of the municipality or municipalities using such outfall sewer.

7. The City and the Sanitary Authority reserve the right, prior to the designation of the Sewage Agency, and the City and the Sewage Agency shall have the right thereafter, subject to the approval of the State Board but without consulting or notifying the Township, to permit additional municipalities which are partially or entirely outside the original service area shown on Exhibit A hereof to pump or drain additional sewage or wastes from territory outside such original service area into the Sewage Disposal System for treatment and disposal by the Sewage Agency; provided, however, that no such permission shall be given unless an agreement similar to the present Agreement shall be executed with the affected municipality or municipalities.

The City and the Sanitary Authority, or the City and the Sewage Agency, as the case may be, also reserve the similar right to enter into agreements with industrial firms within and without the service area for the treatment and disposal of their sewage and wastes which do not enter a municipal sewer; provided, however, that the service charges shall be at least as high as those imposed on the Township and its water users by this Agreement.

8. The Township covenants and agrees that the Sewage Agency shall be the sole and exclusive agency, during the entire life of this Agreement, to provide sewage treatment and disposal service to the Township or to so much thereof as is within the service area of the Sewage Disposal System and to all its water users therein who or which discharge sewage or wastes into the Township's sewerage system. The Township hereby permits and authorizes the Sewage Agency to impose upon and collect from all such water users the sewage service charges hereinafter set forth, and covenants to perform all the acts and discharge all the duties and obligations imposed upon it by this Agreement. The Township further covenants that it will not itself engage in the business of providing sewage treatment and disposal service to such water users, nor will it authorize or permit any other agency, public or private, to do so in compe-

tition with or in substitution for the Sewage Agency.

9. Beginning immediately after the Sewage Disposal System has been completed and put in operation, the Sewage Agency shall, for the services and facilities furnished or to be furnished by it, impose upon and collect from the owner, tenant or occupant of each lot or parcel of land within the Township from which sewage or wastes enter a Township sewer and thence reach the Sewage Disposal System (hereinafter sometimes called a "user" or "water user"), rates, fees or charges (hereinafter sometimes called "sewage service charges" or "charges"), which shall be based or computed upon the quantity of water used in or upon such lot or parcel as determined by gauging or metering or otherwise.

The Sewage Agency's schedule of sewage service charges shall be uniform throughout the entire service area of the Sewage Disposal System, and shall be so calculated as to yield in the aggregate during each month or quarter year the amount required in each such month or quarter year for paying all current administrative and operating expenses of the Sewage Agency and the interest on and the principal of all outstanding bonds and other obligations as the same become due and payable, and to create such reserves for such purposes as may be required by the resolution authorizing the issuance of its bonds or in the trust indenture securing the same. The schedule shall impose reasonable minimum charges, may include such block rates for metered water users and such charges for flat-rate water users as the Sewage Agency shall determine, and shall provide extra charges for commercial and industrial wastes which impose an extraordinary burden on the Sewage Disposal System. The schedule shall be adjusted from time to time in such manner as the Sewage Agency shall deem necessary or proper to insure the collection of adequate revenues to meet its financial requirements.

In case any water user is not the owner of the premises in or on which the water is used, the Sewage Agency may also impose such sewage service

charges upon and demand payment thereof from the owner of such premises, so that if payment is not made promptly, a lien therefor against the premises served may be filed by the Township as assignee of the Sewage Agency delinquent accounts, as provided in Paragraph 13 of this Agreement.

10. The Township covenants that during such time as sewage service charges of the Sewage Agency are in effect the Township will not impose upon any person, firm or corporation, or upon any property, any rental, rate or charge whatever for the use of or for the privilege of using any Township sewer connected with the Sewage Disposal System, to the end that no person, firm or corporation shall be subject to both the Sewage Agency's sewage service charge, as herein provided, and a Township sewer rental, rate or charge of any kind whatever excepting general real estate taxes, sewer connection and street opening permit or license fees, and special assessments imposed according to law upon property benefited by the construction of additional sewers, and excepting charges imposed on other municipalities for the joint use, maintenance or repair of a Township sewer or sewers.

The provisions of this Paragraph shall not apply so long as the optional method of payment provided for in Paragraph 15 of this Agreement is in effect.

11. All bills for sewage service charges shall be computed on the basis of the quantity of water used, whether the water is furnished by the waterworks system of the Township or secured from any other source.

The sewage service charge to be paid by each water user within the Township shall be computed as follows:

(a) Metered water customers—by applying the Sewage Agency's schedule of charges then in effect to the quantity of water delivered to each water customer during the preceding quarter year or other meter period, as measured by the most recent water meter reading;

(b) Flat-rate water customers—by applying the percentage set forth in the Sewage Agency's schedule of charges then in effect to the flat-rate water bill;

(c) Users of water taken from a private water source or public stream—by applying the Sewage Agency's schedule of charges then in effect to the quantity of water used as estimated by the Sewage Agency; provided, however, that if any such water user shall at his or its own expense install and maintain in good operating condition a meter or other measuring device of a type approved by the Sewage Agency, the amount payable by such water user shall be based upon the quantity of water used as so measured.

If the Township or other water supplying agency does not make available promptly to the Sewage Agency the necessary data for computing the sewage service charge of any water user, such water user shall be deemed to be a flat-rate water customer, and the sewage service charge for such water user shall be calculated in the same manner as for flat-rate water customers, based upon the estimated flat-rate water bill such customer would have to pay.

There shall be no free services rendered by the Sewage Disposal System, and the Township (or any department, agency or instrumentality thereof) and all public corporations, all charitable or non-profit institutions and all school districts and other political sub-divisions shall pay for the use of the services and facilities thereof in accordance with the established schedule of sewage service charges.

If any substantial portion of the water used regularly on any lot or parcel of land does not enter the Township's sewerage system, the owner, tenant or occupant of such lot or parcel may secure a reduction in the amount of the sewage service charges to be paid by him, subject to the established minimum charges, by installing, at his own expense and subject to such regulations as may be prescribed by the Sewage Agency, a separate meter or

other measuring device approved by the Sewage Agency for measuring the water so used, in which event the quantity of water so used shall thereafter be excluded in computing the sewage service charges to be paid by the owner, tenant or occupant of such lot or parcel.

In cases where the character of sewage or industrial wastes from any commercial, manufacturing or industrial plant, building or premises is such that it imposes a burden upon the Sewage Disposal System in addition to the burden imposed by the average sewage, such additional charge shall be made therefor as the Sewage Agency shall deem to be fair and equitable to meet the additional cost of collecting, transporting, treating and disposing of such sewage or wastes; or the Sewage Agency may, if it deems it advisable, require the owner, tenant or occupant of such commercial, manufacturing or industrial plant, building or premises to pre-treat such sewage or wastes in such manner as shall be specified by the Sewage Agency before discharging such sewage or wastes into the Township's sewerage system.

12. In order to enable the Sewage Agency to compute its sewage service charges based thereon, as provided in Paragraph 11 hereof, the Township, if it operates its own waterworks system, shall furnish to the Sewage Agency, not later than the 15th day of the month following the month during which water bills are issued, a list or lists of all water meter readings and flat-rate water bills issued during the preceding calendar month together with the basis for each flat-rate water user's water bill, and shall include therein the meter readings of meters installed by water users taking water from a private water source or public stream. The Sewage Agency will request similar information from the private water company, municipal authority or other agency supplying water to any water users within the Township. If by reason of failure to obtain such data promptly the Sewage Agency is compelled to treat any water users as though they were flat-rate water customers, as further provided above in

the said Paragraph 11, and in so doing is obliged to survey the premises of each such water user for the purpose of determining his or its flat-rate water status, the cost incurred by the Sewage Agency in making such survey or surveys shall be repaid to it by the Township. The Township authorizes the Sewage Agency to make such survey or surveys, and it is agreed that every water user, in accepting the Sewage Agency's service, authorizes the Sewage Agency to enter upon his or its premises for such purpose.

The Sewage Agency will reimburse the Township and other water supplying agencies, on or before April first of each year, for the reasonable added clerical expense incurred by each of them during the previous calendar year in preparing the lists of metered water data and of flat rate bills hereinabove referred to, but not for the cost of reading meters, excepting only the cost of reading such meters as may be installed by or for users of water who are not connected with their respective waterworks systems.

13. The Schedule of sewage service charges to be imposed and collected during any year by the Sewage Agency shall be so calculated and adjusted as to provide revenues which will be sufficient to pay all current expenses and meet all obligations of the Sewage Agency during such year. It is understood by the Township that not all bills for sewage service charges will be paid promptly, and that some of such bills in an indeterminate amount will become delinquent each year. In consideration of the services rendered by the Sewage Agency to the Township under the provisions of this Agreement, which will effect compliance by the Township with the duty imposed upon it by law to cease the pollution of the waters of the Commonwealth, and in further consideration of the assignment to it of the delinquent accounts, as hereinafter provided, the Township agrees to pay to the Sewage Agency, out of the Township's current revenues as hereinafter provided, the face amount of all delinquent accounts of the Sewage Agency.

If any water user shall fail to pay

the sewage service charges of the Sewage Agency within sixty (60) days after the due date of the bill therefor, the account of such water user shall be deemed delinquent. The Sewage Agency shall prepare and submit to the Township, on or before January 1, April 1, July 1 and October 1 of each year, a list of all delinquent accounts, showing the face amount of each account, the penalty thereon, and the interest accrued. The Township shall, within 60 days after the furnishing of such list, pay to the Sewage Agency the face amount of all such delinquent accounts. Upon receipt of such amount from the Township, the Sewage Agency shall promptly assign to the Township all such accounts, for the sole use and benefit of the Township.

The Sewage Agency agrees that the Township shall have the right to pursue and enforce any and all remedies now available or hereafter to become available to it, to compel payment by any delinquent water user of the sewage service charges, together with penalties, interest and costs, which may be due and owing by him or it.

14. The Township agrees that if the schedule of sewage service charges in effect at any time does not, or in the opinion of the Sewage Agency may not, yield sufficient revenue to meet the Sewage Agency's financial requirements, or if the Sewage Agency finds that such schedule has proved to be inequitable, the Sewage Agency shall have the right at any time and from time to time to revise and adjust its sewage service charges in such manner and to such extent as it may deem advisable.

At least sixty (60) days before any revised sewage service charges shall become effective, the Sewage Agency shall submit in writing to the Township a statement setting forth the new schedule of sewage service charges and the reasons why it was found necessary or desirable to put them into effect. Such new schedule of charges shall go into effect at the time specified in said statement (not earlier, however, than sixty (60) days from the furnishing of such statement), unless suspended by a final decree of a court of competent jurisdiction.

15. The Township shall have the option of paying the aggregate amount of all sewage service charges which, under Paragraphs 9-14 of this Agreement, would be payable by its water users, in consideration of the performance by the Sewage Agency of the Township's legal duty to cease the pollution of the waters of the Commonwealth. In such event, the individual charges of each water user shall be computed in the same manner as hereinbefore set forth, but instead of sending individual bills to all water users, all such individual bills shall be totaled and the aggregate amount thereof shall be billed quarterly to the Township. The Township covenants that so long as such method of payment is in effect it will pay each such quarterly aggregate amount, out of the Township's current revenues as herein-after provided, within sixty (60) days after the date of the bill therefor. The Sewage Agency will refund to the Township, on or before April first of each year, as a credit for the saving in billing expense, a sum equal to the average cost per customer incurred by the Sewage Agency during the preceding calendar year for billing and collecting its charges from individual water users in all other municipalities served by it, multiplied by the average number of individual water users in the Township.

Before the Sewage Disposal System is completed and put in operation, the Sewage Agency shall request the Township in writing to indicate whether it desires to adopt the optional method of payment provided for in this Paragraph. Unless the Township shall so indicate by ordinance duly enacted not later than ninety (90) days after the date of the Sewage Agency's written request, and shall promptly send to the Sewage Agency a certified copy of such ordinance, the method of payment provided for in Paragraph 9-14 of this Agreement shall become effective.

No change in the method of payment applicable to the Township and its water users shall be made except at the request of the Township, made by ordinance duly enacted, and with the approval of the Sewage Agency, formally given by ordinance or resolution.

16. If there exists any connection through which sewage or wastes emanating from any territory outside the corporate limits of the Township enters the Township's sewerage system and thence reaches the Sewage Agency's interceptor sewer, and if the municipality having jurisdiction over such territory does not execute an agreement with the Sewage Agency similar to this Agreement, the Township shall either promptly shut off or remove such connection or shall pay to the Sewage Agency, so long as such sewage continues to enter the Township's sewerage system, the estimated cost of collecting, transporting, treating and disposing of such sewage, such estimated cost to be approximately the same as if the water users within such territory were subject to the Sewage Agency's prevailing sewage service charges.

17. The Township shall annually provide in its budget for obtaining the funds necessary to meet its obligations under this Agreement. On or before October 1 of each year the Sewage Agency shall supply to the Township's governing body a written estimate of the total amount of delinquent accounts, or (if the optional method of payment is applicable to the Township) of the total aggregate amount of all sewage service charges, which the Township will probably be required to pay to the Sewage Agency during the ensuing fiscal year; plus, in either case, the estimated amount (if any) due under Paragraph 16 of this Agreement. The Township shall, by proper ordinance, promptly levy a special tax, or provide for obtaining revenues in any other lawful manner, or resort to any two or more methods of securing the funds required under this Agreement, in such manner as to assure that the Township shall obtain or collect during the ensuing fiscal year a sum which, together with any unused moneys remaining from previous years, will be at least 120% of such estimated amount to become due under this Agreement during such year. The revenues collected from such tax levy or from any other source so designated by the Township, or from any combination thereof which the Township may elect

to employ, shall be deposited to the credit of a special fund to be designated "Sewage Agency Fund," the moneys in which shall be used by the Township to meet its obligations under this Agreement and shall not be used for any other purpose whatever.

If the entire amount due the Sewage Agency under this Agreement for any year is not paid out of the current revenues of the Township for such year the balance thereof shall be paid out of the current revenues of succeeding years.

18. The Sewage Agency shall have the right to promulgate, issue, publish and enforce rules and regulations governing its activities and carrying into effect the provisions of this Agreement. Such rules and regulations may include provisions prohibiting or regulating the discharge into the Township's sewerage system of oils, acids and other substances which may be harmful to the Sewage Agency's sewers, pumping stations or other structures or which may interfere with the sewage treatment processes of the Sewage Agency's plant.

The Township may, in its own discretion and without let or hindrance from the Sewage Agency, permit the connection with any Township sewer that discharges into a Sewage Agency interceptor sewer of any and all premises used wholly as private dwellings, but no permit shall be issued by the Township for the connection with any such sewer of any premises used wholly or in part for commercial or industrial purposes unless the application for such permit shall first have been submitted to and been approved by the Sewage Agency.

The Township recognizes that the carrying out by the Sewage Agency of its obligations under this Agreement will enable the Township to perform the duty imposed upon it by law to provide for the proper treatment and disposal of its sewage, and the Township therefore agrees to exercise for the benefit of the Sewage Agency all rights and powers which it may possess to carry into effect the purposes and intent of this Agreement. The

Township accordingly agrees, on request of the Sewage Agency, to enact an ordinance incorporating all or designated portions of the Sewage Agency's rules and regulations and providing appropriate penalties for the violation thereof, to amend such ordinance from time to time as requested by the Sewage Agency, and to enforce the provisions thereof fully and prosecute all violators thereof diligently.

19. This Agreement shall become effective immediately, and shall remain in full force and effect, subject to the provisions of Paragraph 2 hereof, until the date of expiration of the legal existence of the Sewage Agency or until the expiration of one calendar year following the payment in full of all bonds, notes and other obligations of the Sewage Agency, original and refunding, issued by it to finance the construction, replacement, maintenance and operation of the Sewage Disposal System and additions thereto, whichever date shall be later.

IN WITNESS WHEREOF, City of Pittsburgh has caused this Agreement to be executed by its Mayor and Director of the Department of Public Works and its official seal to be hereunto impressed, pursuant to Ordinance No. _____, duly enacted and approved on the _____ day of _____, 1951; Allegheny County Sanitary Authority has caused this Agreement to be executed by its Chairman and its official seal to be hereunto impressed and attested by its Secretary, pursuant to a resolution duly adopted by its Board on the _____ day of _____, 1951; and Township of _____ has caused this Agreement to be executed by its Chairman of the Board of Township Supervisors and its official seal to be hereunto impressed and attested, pursuant to Ordinance No. _____, duly enacted and approved on the _____ day of _____, 1950.

No. 354

AN ORDINANCE — Authorizing the Mayor and the Director of the Department of Public Works to execute a long-term agreement with the Allegheny County Sanitary Authority and the American Cyanamid Company for

sewage and industrial waste treatment and disposal service by the Sewage Disposal System that will serve the City of Pittsburgh, and providing charges therefor.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Works are hereby authorized and directed to execute and deliver, for and in behalf of the City of Pittsburgh, an agreement with the Allegheny County Sanitary Authority and the American Cyanamid Company in form substantially as follows:

AGREEMENT

THIS AGREEMENT, dated for convenience of reference as of the first day of February, 1950, by and among

CITY OF PITTSBURGH

(hereinafter sometimes called the "City"), a municipal corporation of the Commonwealth of Pennsylvania located within the County of Allegheny,

ALLEGHENY COUNTY SANITARY AUTHORITY

(hereinafter sometimes called the "Sanitary Authority"), a body corporate and politic of the Commonwealth of Pennsylvania duly created and existing under the provisions of the Municipality Authorities Act of 1945, as amended, and

AMERICAN CYANAMID COMPANY

(hereinafter sometimes called the "Company"), a Main corporation, having its principal offices in New York City, New York,

WITNESSETH:

Whereas, The City and the Sanitary Authority have entered into an Agreement dated August 1, 1949, under which the Sanitary Authority is about to begin the preparation of detailed construction plans and specifications for a Sewage Disposal System to serve the City and numerous adjacent municipalities; and

Whereas, The Company has been ordered by the Sanitary Water Board of the Commonwealth of Pennsylvania, acting pursuant to authority conferred upon it by Act of the General Assembly of Pennsylvania approved June 22, 1937, P. L. 1987, as amended, to cease discharging into the streams of the Commonwealth the untreated sewage and wastes emanating from its plants in Allegheny County, Pennsylvania, and to provide adequate facilities for the proper treatment thereof; and

Whereas, At the request and at the expense of the Company, the Sanitary Authority made a study and submitted a report which concluded that the Company's sewage and wastes could be accepted for treatment and disposal by the projected Sewage Disposal System, subject to certain restrictions set forth in said report; and

Whereas, Numerous municipalities have executed long-term agreements for sewage treatment service from the projected Sewage Disposal System; and

Whereas, The added investment necessary to provide adequate facilities to accommodate the Company's sewage and wastes cannot be made unless the Company binds itself to take sewage treatment service exclusively from the projected Sewage Disposal System for the same long period of time as do the participating municipalities; and

Whereas, The Company deems it economical and otherwise advantageous to have the sewage and wastes of its plants treated and disposed of by the said Sewage Disposal System pursuant to the terms of this Agreement, rather than to build and operate suitable treatment and disposal facilities of its own.

Now, Therefore, In consideration of the premises and the undertakings of each party to the others, the parties hereto, each intending to legally bind itself, its successors and its assigns, covenant and agree as follows:

1. The standard form of long-term agreement by and among the City, the Sanitary Authority and each of the numerous other municipalities to be served by the projected Sewage Dis-

posal System (sometimes hereinafter referred to as the "Municipal Agreement"), consisting of 27 pages and a map marked Exhibit A, of which a copy has been submitted to the Company, is incorporated herein and made a part of this Agreement by reference thereto. Except to the extent that the same may be inconsistent herewith, all relevant provisions of said Municipal Agreement shall be binding upon the parties hereto, the Company hereby acquiring all the rights and becoming subject to all the obligations of the party referred to therein as the "Borough" or the "Township." The terms "Sewage Disposal System," "Sewage Agency" and "State Board" shall have the same meanings herein as those given them in the said Municipal Agreement.

2. The Company hereby designates, engages and appoints the Sewage Agency as the sole and exclusive instrumentality, during the entire life of this Agreement, to provide sewage and industrial waste collection, treatment and disposal service (subject to the provisions hereinafter contained) to the Company's present plants, buildings and other premises in Bridgeville Borough, Collier Township and South Fayette Township (all in Allegheny County, Pennsylvania), and to replacements thereof and extensions and additions thereto. The Company agrees that during such period it will not itself provide such treatment and disposal service, except for

- (a) the pre-treatment of such wastes as shall require pre-treatment.
- (b) the treatment and disposal of wastes and other materials which must be excluded from the Sewage Disposal System, and
- (c) such treatment and disposal of its wastes as the Company shall be required by the Sanitary Water Board of the Commonwealth of Pennsylvania (or by any other local, state or federal agency having jurisdiction) to provide despite this Agreement.

As used in this Agreement the term "wastes" shall mean industrial wastes

and shall include sewage.

This Agreement shall be binding upon all subsidiary corporations of the Company. The Company further agrees that if during the life of this Agreement it shall itself own or occupy—or shall form or acquire all or part of the stock of any other corporation, or shall purchase an interest in or acquire control of any unincorporated firm or association, which now owns or occupies or shall at any time during such period own or occupy—any plant, building or other premises located within the service area of the Sewage Disposal System, the Company will negotiate or will request such corporation, firm or association to negotiate with the Sewage Agency in an effort to arrive at a mutually satisfactory agreement for the collection, treatment and disposal by the Sewage Agency of the sewage and industrial wastes from such plant, building or premises.

3. In preparing the detailed plans and specifications for the Sewage Disposal System the Sanitary Authority will provide adequate capacity in the interceptor sewers and in the treatment and disposal plant to accommodate the present and foreseeable future quantities of sewage and acceptable industrial wastes of the Company's existing plants, buildings and other premises located within the service area of the projected Sewage Disposal System.

Subject to the provisions of Paragraphs 4 and 5 of this Agreement the Sewage Agency will, upon completion of the Sewage Disposal System and during the remainder of the term of this Agreement, accept into its interceptor sewers all the sewage and acceptable wastes of the Company's plants, buildings and other premises, present and future, described in Paragraph 2 hereof, transport such sewage and wastes to its treatment plant, and provide such treatment and disposal thereof as may be required by law; provided, however, that the Sewage Agency shall have the right to refuse to accept for treatment and disposal by the Sewage Disposal System the sewage or wastes of any future

plant, building or premises of the Company if in the judgment of the Sewage Agency the quantity of such sewage or wastes would overload its interceptor sewer. In such event, the Sewage Agency will, if the Company so desires, design, construct and operate a separate treatment and disposal system for such future plant, building or premises, provided that the entire cost thereof shall be borne by the Company.

4. For the collection, treatment and disposal service provided by the Sewage Agency after the Sewage Disposal System has been completed and put in operation, the Company covenants to pay promptly to the Sewage Agency the Sewage Agency's established sewage service charges. Such charges shall be based upon

- (a) either (i) the quantity of water from whatever source, used in or on the plants, buildings and premises of the Company (less quantity credits provided for in Paragraph 12 of the Municipal Agreement)

or, if the Company shall at its own expense install and properly maintain a device approved by the Sewage Agency for measuring and recording the quantity of sewage and industrial wastes discharged by the Company into the Sewage Agency's interceptor sewer,

- (ii) such quantity of sewage and industrial wastes, and

- (b) the character—as to suspended solids, biochemical oxygen demand, and other factors which increase the cost of sewage treatment at the Sewage Agency's plant—of the sewage and industrial wastes discharged into any sewer connected directly or indirectly with the Sewage Disposal System, in accordance with a uniform schedule of charges applicable throughout the service area of the Sewage Disposal System, and billed monthly, quarterly, semi-annually or annually, at the option of the

Sewage Agency.

It shall be the obligation of the Company to install and maintain in good operating condition meters or other measuring devices approved by the Sewage Agency for measuring the quantity of such water or wastes, and the Company shall permit the Sewage Agency or its designee to read such meters or other measuring devices periodically. If for any reason the Sewage Agency shall seek but be unable to obtain such quantity data for any billing period, it shall have the right to estimate the same and to use such estimated quantity in computing its charges.

In order to determine the character of the industrial wastes discharged into the Sewage Disposal System, for the purpose of computing its charges and also for the purpose of excluding unacceptable wastes and materials, the Sewage Agency shall have the right to inspect the Company's plants, buildings and premises, and to take samples of the sewage and wastes discharged therefrom.

The Company shall not be required to pay any charges whatever during the planning and construction of the Sewage Disposal System and until the same shall have been completed and put in operation.

5. The Sewage Agency shall have the right to designate a list of unacceptable wastes (e. g., specified oils, acids, toxic wastes, etc.), which in its opinion may be harmful to its sewers, pumping stations or other structures or may interfere with the sewage treatment processes at its plant, and to change such list from time to time. The Company shall receive due notice of such unacceptable wastes. The Company agrees to so operate its plants, buildings and premises, and to provide and properly operate such pretreatment or other facilities to be specified and approved by the Sanitary Authority or by the Sewage Agency, subject to the approval of the State Board, as will assure the exclusion of all such unacceptable wastes from all sewers connected directly or indirectly with the Sewage Disposal

System. The Sanitary Authority and the Sewage Agency, will, during the planning and construction of the Sewage Disposal System, advise and consult with the Company, to the end that the Company may take timely steps to provide the required pre-treatment or other facilities.

6. The Sewage Agency's interceptor sewers will be constructed approximately where shown on the map marked Exhibit A attached to the Municipal Agreement. Provisions will be made, in the plans and specifications to be prepared by the Sanitary Authority, for only one point of connection between its interceptor sewer and a single outfall sewer from which all of the sewage and wastes of the Company's existing plants, buildings and premises shall be discharged. Such point of connection shall be on the east bank of Chartiers Creek at a point where the present 18-inch municipal outfall sewer of the Borough of Bridgeville discharges into Chartiers Creek, approximately 160 feet downstream from the Pittsburgh & West Virginia Railway Company bridge, and it shall be the obligation of the Company to construct and maintain the necessary collecting sewers leading thereto; to exclude therefrom all surface and storm water drainage; and to extend its outfall sewer under Chartiers Creek to the east bank thereof, where connection of such outfall sewer with the Sanitary Authority's interceptor sewer will be made by the Sanitary Authority without cost to the Company. All outfall sewers of the Company constructed after the completion of the Sewage Disposal System shall be brought by the Company to points designated by the Sewage Agency, where connections will be made by the Sewage Agency at the expense of the Company.

7. This Agreement shall become effective immediately, and shall remain in full force and effect, subject to the provisions of Paragraphs 2 and 3 of the Municipal Agreement, until the date of expiration of the legal existence of the Sewage Agency or until the expiration of one calendar year following the payment in full of all bonds, notes

and other obligations of the Sewage Agency, original and refunding, issued by it to finance the construction, replacement, maintenance and operation of the Sewage Disposal System and additions thereto, whichever date shall be later.

In Witness Whereof, City of Pittsburgh has caused this Agreement to be executed by its Mayor and Director of the Department of Public Works and its official seal to be hereunto impressed, pursuant to Ordinance No. _____, duly enacted and approved on the _____ day of _____, 1951; Allegheny County Sanitary Authority has caused this Agreement to be executed by its Chairman and its official seal to be hereunto impressed and attested by its Secretary, pursuant to a resolution duly adopted by its Board on the _____ day of _____, 1951; and American Cyanamid Company has caused this Agreement to be executed by its President or Vice President, attested by its Secretary or Assistant Secretary, and its corporate seal to be hereunto impressed, pursuant to a resolution duly adopted by its Board of Directors at a meeting held on the _____ day of _____, 1951.

1. The standard form of long-term agreement by and among the City, the Sanitary Authority and each of the numerous other municipalities to be served by the projected Sewage Disposal System (sometimes hereinafter referred to as the "Municipal Agreement"), consisting of 27 pages and a

map marked Exhibit A, of which a copy has been submitted to the Company, is incorporated herein and made a part of this Agreement by reference thereto. Except as otherwise provided herein, all relevant provisions of said Municipal Agreement shall be binding upon the parties hereto, the Company hereby acquiring all the rights and becoming subject to all the obligations of the party referred to therein as the "Borough" or the "Township." The terms "Sewage Disposal System," "Sewage Agency" and "State Board" shall have the same meanings herein as those given them in the said Municipal Agreement.

2. The Company hereby designates, engages and appoints the Sewage Agency as the sole and exclusive agency, during the entire life of this Agreement, to provide sewage collection, treatment and disposal service (subject to the provisions hereinafter contained) to the plants, buildings and other premises owned or occupied by the Company at the present time which are located within the service area of the Sewage Disposal System, and to the Company's future plants and buildings on the same premises or on premises adjacent thereto and to such adjacent premises (all of which are hereinafter referred to as "the plants, buildings and premises covered by this Agreement"). The Company agrees that during such period it will not itself provide such treatment and disposal service, except for the pre-treatment of such wastes as shall require pre-treatment and except for the treatment and disposal of wastes and other materials which must be excluded from the Sewage Disposal System.

This Agreement shall be binding upon all subsidiary corporations of the Company. The Company further agrees that if it shall form, or acquire all or part of the stock of, any other corporation, or shall purchase an interest in or acquire control of any unincorporated firm or association, which shall at any time during the life of this Agreement own or occupy the plants, buildings or other premises covered by this Agreement, the Com-

pany will request such corporation, firm or association to execute a sewage treatment and disposal agreement identical, mutatis mutandis, with the present Agreement, and will vote its corporate shares or other interest in favor of the execution of such agreement.

3. In preparing the detailed plans and specifications for the Sewage Disposal System the Sanitary Authority will provide adequate capacity in the interceptor sewers and in the treatment and disposal plant to accommodate the present and foreseeable future quantities of sewage and acceptable industrial wastes of the Company's plants, buildings and other premises covered by this Agreement.

Subject to the provisions of Paragraphs 4 and 5 of this Agreement the Sewage Agency will, upon completion of the Sewage Disposal System and during the remainder of the term of this Agreement, accept into its interceptor sewers all the sewage and acceptable wastes of the Company's plants, buildings and premises covered by this Agreement, transport such sewage and wastes to its treatment plant, and provide such treatment and disposal thereof as may be required by law; provided, however, that the Sewage Agency shall have the right to refuse to accept for treatment and disposal by the Sewage Disposal System the sewage or wastes of any future plant, building or premises of the Company if in the judgment of the Sewage Agency the quantity of such sewage or wastes would overload its interceptor sewer. The Sanitary Authority and the Sewage Agency will, during the planning and construction of the Sewage Disposal System, advise and consult with the Company, to the end that the Company may take timely steps to provide the required pre-treatment or other facilities.

6. The Sewage Agency's Interceptor sewers will be constructed approximately where shown on the map marked Exhibit A attached to the Municipal Agreement. In accordance with the policy set forth in Paragraph 7 of the Municipal Agreement, it shall be the obligation of the Company to bring its sewage and wastes to suitable points of connection therewith. Provision will be made, in the plans and specifications to be prepared by the Sanitary Authority, for only a limited number of connections with the existing sewerage systems of the Company's several plants. As soon as such points of connection are determined, the Sanitary Authority will notify the Company, and it shall be the obligation of the Company to construct the necessary collecting sewers to bring all its sewage and wastes to such points, where connections with the Sewage Agency's interceptor sewers will be made without cost to the Company. All outfall sewers of the Company constructed after the completion of the Sewage Disposal System shall be brought by the Company to points designated by the Sewage Agency, where connections will be made by the Sewage Agency at the expense of the Company.

7. This Agreement shall become ef-

fective immediately, and shall remain in full force and effect, subject to the provisions of Paragraphs 2 and 3 of the Municipal Agreement, until the date of expiration of the legal existence of the Sewage Agency or until the expiration of one calendar year following the payment in full of all bonds, notes and other obligations of the Sewage Agency, original and refunding, issued by it to finance the construction, replacement, maintenance and operation of the Sewage Disposal System and additions thereto, whichever date shall be later.

No. 363

AN ORDINANCE—Granting unto the Ertl Baking Company, its successors or assigns, the right to construct, maintain and use, at its own cost and expense, a side track in River avenue, in the Twenty-second Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Ertl Baking Company, its successors or assigns, is hereby given the right and authority to construct, maintain and use, at its own cost and expense, a side track in River avenue in the Twenty-second Ward, Pittsburgh, Pennsylvania, for the purpose of conveying materials to and from its properties situated on the northerly side of River avenue. The center line of the proposed track shall be located as follows:

Beginning at a point on the southerly line of River avenue, distant 247 feet north 73° 33' 22" east from the easterly line of Federal street; thence north 41° 00' 22" east a distance of 28 feet to a point; thence continuing in a northeasterly direction by a curve to the right with a radius of 166.28 feet and a distance of 48 feet to a point on the northerly line of River avenue, the end.

The said track shall be constructed in accordance with the Plan identified as Accession No. B-688, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of construction of said side track, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing location, paving, sewerage, and all details for the construction of said side track and the said plan and construction of the side track shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which may hereafter be passed relating to the construction, maintenance and use of side tracks on City streets and compensation for same.

Section 4. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said side track upon giving a six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the Ertl Baking Company, its successors or assigns, to that effect, and the said Grantee shall, when so notified, at the expiration of the said six (6) months forthwith remove, at its own cost and expense, the said side track and replace the street to a condition as required by the said Director or as herein further stipulated.

Section 5. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons, or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of said side track, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The said Grantee shall bear the full cost and expense of the repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed on account of the construction, maintenance and use of said side track.

Should the said track be abandoned or its use discontinued, the Grantee shall bear the full cost and expense of the repair and repaving of the same area of River avenue that was required to be paved by the said Grantee, and of the repair of any sub-

structures thereunder as directed by said Director.

Section 7. The said Grantee, at its own cost and expense, shall furnish, install and maintain all warning signals ordered by the Pennsylvania Public Utility Commission.

Section 8. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said Ertl Baking Company, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by Ertl Baking Company, its successors or assigns.

Section 9. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 393

AN ORDINANCE—Granting unto the Miller Printing Machinery Company, its successors or assigns, the right to construct, maintain and use, at its own cost and expense, a side track extension in Shore avenue, in the Twenty-first Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Miller Printing Machinery Company, its successors or assigns, is hereby given the right and authority to construct, maintain and use, at its own cost and expense, a side track extension in Shore avenue in the Twenty-first Ward, Pittsburgh,

Pennsylvania, for the purpose of conveying materials to and from its properties situated on the northerly side of Shore avenue. The side track extension shall be located as follows:

Beginning at the end of the present siding distant approximately 170 feet eastwardly from the easterly line of Sproat way; thence eastwardly and parallel to and at a distance of 8 feet from the northerly line of Shore avenue, a distance of 215 feet, the end.

The said track extension shall be constructed in accordance with the plan identified as Accession No. B-689 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of construction of said side track extension, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing location, paving, sewerage, and all details for the construction of said side track extension and the said plan and construction of the side track extension shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which may hereafter be passed relating to the construction, maintenance and use of side track extensions on City streets and compensation for same.

Section 4. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said side track extension upon giving a six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the Miller Printing Machinery Company, its successors or assigns, to that effect, and the said Grantee shall, when so notified, at the expiration of

the said six (6) months forthwith remove, at its own cost and expense, the said side track extension and replace the street to a condition as required by the said Director or as herein further stipulated.

Section 5. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons, or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of said side track extension, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The said Grantee shall bear the full cost and expense of the repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed on account of the construction, maintenance and use of said side track extension.

In the event that Shore avenue is paved, the said Grantee shall, at its own cost and expense, pave with a type of pavement approved by the Director of the Department of Public Works, an area extending 5 feet in each direction from the center line of said track extension for that portion of the track contained within Shore avenue for the courses and distances described above. After this area has been paved the said Grantee shall maintain the pavement in a manner appropriate to the adjoining street pavement and as required by the said Director.

Should the said track extension be abandoned or its use discontinued, the Grantee shall bear the full cost and expense of the repair and repaving of the same area of Shore avenue that was required to be paved by the said Grantee, and of the repair of any sub-structures thereunder as directed by said Director.

Section 7. The said Grantee, at its own cost and expense, shall furnish, install and maintain all warning signals ordered by the Pennsylvania Public Utility Commission.

Section 8. The foregoing rights and privileges are granted subject to the

following conditions, to wit: This Ordinance shall become null and void unless within sixty (60) days after its passage and approval, the Miller Printing Machinery Company, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions hereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 9. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

line of Liberty avenue distant 24.86 feet S. 50° 44' W. along said line from the westerly line of 12th street; thence S. 15° 54' 13.92" E., a distance of 2.905 feet; thence S. 50° 44' W. a distance of 233.198 feet; thence N. 39° 16' W. a distance of 0.667 feet; thence S. 50° 44' W. a distance of 31.650 feet; thence N. 39° 16' W. a distance of 2.00 feet; thence N. 50° 44' E. along the northerly line of Liberty avenue a distance of 266.00 feet to the point of beginning.

The concrete abutment footing is to rest on steel piles and from the point of beginning to a point 70.499 feet W. shall have a top elevation of 735.00 feet and a bottom elevation of 730.00 feet; for the next 163.851 feet, a top elevation of 736.00 feet and a bottom elevation of 731.00 feet for the remaining 31.65 feet, a top elevation of 736.00 feet and a bottom elevation of 733.00 feet.

SOUTH ABUTMENT FOOTING ENCROACHMENT

Beginning at a point on the southerly line of Liberty avenue distant 113.14 feet N. 50° 44' E. along said line of Liberty avenue from a point directly opposite the intersection of the West line of 12th street and the northerly line of Liberty avenue; thence S. 50° 44' W. a distance of 349.00 feet along the southerly line of Liberty avenue; thence N. 39° 16' W., a distance of 2.667 feet; thence N. 50° 44' E., a distance of 334.251 feet; thence N. 60° 58' 54.75" E., a distance of 14.988 feet to the point of beginning.

The concrete abutment footing is to rest on steel piles and from the point of beginning to a point 208.499 feet west shall have a top elevation of 735.00 feet and a bottom elevation of 730.00 feet for the next 111.501 feet, a top elevation of 736.00 feet and a bottom elevation of 731.00 feet for the remaining 29.0 feet a top elevation of 736.00 feet and a bottom elevation of 733.00 feet.

All elevations referred to are U. S. Datum Elevations.

The described abutment footings shall be constructed to the provisions of this

Ordinance and in accordance with the Plans, identified as Accession No. B-690 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Pennsylvania Railroad Company, its successors or assigns, prior to the beginning of the construction of said abutment footings shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the locations for the construction of said abutment footings, said plan and the construction of said abutment footings shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and sub-ordinate to the rights of the City of Pittsburgh and its power over City streets and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks above affected by this improvement, or the repair of any structure which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said abutment footings; all of said work, including repairs of streets or sidewalks, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh without liability, reserves the right to cause the removal of the said abutment footings upon giving to the said Pennsylvania Railroad Company, its successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council; and the said Pennsylvania Railroad Company, its successors or assigns, when so notified, shall at or

before the expiration of the said six (6) months, remove the said abutment footings and restore the streets to proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Pennsylvania Railroad Company, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance and use of said abutment footings and it is a condition of this grant that the City of Pittsburgh assumes no liability to either person or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Pennsylvania Railroad Company, its successors or assigns, shall file with the proper officers of the City, its certificate of acceptance to be executed by the said Pennsylvania Railroad Company, its successors or assigns.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 413

AN ORDINANCE—Granting unto the Mellon National Bank and Trust Company, its successors or assigns, the right, privilege and authority to construct, maintain and use a pneumatic tube system encased in a 12-inch concrete pipe or steel cylinder in and across Shakespeare street and Center avenue in the Seventh Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mellon National Bank and Trust Company, its successors or assigns, is hereby given the right, privilege and authority to construct, maintain and use, at its own cost and expense, a pneumatic tube system encased in a 12-inch concrete pipe or steel cylinder in and across Shakespeare street and Center avenue in the Seventh Ward, Pittsburgh, Pennsylvania.

The center line of the pneumatic tube system to be constructed by virtue of this Ordinance shall be bound and described as follows:

Beginning at a point on the westerly line of Shakespeare street distant 44.53 feet eastwardly from the southerly line of Center avenue; thence northwardly at an angle of 57° with Shakespeare street, a distance of 95.0 feet across Shakespeare street and Center avenue to a point on the northerly line of Center avenue, distant 94.56 feet westwardly from the first angle in Center avenue south of Penn avenue.

The pneumatic tube system shall consist of two 4"x6" pneumatic tubes encased in a 12-inch concrete pipe or steel cylinder, with the top of the pipe or cylinder a minimum of 20 inches below the present curb grade.

The said pneumatic tube system shall be constructed to the provisions of this Ordinance and in accordance with the Plan identified as Accession No. B-691, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of the pneumatic tube system shall submit to the Director of the Department of Public Works of the City of Pittsburgh a complete set of plans in triplicate showing the location of said pneumatic tube system. Said plans and the construction of the said pneumatic tube system shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City

of Pittsburgh and its power over City streets, and to the Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinance which may hereafter be passed relating to the same.

Section 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the street pavement and sidewalk damaged, and the repair of sewers and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said pneumatic tube system. All of said work, including repairs of street and sidewalk, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said pneumatic tube system upon giving to the said Grantee, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or Ordinance of Council; and the said Grantee, its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said pneumatic tube system and restore the street and sidewalk to their proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Grantee, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures thereon, caused by or arising out of the construction, maintenance and use of said pneumatic tube system, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within

thirty (30) days after its enactment by Council and approval by the Mayor, the said Grantee shall file with the proper officers of the City, its certificate of acceptance to be executed by the said Grantee.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 414

AN ORDINANCE—Granting unto the Trustees of the Second Presbyterian Congregation of Pittsburgh, their successors or assigns, the right and privilege to construct, maintain and use an illuminated sign with pole standard in the easterly sidewalk area of Eighth street and the northerly sidewalk area of Penn avenue in the Second Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Trustees of the Second Presbyterian Congregation of Pittsburgh, their successors or assigns, are hereby given the right and privilege to construct, maintain and use, at their own cost and expense, an illuminated sign with pole standard in the easterly sidewalk area of Eighth street and the northerly sidewalk area of Penn avenue in the Second Ward, Pittsburgh, Pennsylvania.

The illuminated sign to be constructed by virtue of this Ordinance shall be attached to an 8" O. D. steel pole supported by a concrete base 2.5 feet square and 4.0 feet deep with the top of the base flush with the sidewalk elevation, and the center to be located in the easterly sidewalk area of Eighth street, distant 7.08 feet westwardly from the easterly line of Eighth street, and 1.25 feet northwardly from

the northerly line of Penn avenue, produced. The base of the illuminated sign shall be 14.0 feet above sidewalk grade; the sign shall be of plastic construction, and be erected in accordance with the plan identified as Accession No. B-866 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantees, prior to the beginning of the construction of said illuminated sign, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of said illuminated sign and sidewalk replacement. Said plans and construction of said illuminated sign shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of illuminated signs on City streets and compensation for same.

Section 4. The said Grantees shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and subsurface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said illuminated sign. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the said Director may order and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said illuminated sign upon giving to the said Grantees at least six (6) months' written notice through the

proper officers, pursuant to a resolution or ordinance of Council, to the said Trustees of the Second Presbyterian Congregation of Pittsburgh, their successors or assigns, to that effect, and that the said Grantees shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said illuminated sign and replace the sidewalk to its original condition, at their own cost and expense.

Section 6. The said Grantees shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said illuminated sign, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said Trustees of the Second Presbyterian Congregation of Pittsburgh, their successors or assigns, shall file with the City Controller, their certificate of acceptance of the provisions thereof, said certificate to be executed by Trustees of the Second Presbyterian Congregation of Pittsburgh, their successors or assigns.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Granting unto the Joseph Horne Company of Pittsburgh, the right to construct, maintain and use a double deck reinforced concrete and structural steel pedestrian bridge over and across Cecil way, from the Joseph Horne Department Store on the westerly side of Cecil way to the Horne Annex Building on the easterly side of Cecil way, in the Second Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Joseph Horne Company of Pittsburgh, its successors or assigns, is hereby given the right and privilege to construct, maintain, and use, at its own cost and expense, a double deck reinforced concrete and structural steel pedestrian bridge over and across Cecil way, from the Joseph Horne Department Store on the westerly side of Cecil way to the Horne Annex Building on the easterly side of Cecil way in the Second Ward, Pittsburgh, Pennsylvania.

The said double deck bridge shall be constructed in accordance with the Plan identified as Accession No. B-687 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

The center line of the double deck bridge to be constructed by virtue of

this Ordinance shall be bounded and described as follows:

Beginning on the westerly line of Cecil way at a point distant 190 feet northwardly along the westerly line of Cecil way from the northerly line of Penn avenue; thence deflecting to the right at an angle of 72°, a distance of 21 feet northeastwardly to a point on the easterly line of Cecil way, the end. The said bridge shall have a minimum clearance of 14 feet above Cecil way, clear length of span 21 feet, and a width of 14 feet.

The said double deck bridge shall be constructed directly beneath an existing pedestrian bridge, the floor of which will form the roof of the proposed bridge, the total depth of said double deck bridge to be 26.5 feet.

Section 2. The said Grantee shall obtain a building construction permit, at its own cost and expense, from the Bureau of Building Inspection, Department of Public Safety, for the attachment of the said bridge to the building.

Section 3. The said Grantee, prior to the beginning of construction of said double deck bridge, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing location and all details of the construction of said double deck bridge, and no work shall be commenced thereon until said plans have been approved by the Director of the Department of Public Works, who shall have the right at all times to inspect and supervise the said construction, operation and maintenance.

Section 4. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of double deck bridge over City streets and which may provide for compensation for the use thereof.

Section 5. The said Grantee shall

bear the full cost and expense for the repaving and repair of the streets and sidewalks affected by this improvement, or the repair of any structure or property which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said double deck bridge; all of said work, including repairs of street or sidewalk, shall be done in a manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 6. The said Grantee shall be responsible for and shall assume any liability whatsoever, either of the said Grantees or of the City of Pittsburgh, for damages to persons or property by reason of the construction, maintenance and use of said double deck bridge, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh without liability reserves the right to cause the removal of said double deck bridge upon giving six (6) months' notice thereof through the proper officers of the City pursuant to a resolution or ordinance of Council, and that the said Grantee, when so notified, shall at the expiration of the said six (6) months forthwith remove the said double deck bridge and restore the said street and sidewalks to a safe and proper condition. And, further, that no sign or display shall be placed or maintained on such structure.

Section 8. The foregoing rights and privileges are granted subject to all the foregoing conditions and to the further condition that this ordinance shall become null and void unless within thirty (30) days after the passage and approval of this ordinance the said Grantee shall file with the City Controller its certificate of acceptance duly executed by the said Grantee, and shall pay to the City Treasurer a permit fee of \$1,000.00.

AN ORDINANCE—Accepting the dedication of Lang Court as shown on the "James Plan of Lots" in the Fourteenth Ward of the City of Pittsburgh, laid out by Linden Housing Corporation, for public highway purposes, opening and naming the same, establishing the grade thereof and accepting the grading, paving, curbing and sewerage on the same.

Whereas, Linden Housing Corporation, the owners of certain property in the Fourteenth Ward of the City of Pittsburgh, laid out in the "James Plan of Lots," of record in the Recorder's Office of Allegheny County in Plan Book Volume 46, page 90, has located a certain street thereon and executed a deed of dedication upon said plan for all ground covered by the said street to the City of Pittsburgh for public highway purposes and has released the said City from any liability for damages occasioned by the physical grading of said public highway to the grade to be established.

Whereas: Said Linden Housing Corporation has graded, paved, curbed and sewerage the said Lang Court at its own cost and expense, and

Whereas, It is desired that the City of Pittsburgh accept said improvements as part of the City's system of improved highways, and therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the dedication of Lang Court as shown and dedicated on the "James Plan of Lots" in the Fourteenth Ward of the City of Pittsburgh by Linden Housing Corporation, July, 1950, shall be and the same is hereby accepted.

Section 2. Lang Court, as aforesaid dedicated to said City for public highway purposes, shall be and the same is hereby opened as a public highway and is hereby named "Lang Court."

Section 3. The grade of Lang Court shall be and the same is hereby es-

tablished to conform to the street as now improved as hereinafter described along the center line thereof, to-wit:

Beginning on the westerly 10 foot line of South Lang avenue at an elevation of 983.14 feet; thence rising at the rate of 2.0% for a distance of 75.0 feet to a point of curve to an elevation of 984.64 feet; thence by a convex parabolic curve for a distance of 40.0 feet to a point of tangent to an elevation of 984.84 feet; thence falling at the rate of 1.0% for a distance of 191.36 feet to the southerly terminus of the roadway to an elevation of 982.93 feet.

Section 4. The grading, paving, curbing and sewerage of Lang Court shall be and the same are hereby accepted and declared to be public improvements of the City of Pittsburgh.

Section 5. The Department of Public Works is hereby authorized and directed to enter upon, take possession of and appropriate said Lang Court for a public highway in conformity with the provisions of this Ordinance.

Section 6. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

A^N ORDINANCE—Granting unto the Rosenbaum Company, its successors or assigns, the right and privilege to construct, maintain and use a vault for electrical purposes in the southerly sidewalk area of Penn avenue, in the Second Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Rosenbaum Company, its successors or assigns, is hereby given the right, privilege and authority to construct, maintain and use, at its own cost and expense, a vault for electrical purposes, in the southerly sidewalk area of Penn avenue, adjoining its property in the Second Ward, Pittsburgh, Pennsylvania.

The vault to be constructed by virtue of this Ordinance is to have its

top at sidewalk grade, the bottom not more than 16.75 feet below curb grade, and is to occupy a portion of the southerly sidewalk area of Penn avenue, bounded and described as follows:

Beginning at a point on the southerly line of Penn avenue, distant 59.22 feet westwardly from the westerly line of Sixth street; thence extending westwardly along the southerly line of Penn avenue, a distance of 18.17 feet and projecting into the southerly sidewalk area 10.75 feet.

The said vault, with galvanized steel sidewalk gratings, shall be constructed to the provisions of this Ordinance and in accordance with the Plan identified as Accession No. B-693, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of the said vault, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of said vault, said plans and the construction of the vault shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the right of the City of Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of a vault on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said vault. All work, including the repaving and repairing of any portion of the street damaged, shall be

done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said vault upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said Rosenbaum Company, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said vault and replace the street to its original condition, at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said vault, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless with thirty (30) days after its passage and approval, the said Rosenbaum Company, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by the Rosenbaum Company, its successors or assigns, and shall pay to the City Treasurer a permit fee of \$100.00 and an annual inspection fee of \$.01 per cubic foot.

No. 522

AN ORDINANCE—Granting unto the Mellon National Bank and Trust Company, its successors or assigns, the right, privilege and authority to construct, maintain and use a pneumatic tube system encased in 20" O.D. steel pipe in and across William Penn place in the Second Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mellon National Bank and Trust Company, its successors or assigns, is hereby given the right, privilege and authority to construct, maintain and use, at its own cost and expense, a pneumatic tube system encased in a 20" O.D. steel pipe in and across William Penn place, in the Second Ward, Pittsburgh, Pennsylvania.

The center line of the pneumatic tube system to be constructed by virtue of this Ordinance shall be bounded and described as follows:

Beginning at a point on the westerly line of William Penn place distant 80.25 feet from the northerly line of Fifth avenue; thence eastwardly at an angle of 90°, a distance of 50.06 feet to a point on the easterly line of William Penn place, the end.

The pneumatic tube system shall consist of two 4" x 7" and two 3" x 12" pneumatic tubes encased in a 20" O.D. steel pipe, with the top of the pipe encasement a minimum of 2.92 feet below the present curb grade.

The said pneumatic tube system shall be constructed to the provisions of this Ordinance and in accordance with the Plan identified as Accession No. B-694, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of the pneumatic tube system, shall submit to the Director of the Department of Public Works of the City of Pitts-

burgh a complete set of plans in triplicate showing the location of said pneumatic tube system. Said plans and the construction of the said pneumatic tube system shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinance which may hereafter be passed relating to the same.

Section 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the street pavement and sidewalk damaged, and the repair of sewers and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said pneumatic tube system. All of said work, including repairs of street and sidewalk, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said pneumatic tube system upon giving to the said Grantee at least six (6) months' written notice from the proper officers of the City pursuant to a Resolution or Ordinance of Council; and the said Grantee, its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said pneumatic tube system, and restore the street and sidewalk to their proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Grantee, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-

surface structures thereon, caused by or arising out of the construction, maintenance and use of said pneumatic tube system, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Grantee shall file with the proper officers of the City its certificate of acceptance to be executed by the said Grantee.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Authorizing the taking, using, appropriating and condemning by the City of Pittsburgh of certain property of Harry G. Huber and Margaret K. Huber, his wife, in the Eleventh Ward of the City of Pittsburgh for public purposes, and authorizing the Director of the Department of Public Works of the City of Pittsburgh to take the necessary proceedings therefor.

Whereas, The City of Pittsburgh deems it proper and expedient to exercise the power of eminent domain vested in the said corporation for the acquisition by it of the real estate hereinafter mentioned and described to be used for public purposes; Now, Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That certain property of Harry G. Huber and Margaret K. Huber,

his wife, in the Eleventh Ward of the City of Pittsburgh, as hereinafter described, shall be and the same is hereby taken, appropriated and condemned by the City of Pittsburgh for public purposes, the property to be so acquired being bounded and described as follows, to-wit:

Beginning on the northerly line of Chianti street at the intersection of the easterly line of D. C. Negley's Plan of record in the Recorder's Office of Allegheny County in Plan Book Volume 7, Page 65; thence extending eastwardly 238.4 feet along the northerly line of Chianti street to other property of the City of Pittsburgh; thence northwardly along the said other property of the City of Pittsburgh 176.7 feet to an angle in the same; thence westwardly, along the said other property of the City of Pittsburgh, and along other property of Harry G. Huber and Margaret K. Huber, his wife, 238.4 feet to the easterly line of the above mentioned D. C. Negley's Plan; thence southwardly along the easterly line of the said Plan 176.7 feet to the place of beginning.

The City of Pittsburgh does hereby elect and resolve to take, use, appropriate and condemn said real estate and property for the purposes aforesaid, the damages therefor not having been agreed upon between the said City and the said owners.

Section 2. The Director of the Department of Public Works of the City of Pittsburgh is hereby authorized and directed to proceed in the name and on behalf of said City, and for the use of the same to have taken, appropriated and condemned for public purposes in the manner prescribed by law, all the above described real estate and property situate in the Eleventh Ward of the City of Pittsburgh, belonging to Harry G. Huber and Margaret K. Huber, his wife.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Accepting the dedication of Scherling street as shown on the "Scherling Acres Plan of Lots" in the Twenty-sixth Ward of the City of Pittsburgh, laid out by Joseph and Mary Scherling, for public highway purposes, opening and naming the same, establishing the grade thereof and accepting the grading, paving, curbing and sewerage of the same.

Whereas, Joseph and Mary Scherling, the owners of certain property in the Twenty-sixth Ward of the City of Pittsburgh, laid out in the "Scherling Acres Plans of Lots" of record in the Recorder's Office of Allegheny County in Plan Book Volume 44, Page 58, have located a certain street thereon and executed a deed of dedication upon said Plan for all ground covered by the said street to the City of Pittsburgh for public highway purposes and have released the said City from any liability for damages occasioned by the physical grading of said public highway to the grade to be established; and

Whereas, Said Joseph and Mary Scherling have graded, paved, curbed and sewered the said Scherling street at their own cost and expense; and

Whereas, It is desired that the City of Pittsburgh accept said street and improvements as part of the City's system of improved highways; Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the dedication of Scherling street as shown and dedicated on the "Scherling Acres Plan of Lots" in the Twenty-sixth Ward of the City of Pittsburgh by Joseph and Mary Scherling in January 1949, shall be and the same is hereby accepted.

Section 2. Scherling street, as aforesaid dedicated to said City for public highway purposes, shall be and the same is hereby opened as a public highway and is hereby named "Scherling street."

Section 3. The grade of Scherling street shall be and the same is hereby established to conform to the street as now improved as hereinafter described along the center line thereof, to-wit:

Beginning at the northerly line of the present paved roadway of Ivory avenue at an elevation of 1236.70 feet; thence rising by a concave parabolic curve for a distance of 40 feet to a point of tangent to an elevation of 1238.37 feet; thence rising at the rate of 9.50% for a distance of 71.83 feet to a point of curve to an elevation of 1245.19 feet; thence by a convex parabolic curve for a distance of 200 feet to a point of tangent to an elevation of 1257.63 feet; thence rising at the rate of 2.94% for a distance of 230.00 feet to the northerly line of the Plan at the dividing line between the City of Pittsburgh and Ross Township to an elevation of 1264.39 feet.

Section 4. The grading, paving, curbing and sewerage of Scherling street shall be and the same are hereby accepted and declared to be public improvements of the City of Pittsburgh.

Section 5. The Department of Public Works is hereby authorized and directed to enter upon, take possession of and appropriate said Scherling street for a public highway in conformity with the provisions of this Ordinance.

Section 6. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 528

AN ORDINANCE—Granting unto the Pittsburgh Railways Company its successors, lessees and assigns the right to enter upon, use and occupy the South Approach of the Manchester Bridge and the North Approach of the Point Bridge in the City of Pittsburgh, subject to the terms and conditions herein provided.

Whereas, Pittsburgh Railways Company has been operating said railway facilities on Fancourt street in the City of Pittsburgh between Duquesne way and Penn avenue, pursuant to an appropriate ordinance of the City of Pittsburgh, and

Whereas, By the Cooperation Agreement entered into by and between the City of Pittsburgh and the Urban Re-

development Authority of Pittsburgh, dated March 15, 1950, the City of Pittsburgh has agreed, inter alia, to vacate the said Fancourt street, and

Whereas, The aforementioned vacation of Fancourt street by the City of Pittsburgh will require the removal of existing street railway facilities therefrom and make it impossible for the said car line known as Route 20 to be operated around the existing loop via Barbeau street, Liberty avenue, Fancourt street and Duquesne way, and

Whereas, In order to maintain adequate street railway service, it will be necessary to provide an alternate loop for said street car line, by making a double track connection from the South Approach to the Manchester Bridge to the North Approach to the Point Bridge, as more specifically described herein;

Now, Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Pittsburgh Railways Company, its successors, lessees and assigns shall have the right, and it is hereby authorized to, enter upon, use and occupy for street railway purposes, a portion of the South Approach to Manchester Bridge and a portion of the North Approach to Point Bridge more particularly described as follows:

"Beginning at a point in the southbound track on the South Approach to the Manchester Bridge situated two hundred twenty-six (226) feet, more or less, north of the intersection of the north curb line of the Point Bridge with the west curb line of the Manchester Bridge; thence by tangent, circular curve and tangent southeastwardly, a distance of three hundred thirty (330) feet, more or less, to a point of connection with the eastbound track on the North Approach to the Point Bridge, situated seventy-eight (78) feet, more or less, east of the intersection of the south curb line of the Point Bridge with the south curb line of the North Approach to the Point Bridge.

Beginning at a point in the west-

bound track on the North Approach to the Point Bridge situated seventy-one (71) feet, more or less, east of the intersection of the south curb line of the Point Bridge with the south curb line of the North Approach to the Point Bridge; thence by tangent, circular curve and tangent northwestwardly, a distance of two hundred ninety-nine (299) feet, more or less, to a point of connection with the northbound track on the South Approach to the Manchester Bridge, situated two hundred twenty-six (226) feet, more or less, north of the intersection of the north curb line of the Point Bridge with the west curb line of the Manchester Bridge."

And to construct, maintain, operate and use a double street railway track on the Bridge Approaches hereinbefore mentioned, and to operate its cars thereon, and to use electricity as a motive power, and to erect, maintain and use on the Bridge Approaches hereinbefore mentioned, such posts, poles and other supports as said Company may deem convenient for the support and maintenance of its overhead system and for the operation of its railway, subject, however, to the provisions of an Ordinance approved February 25, 1890, entitled, "A General Ordinance relating to the entry upon, over or under, or the use or occupation of any street, lane or alley, or any part thereof, for any purpose by passenger or street railway companies, or by companies operating passenger or street railways, and providing reasonable regulations pertaining thereto for the public convenience and safety;"

Section 2. This Ordinance shall be accepted by the Pittsburgh Railways Company within sixty (60) days after its passage and approval by a certificate of acceptance of all the conditions and provisions hereof, the said certificate to be executed under the corporate seal of the Company by the President or Vice President and attested by the Secretary or Assistant Secretary thereof, and filed with the Controller of the City of Pittsburgh.

Section 3. That any Ordinance or part of Ordinance, conflicting with the

provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

A^N ORDINANCE—Authorizing the Mayor and the Director of the Department of Public Safety to enter into an Agreement with the Commonwealth of Pennsylvania for the re-location of fire alarm and police signalling cable and providing also for reimbursement by the Commonwealth of Pennsylvania for the cost of said cable, in connection with the construction of a limited access highway; prescribing the form of agreement and authorizing its execution.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of Public Safety be and they are hereby authorized to enter into an agreement on behalf of the City of Pittsburgh with the Commonwealth of Pennsylvania in the following form:

This Agreement, made and entered into this-----day of-----1951, by and between the Commonwealth of Pennsylvania, acting through the Department of Highways, hereinafter called the Commonwealth, and the City of Pittsburgh, a municipal

corporation of said Commonwealth, situate in the County of Allegheny, hereinafter called the City.

WITNESSETH:

Whereas, the Commonwealth, pursuant to the Act of General Assembly of the Commonwealth of Pennsylvania, approved the 29th day of May, 1945, P. L. 1108, as amended, is constructing a limited access highway in the City of Pittsburgh, designated as the Penn-Lincoln Parkway; and

Whereas, the Commonwealth and the City, on the 7th day of December, 1948, entered into an agreement designated on the Department of Highways' records as No. 11361, whereby the Commonwealth agreed, inter alia, to repair, restore, alter, relocate or reconstruct any facilities or structures of the City of Pittsburgh injured, disturbed or destroyed by the Commonwealth in the construction of the Penn-Lincoln Parkway; and

Whereas, the Commonwealth will, in the construction of Route 764, Section 2; Route 120, Sections 22 and 24; and Route 764, Section 4B, which sections of highways form a portion of the Penn-Lincoln Parkway, interfere with a fire alarm and police signal cable belonging to the City; and

Whereas, it is necessary to install and put into service at a new and different location a cable to replace the one which will be disturbed by the Commonwealth; and

Whereas, the Commonwealth acknowledges its responsibility to reimburse the City in accordance with the agreement entered into on December 7, 1948, in the amount of Seven Thousand, Nine Hundred Ninety-four (\$7,994.00) Dollars, the sum to be incurred by the City in acquiring the new fire alarm and police signal cable, which amount the City has agreed to accept in full settlement of its claim.

Now, Therefore, It Is Agreed by and between the parties hereto:

Section 1. The City will, as soon as practical, furnish and install, at its sole cost, subject to reimbursement by the

Commonwealth, as herein provided, a new fire alarm and police signalling cable, at a location approved by engineers of the Commonwealth and the City, to replace the existing alarm and signal cable to be disturbed by the Commonwealth in the construction of the Penn-Lincoln Parkway.

Section 2. Immediately subsequent to the installation and the placing into operation of the new fire alarm and police signalling cable, the City will, at its sole expense, subject to reimbursement as hereinafter provided, remove the cable which would be disturbed by the Commonwealth in the construction of the Penn-Lincoln Parkway. It is distinctly understood and agreed that all right, title and interest in the existing cable shall remain in the City.

Section 3. The City does by these presents and the payment by the Commonwealth to the City of the sum of \$7,994.00, release, exonerate and absolve the Commonwealth or any of its agents, from any and all liability arising in and from the injury and disturbance of the aforementioned fire alarm and police signalling cable by the Commonwealth in the construction of the Penn-Lincoln Parkway.

Section 4. The Commonwealth will, upon the execution of this agreement by the proper officers of the City, pay unto the City the sum of \$7,994.00, being the amount which the City must expend in acquiring the substitute cable for the present facilities which will be disturbed by the Commonwealth's construction.

In Witness Whereof, the Secretary of Highways, for and on behalf of the Commonwealth of Pennsylvania, has hereunto affixed his hand and the seal of the Department of Highways, and the officials of the said City of Pittsburgh have hereunto set their hands and official seal pursuant to due and legal action authorizing the same by said City of Pittsburgh as evidenced by certified copy of ordinance attached hereto.

AN ORDINANCE—Accepting the dedication of Shadyside Lane as shown on "The Shadyside Lane Plan of Lots" in the Seventh Ward of the City of Pittsburgh, laid out by Herman and Marjorie Kamin, for public highway purposes, opening and naming the same, establishing the grade thereof and accepting the grading, paving and curbing and sewerage of the same.

Whereas: Herman and Marjorie Kamin, the owners of certain property in the Seventh Ward of City of Pittsburgh laid out in "The Shadyside Lane Plan of Lots" of record in the Recorder's Office of Allegheny County in Plan Book Volume 46, Page 192, have located a certain street named Shadyside Lane thereon and executed a deed of dedication upon said Plan for all ground covered by the said street to the City of Pittsburgh for public highway purposes and have released the said City from any liability for damages occasioned by the physical grading of the said public highway to the grade to be established and,

Whereas: Said Herman and Marjorie Kamin have graded, paved, curbed and sewerage the said Shadyside Lane at their own cost and expense, and

Whereas: It is desired that the City of Pittsburgh accept said street and improvements are part of the City's System of improved highways, therefore

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the dedication of Shadyside Lane as shown and dedicated on the "Shadyside Lane Plan of Lots" in the Seventh Ward of the City of Pittsburgh by Herman and Marjorie Kamin in October 1950, shall be and the same is hereby accepted.

Section 2. Shadyside Lane as aforesaid dedicated to said City for public highway purposes shall be and the same is hereby opened as a public highway and is hereby named "Shadyside Lane."

Section 3. The grade of Shadyside Lane shall be and the same is hereby established to conform to the street as now improved as hereinafter described along the center line thereof, to-wit: Beginning on the southerly 12-foot line of Ellsworth avenue at an elevation of 882.00 feet; thence rising by a concave parabolic curve for a distance of 40 feet to a point for tangent to an elevation of 883.80 feet; thence rising at the rate of 8.0% for a distance of 139.34 feet to a point of curve to an elevation of 894.95 feet; thence by a convex parabolic curve for a distance of 60 feet to the southerly terminus to an elevation of 897.65 feet.

Section 4. The grading, paving, curbing and sewerage of Shadyside Lane shall be and the same are hereby accepted and declared to be public improvements of the City of Pittsburgh.

Section 5. The Department of Public Works is hereby authorized and directed to enter upon, take possession of and appropriate said Shadyside Lane for a public highway in conformity with the provisions of this Ordinance.

No. 587

AN ORDINANCE—Granting unto the Jones and Laughlin Steel Corporation of Pittsburgh, Pennsylvania, its successors or assigns, the right to construct, maintain and use a steel lift beam overhanging Wilcox way, adjoining its property in the 15th Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Jones and Laughlin Steel Corporation of Pittsburgh, Pennsylvania, its successors or assigns, is hereby given the right, privilege and authority to construct, maintain and use, at its own cost and expense, a steel lift beam overhanging Wilcox way, adjoining its property in the 15th Ward, Pittsburgh, Pennsylvania.

The 10" W. F. steel lift beam to be constructed by virtue of this Ordinance is to project 4.0 feet into Wilcox way, at a height of 32 feet above the street grade and at right angles to the northerly line of the said way distant 5.75 feet eastwardly from the easterly line of Lytle street.

The said steel lift beam shall be constructed to the provisions of this Ordinance and in accordance with the Plan identified as Accession No. B 695, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of the said steel lift beam, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of said steel lift beam, said plans and the construction of the steel lift beam shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the right of the City of Pittsburgh and its powers and supervision over City streets, and also to

Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of a steel lift beam on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said steel lift beam. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said steel lift beam upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said Jones and Laughlin Steel Corporation, its successors or assigns, to that effect, and that the said Grantee shall, when so notified at the expiration of the said six (6) months, forthwith remove the said steel lift beam and replace the street to its original condition, at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said steel lift beam, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Or-

dinance shall become null and void unless within thirty (30) days after its passage and approval, the said Jones and Laughlin Steel Corporation, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by the Jones and Laughlin Steel Corporation.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 595

AN ORDINANCE—Granting unto the the J. S. McCormick Company, its successors or assigns, the right, privilege and authority to construct, maintain and use a 3" steam line encased in 5" steel casing, and 1¼" return line encased in a 2" steel casing in and across

Twenty-fifth street, adjoining its property in the Second Ward, Pittsburgh, Penna.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the J. S. McCormick Company, its successors or assigns is hereby given the right, privilege and authority to construct, maintain and use, at its own cost and expense, a 3" steam line encased in a 5" steel casing, and a 1¼" return line encased in a 2" steel casing in and across Twenty-fifth street, adjoining its property in the Second Ward, Pittsburgh, Penna.

The respective casings shall be parallel to each other, 0.5 feet apart and shall cross Twenty-fifth street at right angles, at a depth not exceeding 3.5 feet below curb grade and at a location of the center line between the casings 35.46 feet northwardly of the northerly line of Spruce way.

The said steam line and return shall be constructed to the provisions of this Ordinance and in accordance with the Plan identified as Accession No. B 697, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of the said steam line and return line, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of said steam line and return line, said plans and the construction of the steam line and return line shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the right of the City of Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance

and use of a steam line and return line on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said steam line and return line. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said steam line and return line upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said J. S. McCormick Company, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said steam line and return line and replace the street to its original condition at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of steam line and return line, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said J. S. McCormick Company, its successors or

assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificates to be executed by the J. S. McCormick Company.

Section 8. That any Ordinances or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 618

AN ORDINANCE—Granting unto the St. Joseph's Hospital, its successors or assigns the right, privilege and authority to construct, maintain and use a tunnel, for the use of pedestrians, under and across Wrights way, from the St. Joseph's Hospital to the new nurses residence, in the Sixteenth Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the St. Joseph's Hospital, its successors or assigns, is hereby given the right, privilege and au-

thority to construct, maintain and use, at its own cost and expense, a tunnel, for the use of pedestrians, under and across Wright's way, from the St. Joseph's Hospital to the new nurses residence, in the Sixteenth Ward, Pittsburgh, Pennsylvania.

The reinforced concrete tunnel, to be constructed by virtue of this Ordinance, is to be 6.67 feet wide, and extends to variable depths with a maximum of 9.5 feet below the curb grade on the north line of Wrights way with a maximum of 8.75 feet below the curb grade on the south line of Wrights way, and is to have its top at the sub grade of said way.

The center line of the tunnel is to be bounded and described as follows:

Beginning at a point on the southerly line of Wrights Way, distant 221.10 feet westwardly from the westerly line of South Twenty-Second street; thence northwardly at right angles to and northwardly across Wrights way for a distance of 24.0 feet to a point on the northerly line of Wrights way.

The said tunnel shall be built in accordance with the Plan identified as Accession No. B 698, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The St. Joseph's Hospital shall furnish the Right of Way on their property and install at its own cost all the pipe line materials and appurtenances necessary for the relaying of the 12" cast iron water mains as shown on the Plan, all the materials therefore to be City of Pittsburgh specifications and installed under City supervision.

The said party stipulates and agrees they will not erect or permit to be erected on the said right of way, any structure of any kind that will in any way interfere with the proper construction, maintenance or repair of said water line.

The relocated water main in the right of way shall have an earth cover of at least three and one-half (3½) feet at all times, and at no time in the future shall this cover be decreased.

The City hereby stipulates and agrees that the above right of way shall be used only for the purpose above mentioned.

The City shall have the right at all times to enter in and upon said right of way for the purpose of maintaining the water main and for such other purposes incidental and necessary for the proper maintenance and repair and connections to said water main.

The St. Joseph's Hospital shall save harmless the City of Pittsburgh of and from all costs and expense by reason of the construction, replacing, maintenance, change of location or repair of said water main or any connection therewith.

Section 3. The said Grantee, prior to the beginning of the construction of the said tunnel, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of said tunnel; said plans and the construction of the tunnel shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 4. The right and privilege herein granted shall be subject and subordinate to the right of the City of Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of a tunnel on City streets and compensation for same.

Section 5. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said tunnel. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Pub-

lic Works may order, and shall be subject to his approval and supervision.

Section 6. The right and privilege granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said tunnel upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said St. Joseph's Hospital, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said tunnel and replace the street to its original condition, at its own cost and expense.

Section 7. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and subsurface structures therein, by reason of the construction, maintenance, use and operation of said tunnel, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 8. The foregoing rights and privileges are granted subject to the following conditions, to-wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said St. Joseph's Hospital, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by the St. Joseph's Hospital, its successors or assigns, and shall pay to the City Treasurer a permit fee of \$500.00.

Section 9. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Granting unto the Jones and Laughlin Steel Corporation, its successors or assigns the right, privilege and authority to construct, maintain and use, at its own cost and expense, three power lines over and across Carson street east, to provide power for yard lighting in the new Monongahela Connecting Railroad Yard, in the Sixteenth Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Jones and Laughlin Steel Corporation, its successors, or assigns, is hereby given the right, privilege, and authority to construct, maintain, and use, at its own cost and expense, three power lines over and across Carson street east to provide power for yard lighting in the new Monongahela Connecting Railroad yard, in the Sixteenth Ward, Pittsburgh, Pennsylvania.

The power lines to be constructed by virtue of this Ordinance will cross over and at right angles to Carson street east at Sarah street, South Thirty-third street (vacated), and approximately 355.0 feet east of the easterly line of South Thirty-fourth street (vacated). The said line will have a minimum clearance over Carson street east of 49 feet at Sarah street, 59 feet at South Thirty-third street, and 61.5 feet at the point of crossing approximately 355.0 feet of the easterly line of South Thirty-fourth street.

The said power lines shall be built in accordance with the Plan identified as

Accession No. B-699, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of the said power lines, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of said lines, said plans and the construction of the lines shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the right of the City of Pittsburgh and its powers and supervision over City Streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of the said power lines on City Streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damages, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said power lines. All work including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said lines upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said Jones and Laughlin Steel Corporation, its successors or assigns, to that effect, and that the said Grantee shall, when

so notified, at the expiration of the said six (6) months, forthwith remove the said power lines and replace the street to its original condition, at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said power lines, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said Jones and Laughlin Steel Corporation, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by the Jones and Laughlin Steel Corporation, its successors or assigns.

No. 647

AN ORDINANCE—Granting unto Williams and Company, Inc., of Pittsburgh, Pennsylvania, its successors or assigns, the right to construct, maintain and use a structural craneway covered with an enclosed canopy, over the northerly portion of Bowater street in the Twenty-Second Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That Williams and Company, Inc. of Pittsburgh, Pennsylvania, its successors or assigns, is hereby given the right and authority to construct, maintain and use, at its own cost and expense, a structural craneway covered with an enclosed canopy over the northerly portion of Bowater street in the Twenty-Second Ward, Pittsburgh, Pennsylvania.

STRUCTURAL CRANEWAY

The craneway, consisting of two structural steel beams supporting the canopy cover and crane rails, shall have a minimum clearance above Bowater street of 18.17 feet. The westerly beam, located at a distance of 26.38 feet eastwardly from the easterly line of Allegheny avenue shall extend into Bowater street a distance of 12.863 feet. The easterly beam, located at a distance of 74.13 feet eastwardly from the easterly line of Allegheny avenue, shall extend into Bowater street a distance of 12.796 feet.

ENCLOSED CANOPY

The enclosed canopy cover over the craneway shall begin at a point 25.67 feet eastwardly from the easterly line of Allegheny avenue, and extend along the northerly line of Bowater street, a distance of 49.17 feet. The width of the canopy shall be 14.0 feet. At its westerly end, it shall extend into Bowater street a distance of 12.864 feet, and its easterly end, a distance of 12.795 feet. The canopy shall be constructed over and be supported by the craneway beams.

The said craneway and canopy shall be built in accordance with the Plans identified as Accession No. B-700, Sheets 1, 3, 4, 5, 7, S-1 and S-4 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, its successors, or assigns, prior to the beginning of the construction of the craneway and canopy, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location of all details for the construction of said craneway and

canopy, said plan and the construction of the craneway and canopy shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its power over City Streets, and to the ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinances which may hereafter be passed relating to the same.

Section 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks above affected by this improvement; or the repair of any structure which may be in any way damaged or disturbed by reason of the constructions, maintenance and use of said craneway and canopy; all of said work, including repairs of street or sidewalks, shall be done in a manner and at such time as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said craneway and canopy upon giving to the said Williams and Company, Inc., its successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council; and the said Williams and Company, Inc., its successors or assigns, when so notified, shall at or before the expiration of the said six months, remove the said craneway and canopy and restore the street to proper condition at their own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Williams and Company, Inc., its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and subsurface structures herein, caused by or arising out of the

construction, maintenance, use and operation of said craneway and canopy, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor of the City of Pittsburgh, the said Williams and Company, Inc., its successors or assigns, shall file with the proper officers of the City of Pittsburgh, their certificate of acceptance to be executed by said Williams and Company, Inc.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Granting unto the Pittsburgh Press, its successors or assigns, the right and privilege to construct, maintain and use a hydraulic elevator platform and vault, and an adjustable hydraulic ramp and dock in the easterly sidewalk area of Short street in the First Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Pittsburgh Press, its successors or assigns, is hereby given the right, privilege and authority to construct, maintain and use, at its own cost and expense, a hydraulic elevator platform and vault, and an adjustable hydraulic ramp and dock in the easterly sidewalk area of Short street adjoining its property in the First Ward, Pittsburgh, Pennsylvania.

HYDRAULIC ELEVATOR PLATFORM AND VAULT

The hydraulic elevator platform to be constructed by virtue of this Ordinance shall be pentagonal in shape with a non-skid steel plate surface capable of being raised from a position level with the curb grade to an elevation of 5.83 feet above the curb grade. The hydraulic vault below curb grade is to be constructed of concrete to a depth not exceeding 7.42 feet below curb grade and is to occupy the easterly portion of Short street, bounded and described as follows:

Beginning at a point on the easterly line of Short street, distant 50.17 feet southwardly from the southerly line of the Boulevard of the Allies; thence extending southwardly along the easterly line of Short street, a distance of 13.0 feet and projecting into the easterly portion of Short street a distance of not more than 10.50 feet. The elevator platform is to project into the easterly sidewalk area of Short street a distance of not more than 9.50 feet.

ADJUSTABLE HYDRAULIC RAMP AND DOCK

The adjustable hydraulic ramp and dock to be constructed by virtue of this Ordinance shall be pentagonal in shape, the ramp and dock to have non-skid steel plate surfaces, the normal elevations of which to be 3.0 feet above curb grade, with the edge of the ramp to be capable of hydraulic adjustment one (1) foot up and down. The dock to be supported concrete walls and footers extending not more than 3.0 feet below curb grade and the adjustable ramp to be inserted into and be a part of the docks which will occupy

a portion of the easterly sidewalk area of Short street bounded and described as follows:

Beginning at a point on the easterly line of Short street, distant 81.39 feet southwardly from the southerly line of the Boulevard of the Allies; thence extending southwardly along the easterly line of Short street, a distance of 26.39 feet and projecting into the easterly sidewalk area a distance of not more than 10.0 feet.

The said hydraulic elevator platform and vault, and adjustable hydraulic ramp and dock, shall be constructed to the provisions of this Ordinance and in accordance with the Plan identified as Accession No. B 696, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of the said hydraulic elevator platform and vault, and adjustable ramp and dock shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of said hydraulic elevator platform and vault, and adjustable ramp and dock, said plans and the construction of the hydraulic elevator platform and vault, and adjustable ramp and dock shall be subject to the approval and supervision of the Director of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the right of the City of Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of a hydraulic elevator platform and vault, and adjustable ramp and dock on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way dam-

aged or disturbed by reason of the construction, maintenance, use and operation of said hydraulic elevator platform and vault, and adjustable ramp and dock. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this ordinance is granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said hydraulic elevator platform and vault, and adjustable ramp and dock upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said Pittsburgh Press, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said hydraulic elevator platform and vault, and adjustable ramp and dock and replace the street to its original condition, at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said hydraulic elevator platform and vault, and adjustable ramp and dock, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said Pittsburgh Press, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by the Pittsburgh Press, its successors or assigns, and shall pay to the City Treasurer a permit fee of \$200.00.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Vacating a portion of South Twenty-first street thirty feet in width, lying along and parallel to the westerly line of South Twenty-first street, from Wharton street to the north line of Ironton street extended;

Whereas, It appears by the petitions and affidavits on file in the Office of

City Clerk that the owners of all the property fronting or abutting on a portion of South Twenty-first street thirty feet in width, lying along and parallel to the westerly line of South Twenty-first street, from Wharton street to the north line of Ironton street extended, have petitioned the Council of the City of Pittsburgh to enact an ordinance for the vacation of the same; therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. A portion of South Twenty-first street thirty feet in width, lying along and parallel to the westerly line of South Twenty-first street, from Wharton street to the north line of Ironton street extended, shall be and the same is hereby vacated.

Section 2. This ordinance, however, shall not take effect or be of any force or validity unless the Levinson Steel Company, owner of the property abutting on that portion of South Twenty-first street thirty feet in width, lying along and parallel to the westerly line of South Twenty-first street, from Wharton street to the north line of Ironton street extended, shall within sixty days after the enactment of this ordinance, pay into the Treasury of the City of Pittsburgh the sum of \$4,374.00 for the use of the City of Pittsburgh.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 668

AN ORDINANCE — Vacating South Twentieth street, from Merriman way to South Water street, reserving to the City the right to enter upon said South Twentieth street after the vacation and providing certain terms and

conditions;

Whereas, A petition and affidavit has been filed by the owners of all the property fronting or abutting on South Twentieth street, from Merriman way to South Water street, in the Office of the City Clerk requesting the Council of the City of Pittsburgh to enact an ordinance for the vacation of said street between said points; and

Whereas, Said City of Pittsburgh now maintains on said street between said points a certain sewer and desires in the future to construct an additional sewer; and

Whereas, In connection with said existing sewer and said contemplated construction of an additional sewer, it is desired to reserve to the City of Pittsburgh the right of entry on said South Twentieth street after the vacation of the same; therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That South Twentieth street, from Merriman way to South Water street, shall be and the same is hereby vacated.

Section 2. The vacation of South Twentieth street, from Merriman way to South Water street, is made upon the following terms and conditions to be accepted by the Levinson Steel Company, for itself, its successors and assigns, and by the Pennsylvania Railroad Company, for itself, its successors and assigns, before said vacation shall become effective.

1. The City of Pittsburgh reserves the right to continue, maintain, reconstruct, and use the existing sewer now located under said street between said points, and specifically reserves the right to enter upon the land within the lines of South Twentieth street as vacated for said purposes.
2. The City of Pittsburgh reserves the right to construct, maintain, reconstruct, and use, within the lines of said South Twentieth street as vacated, any future sewers, and for said purposes reserves the right to enter upon the land within the lines

of South Twentieth street as vacated.

3. The Levinson Steel Company, for itself, its successors and assigns, covenants and agrees that no major structure shall be erected over said sewer or within ten feet horizontal of either side of said sewer, and that any structure to be erected within the lines of South Twentieth street as vacated shall have a vertical clearance of not less than eighteen feet above the existing surface of the vacated street, such structure to be constructed in accordance with plans approved by the Director of the Department of Public Works; and it is further agreed that any material stored in such structure shall be removed by the Levinson Steel Company at such times as the City finds it necessary to enter upon the street as vacated for the purposes above named.
4. The Levinson Steel Company, for itself, its successors and assigns, waives all damages, claims, or demands arising by reason of entry upon and/or construction, maintenance, reconstruction, and repair of existing and future sewers on said vacated street.
5. The Pennsylvania Railroad Company, for itself, its successors and assigns, covenants and agrees that no major structure shall be erected over said sewer or within ten feet horizontal of either side of said sewer, and that any structure erected within the lines of South Twentieth street as vacated shall have a vertical clearance of not less than eighteen feet above the existing surface of the vacated street, such structure to be constructed in accordance with plans approved by the Director of the Department of Public Works; and it is further agreed that any material stored in such structure shall be removed by the Pennsylvania Railroad Company as the City of Pittsburgh finds it necessary to enter upon the vacated street for the purposes above named.
6. The Pennsylvania Railroad Company, for itself, its successors and assigns, covenants and agrees to support any existing tracks, within the lines of South Twentieth street as vacated, or

any additional tracks as may be constructed, at its own cost and expense when required for the purposes named above.

7. The Pennsylvania Railroad Company, for itself, its successors and assigns, waives all damages, claims, or demands arising by reason of entry upon and/or construction, maintenance, reconstruction, and repair of existing and future sewers on the vacated street.

8. The Levinson Steel Company and the Pennsylvania Railroad Company, for themselves, their successors and assigns, agree within ninety days from the passage and final approval of this ordinance to file with the City Controller an acceptance of the terms and conditions hereof, said acceptance being duly authorized by the Board of Directors of the said Levinson Steel Company and the Pennsylvania Railroad Company; and upon failure to file such acceptance within ninety days from the passage and final approval of this ordinance, the same shall be void and of no effect.

Section 3. This ordinance, however, shall not take effect or be of any force or validity unless the Levinson Steel Company, owner of the property abutting on South Twentieth street, from Merriman way to South Water street, shall within sixty days after the enactment of this ordinance, pay into the Treasury of the City of Pittsburgh the sum of \$8829.00 for the use of the City of Pittsburgh.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Passed December 17, 1951.

Approved December 22, 1951.

AN ORDINANCE — Vacating Ironton street from the west line of South

Twentieth street to a line thirty feet east of the west line of South Twenty-first street;

Whereas, It appears by the petition and affidavit on file in the Office of the City Clerk, that the owners of all the property fronting or abutting on Ironton street from the west line of South Twentieth street to a line thirty feet east of the west line of South Twenty-first street have petitioned the Council of the City of Pittsburgh to enact an ordinance for the vacation of same; therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. Ironton street, from the west line of South Twentieth street to a line thirty feet east of the west line of South Twenty-first street, shall be and the same is hereby vacated.

Section 2. This ordinance, however, shall not take effect or be of any force or validity unless the Levinson Steel Company, owner of the property abutting on said Ironton street from the west line of South Twentieth street to a line thirty feet east of the west line of South Twenty-first street, shall within sixty days after the enactment of this ordinance, pay into the Treasury of the City of Pittsburgh the sum of \$9,234.00 for the use of the City of Pittsburgh.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 670

AN ORDINANCE—Making appropriations to pay the expenses of conducting the public business of the City of Pittsburgh and for meeting the debt charges thereof for the fiscal year, beginning January 1, 1952.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the revenues of said City derived from taxes and other sources for the fiscal year beginning January 1, 1952, and ending December 31, 1952, including therein cash surplus on hand at the close of business on December 31, 1951, are hereby appropriated in the sum of \$41,881,900.00 to pay the expenses of conducting the public business of the City of Pittsburgh and meeting the debt charges thereof during the said period beginning January 1, 1952, and ending December 31, 1952, as well as all encumbrances incurred prior to January 1, 1952, for which services have not actually been rendered, or supplies, materials or equipment actually delivered prior to December 31, 1951, and so reported to the City Controller. Said encumbrances shall be charged to the proper appropriation accounts for the fiscal year 1952 and cancelled in the 1951 appropriation accounts against which encumbrances had been originally charged, and all unexpended balances of appropriations remaining open upon the books of the City Controller at the close of the fiscal year 1951, shall be and the same are hereby ordered to be cancelled, except such amounts as shall be required for payment for services actually rendered or supplies, materials or equipment actually delivered prior to December 31, 1951, and so reported to the City Controller, or such amounts as shall be directed to be carried over to the fiscal year 1952 by resolution or ordinance of Council.

Section 2. No liability shall be incurred against any appropriation item in excess of the unencumbered balance thereof, and said appropriation item shall be administered subject to and in conformity with the following terms and conditions:

- (a) Data required for preparation of payrolls, shall be submitted to the City Treasurer in such form, and at such times, as he may prescribe, this data to include records of employment, time worked, whether compensation is based upon hours or days worked, quantity of work

performed, or upon a monthly or annual salary basis, and such other records or reports with reference to personal service as may be required.

- (b) Payrolls shall be prepared by the City Treasurer upon the basis of such records or reports, and submitted by him to the respective directors or head of departments or offices for approval and certification in such forms as he may prescribe.
- (c) No transfer shall be made from one appropriation item to another except by resolution or ordinance of Council, and such resolution or ordinance shall in each case set forth the reasons for such request, and be accompanied by a certification from the Controller stating that there is a sufficient balance encumbered and available in the appropriation item from which the transfer is to be made.

Section 3. No obligation shall be incurred by any department of the City Government other than for salaries or wages, or for necessary expenses of employees when engaged upon City business, except through the issue of an order, stating the service to be rendered, work performed or supplies materials or equipment to be furnished together with the estimated cost of the same. The Director of the Department of Supplies is hereby authorized and directed to provide upon requisition by the head of any department all necessary supplies, materials, equipment and machinery for such department; provided, however, that no requisition of any department shall be filed by the Director of the Department of Supplies in excess of the unencumbered balance of the appropriation properly chargeable, and that no order shall be issued by the Director of the Department of Supplies, or by the head of any other department of the City Government, until it has been approved by the City Controller. Payments on account of direct purchase shall be made from the amounts hereafter appropriated therefor respectively. Purchases made by the Director of the Department of Supplies to go into stores shall be paid

from the fund provided for such purposes, and when as directed by the City Controller; said fund shall be reimbursed from other appropriations to the extent of deliveries made from stores.

Section 4. Council may, by resolution of the Finance Committee from time to time, restrict expenditures from the appropriations made hereby, both as to amounts of expenditure and the periods

within which such expenditures may be made, and also, by resolution of the Finance Committee at any time cancel in whole or in part any unencumbered balance of any of said appropriations.

Section 5. For purposes of administration and accounting control, the code symbols indicated herein shall be considered as part of the appropriation titles.

AN ORDINANCE—Vacating Watson street, in the First Ward of the City of Pittsburgh, between Shingiss street and Boyd street;

Whereas, a Petition and affidavit has been filed by the owner of all the property fronting or abutting on Watson street, in the First Ward of the City of Pittsburgh, between Shingiss street and Boyd street, in the office of the City Clerk praying that the Council of the City of Pittsburgh enact an ordinance for the vacation of said street

between said points; Now, therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That Watson street, in the First Ward of the City of Pittsburgh, from Shingiss street to Boyd street shall be and the same is hereby vacated.

Section 2. In consideration of the vacation of the above mentioned portion of Watson street and the purchase price agreed upon to be paid therefor by the Duquesne Light Company to the City of Pittsburgh, namely, \$27,240.00, the said Duquesne Light Company agrees to dedicate to the City of Pittsburgh after the acquisition of said property a strip of ground approximately 6 feet in width on Boyd street between Forbes and Diamond streets, Boyd and Diamond streets and Shingiss and Diamond streets, as shall be determined by the Director of the Department of Public Works, aggregating approximately 1303 square feet, and that the said Duquesne Light Company shall thereupon be entitled to a credit for said area so dedicated at the price of \$6.00 per square foot.

Section 3. This ordinance shall not become effective unless, within the period of sixty (60) days from the passage thereof, the Duquesne Light Company shall file its written acceptance of a setback of Forbes street as determined by the Department of City Planning and the Department of Public Works to provide for the possible widening of said street not to exceed in depth from Forbes street—three (3) feet at Boyd street and ten (10) feet at Shingiss street; and said acceptance shall provide that if the City of Pittsburgh, for the purpose of such widening of Forbes street, shall take such area then in such case the Duquesne Light Company shall be entitled to receive from the City of Pittsburgh for the area so taken the sum of \$6.00 per square foot only.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 674

A^N ORDINANCE—Authorizing the

Mayor and the Director of the Department of Public Works of the City of Pittsburgh, for the consideration herein stated and subject to the terms and conditions hereinafter listed, to enter into an agreement on behalf of the City with The May Department Stores Company, a New York corporation, to provide for the vacation of Resort way in the Second Ward of the City, for the construction of a ramp over Resort way and a loading platform over Cherry way; and authorizing The May Department Stores Company to build over Cherry way, starting not less than 10 feet, 5½ inches, above the existing surface of said way so that its present department store building will be joined at such height and upward to the top of the present department store with a new building to be erected on the site of Carnegie Building, which connecting structure shall house among other facilities, a loading platform 67 feet long over Cherry way; authorizing the Company to bridge Cherry way between its existing department store building and Frick Annex, requiring the Company to reconstruct Cherry way and to build a 10-foot sidewalk for pedestrian traffic along the Easterly line thereof from Fifth avenue to Diamond street.

Whereas, The May Department Stores Company, a New York Corporation, has completed plans for the enlargement of the department store owned and operated by it under the name of Kaufmann's Department Store at Fifth avenue and Smithfield street, through the acquisition of the Frick Annex Building and the leasing of the Carnegie Building, with option to buy the same, which building is to be razed and replaced by another structure; and

Whereas, in connection with the projected improvements, The May Department Stores Company desires to establish off-street loading and unloading facilities through the vacation of Resort way and the utilization of this area for a connecting building to house, among other things, a ramp running from Scrip alley to Cherry way, where the ramp will connect with a loading platform to be constructed over Cherry way at such height and in such manner as to permit the free flow of certain types of vehicular traffic on Cherry way; and

Whereas, in connection with the projected improvements. The May Department Stores Company desires to construct over Cherry way from Fifth avenue to Diamond street and at a height not less than 10 feet, 5½ inches, above the existing grade of Cherry way a connecting building between its existing department store and the new structure to be erected on the site of the Carnegie Building, the new concourse building to extend to a height equal to the height of the present department store building and to house, among other facilities, the loading platform above described; and

Whereas, the Company also desires to erect a bridge or bridges between its existing department store building and Frick Annex; and

Whereas, the said Company also desires to utilize the area underneath Cherry way from Fifth avenue to Diamond street for the full width of Cherry way, subject to existing utilities; and

Whereas, the company will build a sidewalk for pedestrian traffic ten feet wide from Fifth avenue to Diamond street, on the Easterly side of Cherry way, which ten feet width shall include areas required for pillars or walls, along the existing Easterly line of Cherry way, for the support of overhanging buildings; and

Whereas, the municipal authorities believe that off-street loading and unloading are highly desirable in this area in order to relieve traffic congestion and hazards resulting from com-

mercial vehicles engaged in making deliveries and picking up merchandise; and

Whereas, the municipal authorities are further of opinion that the new sidewalk and improvements described will be highly beneficial to the City and to its citizens; and

Whereas, the projected improvements will be carried out at no cost to the City; and

Whereas, the Better Traffic Committee has recommended the vacation of Resort way and the authorization of the construction of the proposed loading platform as a means of improving traffic conditions from William Penn way to Second avenue; Now, Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Works of the City of Pittsburgh, for the consideration hereinafter stated, are hereby authorized to enter into an agreement on behalf of the City, to be approved as to form by the City Solicitor, as follows:

A. The City will agree:

(1) To vacate Resort way from Scrip alley to Cherry way for its entire width and length, which vacation shall be effected by a separate vacation ordinance;

(2) To grant permission to The May Department Stores Company to construct over Cherry way a connecting structure between its existing department store and a new building which is to be erected on the site of the Carnegie Building, which connecting building shall extend, so as to interfere with the utilization of Cherry way by automobiles and light trucks, from a level at least 10 feet, 5½ inches, above the existing level of Cherry way to the top of the department store building;

(3) To grant permission to the company to construct bridges between

Frick Annex and its existing department store building; and

(4) To grant permission to the company to utilize, subject to existing utilities, the area underneath Cherry way between Fifth avenue and Diamond street for the full width of Cherry way.

B. In consideration of the foregoing, The May Department Stores Company will agree:

(1) To utilize Resort way for the construction, among other things, of a ramp to extend on an upgrade from Scrip alley at its existing level to an off-street level loading platform over Cherry way, hereinafter more particularly described;

(2) To construct at a minimum height of 10 feet, 5½ inches, over the present grade of Cherry way, a loading platform extending from the Northerly line of Resort way as extended through Cherry way, in a Southerly direction, at a width coextensive with Cherry way of 20 feet throughout, for a distance of 67 feet. The loading platform shall be constructed of steel and reinforced concrete; shall be surfaced in such a manner as to eliminate any seepage or dripping; and shall be built so as to permit its integration into the connecting concourse building when the same is built;

(3) To reconstruct Cherry way so that it shall have a cartway or space for vehicular traffic of 20 feet, between Fifth avenue and Diamond street, which 20 feet width shall include a curb not over nine inches in width along the present department store building to protect vehicles from striking said building and a similar curb on the other side for a like purpose;

(4) Upon the demolition of the Carnegie Building, to construct a sidewalk for pedestrians at least 10 feet wide on the Easterly side of Cherry way between Fifth avenue and Diamond street. The sidewalk shall be built through the Frick Annex and may also be built through the new building to be erected on the site of the Carnegie Building when completed. Said

buildings as extended over the sidewalk shall permit vertical clearance without obstruction by lights or any other projections of at least seven feet for pedestrian traffic. The projections of the buildings over the sidewalk may be supported by pillars or walls in the sidewalk on a line adjacent to the cartway of Cherry way. The dimensions of such pillars or walls shall be approved by the Bureau of Building Inspection and the Department of Public Works of the City of Pittsburgh. In connection with this work, the foundation and surface of Cherry way shall conform with the foundation and surface of Cherry way as it now exists;

(5) Pending the demolition of the Carnegie Building, the Company shall build along the Easterly side of Cherry way from Fifth avenue to Diamond street a temporary sidewalk at least three feet wide which shall be approved by the Bureau of Building Inspection and the Department of Public Works of the City of Pittsburgh. The temporary sidewalk and the permanent 10-foot sidewalk hereinbefore described shall be kept open for public use perpetually.

(6) Upon completion of the structure and the integral loading platform over Cherry way, the reconstruction of the cartway of Cherry way and the construction of the sidewalk along the Easterly line of Cherry way, to assume full responsibility for the lighting of Cherry way from Diamond street to Fifth avenue, utilizing for this purpose standards equal to or greater than those set by the City of Pittsburgh; and to maintain thereafter the lighting at full efficiency, without any cost to the City;

(7) From the date of the completion of the elevated loading platform, to discontinue truck deliveries and loading on Cherry way, except at the new loading platform level, in order to eliminate traffic congestion and hazards now resulting from the loading and unloading of commercial vehicles serving this establishment;

(8) In the event the City of Pittsburgh at any future time decides to

change the grade of Cherry way, to waive any damage resulting from the change of grade;

(9) To assume full responsibility for any damage to or destruction of utilities as the result of the construction of any of the improvements hereinabove set forth;

(10) To hold the City of Pittsburgh harmless from any damage resulting from the construction of any of the improvements hereinabove set forth, and from any damage resulting thereafter from the maintenance of such improvements;

(11) To erect appropriate signs, conspicuous in character, approved by the Bureau of Traffic Planning, to mark the entrances of Cherry way at Fifth avenue and Diamond street, so as to indicate the maximum clearance that prevails in the underpass beneath the loading platform, and the connecting concourse joining the present department store building with Frick Annex and the new building to be erected on the site of the Carnegie Building;

(12) To carry out its agreement to build a loading platform over Cherry way and a ramp thereto over Resort way, and its agreement to reconstruct Cherry way and to build a temporary sidewalk along the Easterly line thereof within one year from the date of the building permit issued by the City authorizing such work. The Company agrees that it will apply promptly for such building permits; and

(13) To carry out all of the foregoing changes and construction in accordance with the requirements of the City of Pittsburgh building code and all engineering standards applicable to this type of construction. Plans shall be approved by the Department of Public Works and by the Bureau of Building Inspection, and no work shall be undertaken before the City of Pittsburgh shall issue required building permits.

(14) Because of the danger to pedestrians, the Company specifically covenants that it will not build any major entrance or exit in its present

department store building adjacent to Cherry way for its customers or for the general public.

C. All of the aforesaid work shall be accomplished at the sole cost of the May Department Stores Company and at no cost to the City of Pittsburgh.

No. 678

AN ORDINANCE—Granting to the Housing Authority of the City of Pittsburgh a license to occupy a strip of land six feet (6) in width across Ammon Playground, Fifth Ward, for the construction and maintenance of facilities for the transmission of electric power and other utilities.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Housing Authority of the City of Pittsburgh, its successors and assigns, is hereby granted a license to construct, maintain, and utilize facilities for the transmission of electric power and other utilities under Ammon Playground, Fifth Ward, Pittsburgh in the following width and location:

A strip of land lying three feet (3') in width on each side of the following described center line.

Beginning at a point on the easterly line of Kirkpatrick street, said point being N 29° 01' 02.4" W a distance of three hundred eleven and 36/100 feet (311.36') from the intersection of the northerly line of Bedford avenue and the easterly line of Kirkpatrick street; thence N 74° 42' 35" E a distance of two-hundred thirty and 79/100 feet (230.79') to a point; thence N 60° 55' 43" E a distance of two-hundred eighty-five and 78/100 feet (285.78') to a point on the westerly line of property of the Housing Authority of the City of Pittsburgh, said point being the easterly terminus of

said right-of-way.

Section 2. Grantee, prior to the beginning of the construction of the facilities, shall submit to the Director of the Department of Parks and Recreation of the City of Pittsburgh a complete set of plans in triplicate showing the location and construction details of said facilities. Plans of the said facilities shall be approved by the Director prior to the beginning of construction.

Section 3. Grantee shall bear the full cost and expense for the construction of said facilities and shall restore the portion of Ammon Playground affected to a condition satisfactory to the Director.

Section 4. The rights and privileges conferred by this ordinance are granted on the express condition that the City of Pittsburgh, without liability, reserves the right to require the removal and relocation of said facilities to other locations upon Ammon Playground upon giving to the grantee at least ninety (90) days written notice.

Section 5. The Grantee shall at its own expense relocate said facilities and restore the surface of the portions of the playground affected to the satisfaction of the Director.

Section 6. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within ninety (90) days after its enactment by Council and approval by the Mayor, the said Grantee shall file with the proper officers of the City, its certificate of acceptance to be executed by the said Grantee.

No. 679

AN ORDINANCE—Granting unto The Equitable Life Assurance Society of the United States the right and privilege to construct, maintain and use the following encroachments in certain streets in the Second Ward of the City of Pittsburgh; a pedestrian underpass, a utility underpass and a 18 inch diameter Cold Water Pipe, each being in the northerly and southerly sidewalk areas and in the roadway area of Liberty avenue; two vaults in the southerly sidewalk area of Duquesne way; two vaults in the northerly sidewalk area of Liberty avenue; and a vault in the westerly sidewalk area of Stanwix street.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That The Equitable Life Assurance Society of the United States, its successors or assigns (hereinafter called the "Grantee"), is hereby given the right and privilege, during the term or terms provided in Section 5 of this Ordinance, to construct, maintain and use, at its own cost and expense, the following encroachments in certain streets in the Second Ward, Pittsburgh, Pennsylvania:

a. A Pedestrian Underpass extending from the northerly line of Liberty avenue between Barbeau street and Stanwix street to the southerly line of Liberty avenue between Short and Ferry streets.

The pedestrian underpass to be constructed by virtue of this subparagraph is to occupy a portion of the northerly sidewalk, roadway and southerly sidewalk areas of Liberty avenue, as opened by Ordinance No. 558, approved October 18, 1951; the underpass is to be 14.67 feet wide and is to have its top and bottom 4.00 feet and 15.00 feet respectively below the north curb grade of said Liberty avenue; and the underpass is to have its center line located and described as follows:

Beginning at a point on the northerly line of said Liberty avenue dis-

tant, along a tangent having a bearing of N. 68° 33' 09" E. and thence along a curve to the left, 480.38 feet and 38.86 feet respectively, the combined tangent and curve distance of 519.24 feet eastwardly from the intersection of the easterly line of Barbeau street and the northerly line of said Liberty avenue; thence extending S. 18° 56' 45" E. a distance of 162.23 feet across said Liberty avenue to the southerly line of said Liberty avenue.

The said pedestrian underpass shall be constructed in accordance with the plan identified as Accession No. B 677 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

b. A Utility Underpass extending from the northerly line of Liberty avenue between Barbeau street and Stanwix street to the southerly line of Liberty avenue between Short and Ferry streets.

The utility underpass to be constructed by virtue of this subparagraph is to occupy a portion of the northerly sidewalk, roadway and southerly sidewalk areas of Liberty avenue, as opened by Ordinance No. 558, approved October 18, 1951; the underpass is to be 9.67 feet wide and is to have its top and bottom not less than 9.00 feet and not more than 27.13 feet respectively below the north curb grade of said Liberty avenue; and the underpass is to have its center line located and described as follows:

Beginning at a point on the northerly line of said Liberty avenue, distant 336.60 feet eastwardly from the intersection of the easterly line of Barbeau street and the northerly line of said Liberty avenue; thence extending S. 18° 56' 45" E. a distance of 160.15 feet across said Liberty avenue to the southerly line of said Liberty avenue.

The said utility underpass shall be constructed in accordance with the plan identified as Accession No. B 678 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

c. A 18 Inch Diameter Cold Water

Pipe extending from the northerly line of Liberty avenue between Barbeau and Stanwix streets to the southerly line of Liberty avenue between Short and Ferry streets.

The 16 inch diameter cold water pipe to be constructed by virtue of this subparagraph is to occupy a portion of the northerly sidewalk, roadway and southerly sidewalk areas of Liberty avenue as opened by Ordinance No. 558, approved October 18, 1951; the pipe is to have its top not less than 4.58 feet below the north curb grade of said Liberty avenue; and the pipe is to have its center line located and described as follows:

Beginning at a point on the northerly line of said Liberty avenue distant 507.88 feet eastwardly from the intersection of the easterly line of Barbeau street and the northerly line of said Liberty avenue; thence extending S. 18° 56' 45" E. a distance of 161.07 feet across said Liberty avenue to the southerly line of said Liberty avenue.

The said pipe shall be constructed in accordance with the plan identified as Accession No. B 679 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

d. Two Vaults adjoining its property on the southerly line of Duquesne way between Barbeau and Stanwix streets.

The westerly vault to be constructed by virtue of this subparagraph is to have its top at sidewalk grade, the bottom not more than 19.06 feet below the curb grade and is to occupy a portion of the southerly sidewalk area of Duquesne way, bounded and described as follows:

Beginning at a point on the southerly line of Duquesne way, distant 482.39 feet eastwardly from the intersection of the easterly line of Barbeau street and the southerly line of Duquesne way; thence eastwardly along the southerly line of Duquesne way for a distance of 65.00 feet and projecting into the southerly sidewalk area not more than 6.83 feet.

The easterly vault to be constructed

by virtue of this subparagraph is to have its top at sidewalk grade, the bottom not more than 17.18 feet below the curb grade and is to occupy a portion of the southerly sidewalk area of Duquesne way, bounded and described as follows:

Beginning at a point on the southerly line of Duquesne way, distant 606.27 feet eastwardly from the intersection of the easterly line of Barbeau street and the southerly line of Duquesne way; thence eastwardly along the southerly line of Duquesne way for a distance of 8.00 feet and projecting into the southerly sidewalk area not more than 7.00 feet.

The said westerly and easterly vaults shall be constructed in accordance with the plan identified as Accession No. B 683 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

e. Two Vaults adjoining its property on the northerly line of Liberty avenue between Barbeau and Stanwix streets.

The westerly vault to be constructed by virtue of this sub-paragraph is to have its top at sidewalk grade, the bottom not exceeding 27.04 feet below the curb grade and is to be located in the northerly sidewalk of Liberty avenue, as opened by Ordinance No. 558, approved October 18, 1951. The portion of the sidewalk area to be occupied by the vault is bounded and described as follows:

Beginning at a point on the northerly line of said Liberty avenue, distant 273.47 feet eastwardly from the intersection of the easterly line of Barbeau street and the northerly line of said Liberty avenue; thence eastwardly along the northerly line of said Liberty avenue for a distance of 59.00 feet and projecting into the northerly sidewalk area not more than 14.30 feet.

The easterly vault to be constructed by virtue of this sub-paragraph is to have its top at sidewalk grade, the bottom not exceeding 27.60 feet below the curb grade and is to be located in the northerly sidewalk of Liberty avenue, as opened by Ordinance No. 558, approved October 18, 1951. The por-

tion of the sidewalk area to be occupied by the vault is bounded and described as follows:

Beginning at a point on the northerly line of said Liberty avenue, distant 340.10 feet eastwardly from the intersection of the easterly line of Barbeau street and the northerly line of said Liberty avenue; thence eastwardly along the northerly line of said Liberty avenue for a distance of 173.12 feet and projecting to the northerly sidewalk area not more than 14.77 feet.

The said westerly and easterly vaults shall be constructed in accordance with two plans identified respectively as Accession No. B 682 and Accession No. B 680 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

f. A vault adjoining its property on the westerly line of Stanwix street between Duquesne way and Liberty avenue.

The vault to be constructed by virtue of this subparagraph is to have its top at sidewalk grade, the bottom not exceeding 18.26 feet below the curb grade and is to be located in the westerly sidewalk of Stanwix street, as widened by Ordinance No. 426, approved August 31, 1951. The portion of the sidewalk area to be occupied by the vault is bounded and described as follows:

Beginning at a point on the westerly line of said Stanwix street, distance 323.01 feet southwardly from the intersection of the southerly line of Duquesne way and the westerly line of said Stanwix street, thence southwardly along the westerly line of said Stanwix street for a distance of 59.54 feet and projecting into the westerly sidewalk area not more than 7.31 feet.

The said vault shall be constructed in accordance with the plan identified as Accession No. B 681 on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The Grantee, prior to the beginning of the construction of any one or more of the aforementioned

encroachments, shall submit to the Director of the Department of Public Works a complete set of plans for the said encroachment or encroachments, in triplicate, showing the location and all details for its or their construction, and said plans and said construction shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over city streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of encroachments in city streets and compensation for same.

Section 4. The Grantee shall bear the full cost and expense of the repair of any street pavement, sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of the said encroachments. All work, including the repaving and repairing of any damaged portion of the street, shall be done in the manner and at such times as the said Director may order, and shall be subject to his approval and supervision.

Section 5. The initial term of the rights and privileges granted by this Ordinance shall be from the date of the approval hereof until February 14, 1975 (the termination date of the Redevelopment Contract dated February 14, 1950 between the Urban Redevelopment Authority of Pittsburgh and the Grantee). Such rights and privileges shall, however, be renewed for successive five-year periods (hereinafter called "renewal terms"), the first such renewal term beginning February 14, 1975 and ending February 14, 1980 and each subsequent renewal term beginning at the expiration of the last such renewal term and ending February 14 of the fifth year thereafter, unless the City of Pittsburgh shall, pursuant to a resolution or ordinance of Council,

have given to the Grantee, at least twelve months prior to the expiration of the initial term or any renewal term, written notice to the effect that it elects to terminate, in whole or in part, such rights and privileges at the end of such initial term or renewal term as the case may be. In the event that the rights and privileges granted hereby shall be terminated as hereinabove provided, the Grantee shall at the effective date of such termination remove the encroachments affected and restore the street or streets to its or their original condition at its own cost and expense.

The encroachments set forth in Section 1 hereof shall be deemed to be severable in so far as the application of Section 5 is concerned, it being intended that the provisions hereof with respect to termination and renewal may be applied independently to each of such encroachments.

Section 6. The Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said encroachments, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to all the foregoing conditions and to the further condition that this Ordinance shall become null and void unless within thirty (30) days after the passage and approval of the Ordinance, the Grantee shall file with the City Controller its certificate of acceptance, duly executed, and shall pay to the City Treasurer the following permit fees:

Pedestrian Underpass	-----\$	500.00
Utility Underpass	-----	500.00
16-Inch Diameter Cold		
Water Pipe	-----	100.00
5 Vaults	-----	500.00
		<hr/>
		\$1,600.00

and unless the Grantee shall pay the annual inspection fee of \$.01 per cubic

foot for the vaults as and when the same shall become due and payable.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 680

AN ORDINANCE—Granting unto the H. J. Heinz Company, its successors or assigns, the right to construct, maintain and use, at its own cost and expense a side track in River avenue, in the Twenty-third Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the H. J. Heinz Company, its successors or assigns, is hereby given the right and authority to construct, maintain and use, at its own cost and expense, a side track in River avenue in the Twenty-Third Ward, Pittsburgh, Pennsylvania, for the conveying of materials to and from its properties situated on the northerly side of River avenue. The center line of the proposed track shall be located as follows:

Beginning at a point on the southerly line of River avenue, distant 137.0 feet east of the easterly line of Lumberman way (now vacated); thence deflecting in a westerly direction to the right at an angle of 9° 31' 39", a distance of 5.0 feet to a point of curve; thence continuing in a westerly direction by a curve to the right with a radius of 319.62 feet and a distance of 124.0 feet to a point on the northerly line of River avenue, the end.

The said track shall be constructed in accordance with the Plan identified as Accession No. B-701 on file in the office of the Bureau of Highways & Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of construction of said side track, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing location, paving, sewerage, and all details for the construction of said side track and the said plan and construction of the side track shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which may hereafter be passed relating to the construction, maintenance and use of side tracks on City streets and compensation for same.

Section 4. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said side track upon giving a six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the H. J. Heinz Company, its successors or assigns, to that effect, and the said Grantee shall, when so notified, at the expiration of the said six (6) months forthwith remove, at its own cost and expense, the said side track and replace the street to a condition as required by the said Director or as herein further stipulated.

Section 5. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons, or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of said side track, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The said Grantee shall bear the full cost and expense of the

repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed on account of the construction, maintenance and use of said side track.

Should the said track be abandoned or its use discontinued, the Grantee shall bear the full cost and expense of the repair and repaving of the same area of River avenue that was required to be paved by the said Grantee, and the repair of any sub-structures thereunder as directed by said Director.

Section 7. The said Grantee, at its own cost and expense, shall furnish, install and maintain all warning signals ordered by the Pennsylvania Public Utility Commission.

Section 8. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said H. J. Heinz Company, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by the H. J. Heinz Company, its successors or assigns.

Section 9. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Fixing the width and position of the sidewalks and roadway of Jasper street from Boggs avenue to a property line 75.29 feet east of Curtis street, providing for slopes, landscaping, retaining walls, and steps, and re-establishing and establishing the grade thereof.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the width and position of the sidewalks and roadway of Jasper street from Boggs avenue to property line 75.29 feet east of Curtis street with provisions for slopes, landscaping, retaining walls, and steps and the grade of the southerly six-foot curb line thereof, shall be and the same are hereby fixed, re-established, and established as follows; to wit,

The southerly sidewalk shall have a uniform width of 6.0 feet, lying north of and contiguous to the southerly line of the street.

The roadway shall have a uniform width of 24.0 feet, lying north of and contiguous to the above described southerly sidewalk.

The northerly sidewalk shall have a uniform width of 6.0 feet, lying north of and contiguous to the above described roadway.

The remaining portion of the street, being a strip 14.0 feet in width lying between the above described northerly sidewalk and the northerly line of the street, shall be used for slopes, landscaping, retaining walls, and steps.

Section 2. The grade of the Southerly six-foot curb line shall begin at the easterly ten-foot curb line of Boggs avenue at an elevation of 1078.33 feet as at present improved; thence shall rise and fall by a convex parabolic curve having an apex elevation of 1080.15 feet for a distance of 50.0 feet to a point of tangent to an elevation of 1077.40 feet; thence shall fall at the rate of 11.0 per cent for a distance of 501.43 feet to a point of curve to an elevation of 1022.24 feet; thence by a concave parabolic curve for a distance of 40.0 feet to a point of tangent to an elevation of 1018.64 feet; thence falling across the intersection of Curtis street at the rate of 7.0 per cent for a distance of 36.84 feet to a point of curve to an elevation of 1016.06 feet; thence by a convex parabolic curve for a distance of 40.0 feet to a point of tangent to an elevation of 1012.46 feet; thence falling at the rate of 11.0 per cent for a distance of 15.29 feet to a point of curve to an elevation of 1010.78 feet; thence by a concave para-

bolic curve for a distance of 40.0 feet to a point of tangent to an elevation of 1008.58 feet, said point of tangent being 75.29 feet east of the intersection of the southerly line of Jasper street and the easterly line of Curtis street and on the extension of the dividing line between lots No. 39 and No. 40 in Mrs. Margaret Giffin's heirs Plan of Lots, as recorded in the Recorder's Office of Allegheny County in Plan Book Volume 4, Pages 280 and 281.

The above described grade from Boggs avenue to Curtis street conforms substantially to the grade as established by Ordinance No. 94 approved June 7, 1907.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Whereas, It is necessary and in the public interest that the Urban Redevelopment Authority of Pittsburgh avail itself of the financial assistance provided by Title I of the Housing Act of 1949 to assist local slum clearance and urban redevelopment projects; and

Whereas, It is necessary that plans be made and other activities be performed preparatory to undertaking such projects; and

Whereas, It is recognized that Title I of the Housing Act of 1949 imposes certain obligations and responsibilities upon local public agencies availing themselves of such financial assistance, and requires among other things: (1) the approval of the redevelopment plan by the governing body of the locality in which the project is situated, with appropriate findings (a) that financial aid by the Federal Government is necessary, (b) that the redevelopment plans for the redevelopment areas in the locality will afford maximum opportunity, consistent with the sound needs of the locality as a whole, for the redevelopment of such areas by private enterprise, and (c) that the redevelopment plan conforms to a general plan for the development of the locality as a whole; (2) the provision of local grants-in-aid; (3) the development of a feasible method for the relocation of families displaced from the project area; and (4) the several other local obligations and responsibilities imposed by Title I of the Housing Act of 1949 in connection with the

undertaking and carrying out of slum clearance and urban redevelopment projects.

Now, Therefore, Be It Resolved by the Council of the City of Pittsburgh, as follows:

Section 1. That the financial assistance provided by Title I of the Housing Act of 1949 to assist local slum Clearance and urban redevelopment projects is necessary; and

Section 2. That it is fully cognizant of the foregoing obligations and responsibilities imposed by Title I and it is the sense of this body that such obligations and responsibilities can and will be fulfilled; and

Section 3. That the filing of an Application or Applications by Urban Redevelopment Authority of Pittsburgh for a Final Advance of funds from the Housing and Home Finance Administrator under Title I is hereby approved.

No. 328

Whereas, Experience in various communities throughout the United States has shown that complete public health nursing service is most satisfactory to the family when each public health nurse, in her visits, provides the multiple services of health teaching, prevention and control of disease, and care of the sick; and

Whereas, The Visiting Nurse Association of Allegheny County, a nonprofit corporation, is willing to undertake with the Bureau of Public Health Nursing of the City of Pittsburgh a pilot study for the combination of the public health services of both agencies in a selected area representing a population of approximately 36,000 in the Arsenal Health Center area in order to study the most efficient and economical method for providing the people with adequate nursing service; and

Whereas, Representatives of the governing bodies and the administrative staffs of the representative agencies are willing to administer the public health nursing services offered in the pilot study area and the public health nursing services may be provided by the supervisors and staff nurses now employed by the two agencies, such services to be offered the families within the area through a single public health nurse under a supervisor representing both agencies, thus avoiding duplication of visits by public health nurses to the same families;

Now, Therefore, Be It

Resolved, That the Bureau of Public Health Nursing of the City of Pittsburgh be and hereby it is authorized, in cooperation with the Visiting Nurse Association of Allegheny County, to undertake a pilot study for the combination of the public health nursing services of said Bureau and said Association in an area to be designated by the Director of the Department of Public Health, embracing a population of approximately 36,000 persons in the area of the Arsenal Health Center and in connection with such pilot study to make appropriate arrangements so that

- (1) The public health nursing serv-

ices of the Visiting Nurse Association and the Bureau of Public Health Nursing will function as one unit,

- (2) The public health nursing services of the Bureau of Public Health Nursing may be assigned to the staff of the Visiting Nurse Association and/or the public health nursing services of the Visiting Nurse Association may be assigned to the Bureau of Public Health Nursing,

- (3) The nurses of the Bureau of Public Health Nursing shall collect such fees for nursing care services as are charged by the Visiting Nurse Association for the same services and give receipts therefor in the form currently used by the Visiting Nurse Association,

- (4) The fees so collected by nurses of the Bureau of Public Health Nursing shall be turned over to the Visiting Nurse Association, and

- (5) Such further steps may be taken to implement the pilot study as may be authorized by the Director of the Department of Public Health.

No. 372

Whereas, The Mayor of the City of Pittsburgh has petitioned the Public Utility Commission to suspend the proposed increased street car and bus fares; and

Whereas, The Council of the City of Pittsburgh heartily agrees with action taken by the Mayor in his efforts to protect street car and bus riders in the Pittsburgh area; and

Whereas, The proposed increase in street car fares would be the fifth steep increase in rates since 1948; and

Whereas, This represents a 100 per cent increase in token fares, and for those who use transfers an increase of 136 per cent; and

Whereas, Such increases have proven unduly burdensome to the public and have been disproportionate to advances in wages, materials and equipment; and

Whereas, It is of vital concern to the economic well-being of this area and to all citizens that the proposed new rates be denied; and

Whereas, This Administration has repeatedly urged the Public Utility Commission, without success, to establish zones with a lower rate for short haul riders who ride only short distances, and not to impose on them the same rates as those who ride for long distances, and the Public Utility Commission has repeatedly ignored this request, and

Whereas, No transfer charge was imposed until recent tariffs, which imposed a three cent transfer charge on riders irrespective of the shortness of the ride, and only because of the fact that continuous service is not supplied them, and

Whereas, Such additional transfer charge constitutes a great hardship upon many thousands of car riders in this City, and

Whereas, The repeated increases have resulted in driving away from the street car company millions of riders who

would patronize the company if the fares were just and reasonable, and

Whereas, The proposed new fare increase which will become effective September 10, 1951, will add further unjust burdens upon the transfer riders and other car riders, Therefore, Be It

Resolved, That civic organizations, business associations, labor unions, fraternal groups, veterans organizations, and all other organizations and individuals be urged to support the Mayor and Council in their fight against increased street car and bus fares by petitioning the Public Utility Commission to suspend the proposed new schedule of rates.

Whereas, The measure of a Pittsburgher's citizenship can be best de-

terminated by the degree of his contribution to the civic rebirth now underway in this city; and

Whereas, Using this standard, the name of Thomas F. Troy stands among the very foremost in the list of Pittsburgh citizens; and

Whereas, Throughout the years he has spent in this city, Tom Troy has energetically and selflessly worked to achieve in Pittsburgh a better community for all residents of this area; and

Whereas, In keeping with the spirit of the new Pittsburgh, Mr. Troy not only accepted civic duties pressed upon him by others but took the initiative in developing new projects and new ideas which have become part of the overall improvement program; and

Whereas, No citizen of this area has earned more sincere respect and deeper friendship than has this Pittsburgh businessman and community leader; and

Whereas, Effective the first part of next year, Mr. Troy has been promoted to a position which requires his removal to New York City; Therefore, Be It

Resolved, That the City of Pittsburgh hereby officially extends to Thomas F. Troy its warmest expressions of friendship and appreciation for his many good works for Pittsburgh and its citizens and its best wishes for continued success at his new post.

Whereas, Certain trucking companies have presented an application to the Interstate Commerce Commission of the United States, requesting permission to engage in unrestricted transportation of dangerous explosives in Interstate Commerce, which application is now pending before said Commission; and

Whereas, Dangerous explosives have not heretofore been transported unrestrictedly over the streets of the City of Pittsburgh or other thickly populated areas in large trucking operations; and

Whereas, Such transportation of high explosives by large and unrestricted trucking operations through the City of Pittsburgh or other thickly populated areas may result in accidents which will cause great loss of life and property; and

Whereas, Since the Pennsylvania Turnpike Commission has prohibited transportation of high explosives on the Pennsylvania Turnpike, such transportation in Interstate Commerce would thus inevitably result in a large flow of such traffic through the streets of the City of Pittsburgh; and

Whereas, The City of St. Louis and other cities of the United States have intervened before the Interstate Com-

merce Commission opposing the granting of the aforesaid application;

Now, Therefore, Be It Resolved:

(1) That the City of Pittsburgh is opposed and does hereby express its opposition to the granting of unrestricted permission to trucking companies to transport dangerous explosives over its public highways in interstate commerce.

(2) That the Law Department of the City of Pittsburgh is hereby authorized and directed to intervene in the aforesaid proceedings before the Interstate Commerce Commission of the United States, and in behalf of the City of Pittsburgh to oppose before said Commission the granting of permission to the applicants in the aforesaid proceedings to engage in the unrestricted transportation of dangerous explosives in interstate commerce over the streets and highways of the City of Pittsburgh.
